Hamilton

Starting Birth Control

- To start birth control, you will have a teaching session with a nurse
- You *do* need an appointment to see a doctor or nurse practitioner to prescribe more birth control packs and have a Pap test

STI Testing

- Males are tested for chlamydia and gonorrhea by urine sample
- Females may have samples taken from the vagina or by a urine test

STI Testing

We offer blood tests for:

- HIV
- Syphilis
- Hepatitis

Hamilton

Test Results

- Return to clinic in 2 weeks for your results
- You will be asked how we may reach you confidentially *only* if you do not return for your results
