

# Attention 20 - A Line and 35 - College Passengers

Effective Monday, February 14, 2011, Route 20 - A Line will be rerouted to service the new MacNab Terminal. The end-of-line point at King Street & Hughson Street will remain the same but the bus will continue west on King Street, south on the eastern MacNab Terminal roadway and use the existing 35 - College stop (Platform #6).

In addition to this routing change, the 20 - A Line will also service the existing 35 - College bus stops between downtown and Mohawk College.

The 20 - A Line will use the following **additional** bus stops and Bus Check numbers, Northbound from Mohawk College:

Fennell At West 5th	2011
West 5th At Fennell	2910
West 5th At Brantdale & Gateview	2910
St. Joseph's At James	2911
John At Young	2097
John At Jackson	2092

Southbound from MacNab Terminal:

MacNab Terminal Platform #6	1335
James At Hunter	2012
James At Bold & Robinson	2015
James At Markland	2900
West 5th At Brantdale	2896
West 5th At Fennell	2959

All existing 20 - A Line bus stops will continue to be serviced by the 20 - A Line buses. An updated 20 - A Line timetable will be available soon. With the increase in ridership from Mohawk College, due to the recently implemented U-Pass, additional service needed to be provided to improve connections and alleviate overcrowding conditions on the bus.
