Bill No. 123

CITY OF HAMILTON

BY LAW NO. 10- 123

To Amend By-law No. 08-161

A By-law respecting Building Permits and Related Matters

WHEREAS Council of the City of Hamilton desires to provide for the issuance of permits and related matters under the Building Code Act, 1992 S.O. 1992, c. 23 as amended, to obtain sufficient information from applicants to determine compliance with the Act and applicable laws, for the purpose of providing for the safety and health of the public through compliant construction, demolition and related issues, and to fix fees for cost recovery purposes;

AND WHEREAS the required public notice has been given and public meeting held as required for this by-law, in addition to other public consultation;

AND WHEREAS Section 7 of the Building Code Act, 1992 S.O. 1992, Chapter 23, authorizes a municipal council to pass by-laws concerning the issuance of permits and related matters, and the Municipal Act, particularly sections 8, 9, 10 and 391, authorize the municipality to pass by-laws concerning financial management, services and things the municipality is authorized to provide, for the protection of persons and property, and for structures;

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. Schedule "A" of By-law 08-161 as amended, is hereby deleted in its entirety and replaced with Schedule "A", attached to and forming part of this By-law.
2. In all other respects, By-law 08-161 as amended is confirmed in force.
3. This By-law comes into force on the date it is passed.

PASSED this 26th day of May, 2010

4. Where no new floor area is created, or where materials, systems or equipment regulated by the Code render it impossible to determine the **permit** fee on the basis of the classifications noted in this Schedule, the **permit** fee payable shall be 1% of the **prescribed value** as determined by the **Chief Building Official** under section 6 of this by-law, subject to a minimum fee as per Section 2 of this Schedule.
5. Where construction, demolition, or a change in the use of the building has commenced prior to the issuance of the required **permit**, the prescribed fees in Schedule "A" of this By-law shall be subject to a surcharge as prescribed by Schedule "C". The total fees under this Schedule and Schedule "C" shall be paid prior to the issuance of the **permit**.

6. **INTERPRETATION**

In addition to referring to the **Act** and the **Building Code**, in determining the fees under this by-law, the **Chief Building Official** may have regard to the following explanatory notes as may be needed in the calculation of **permit** fees:

- (a) Floor area of the proposed work is to be measured to the outer face of exterior walls and to the centre line of party walls or demising walls (but excluding residential garages);
- (b) In the case of interior alterations or renovations, area of proposed work is the actual space receiving the work (e.g. tenant space);
- (c) Mechanical penthouses and floors, mezzanines, lofts, habitable attics and interior balconies are to be included in all floor area calculations;
- (d) Except for interconnected floor spaces, no deduction is made for openings within the floor area (e.g. stairs, elevators, escalators, shafts, ducts, and similar openings);
- (e) Unfinished basements for single family dwellings, semis, duplexes and townhouses are not included in the floor area;
- (f) Attached garages and fireplaces are included in the permit fee for individual dwelling units;
- (g) Where interior alterations and renovations require relocation of sprinkler heads or fire alarm components, no additional charge is applicable;

- (h) Corridors, lobbies, washrooms, lounges, and similar areas are to be included and classified according to the major classification for the floor area on which they are located;
- (i) The occupancy categories in the Schedule correspond with the major occupancy classifications in the *Building Code*. For mixed occupancy floor areas, the Service Index for each of the applicable occupancy categories shall be used and the floor area associated with the major occupancy;
- (j) For Rack Storage use apply the square footage charge for industrial for the building;
- (k) A temporary building is considered to be a building that will be erected for not more than one year; and
- (l) Where a change of use permit is subject to a fee based on floor area, "floor area" shall mean the total floor space of all storeys subject to the change of use.
