Dear Mayor Eisenberger:

Thank you for your letter and attached report providing me with a copy of council's resolution regarding the Trinity neighbourhood secondary plan and collector road environmental assessment. The views of our municipal leaders are very important to me and I appreciate your keeping me informed of council's activities.

As this issue falls under the jurisdiction of the Honourable John Gerretsen, Minister of the Environment, I have sent him a copy of council's resolution and report. I trust that the minister will also take council's views into consideration.

Thank you again for the information. Please accept my best wishes.

Yours truly,
