

Attention HSR Passengers Using Monthly Passes

“FLASH YOUR PASS”

HSR's new Fareboxes do not have a Reader that requires your monthly bus pass to be swiped. Starting on Saturday February 23 2008, just “Flash Your Pass” at the Operator, ensuring that the month of the pass is clearly visible.

Do not insert your pass in the farebox. For students, valid identification is still required.

Passengers are reminded that the Operator may inspect any pass to determine its validity. HSR maintains the right to confiscate any pass which is fraudulent, or is used fraudulently, including those that have been “passed back” for use by another passenger.
