...NOTICES

On October 29th, Remember to CHANGE YOUR CLOCK... ...AND CHANGE YOUR BATTERY!

Smoke alarms and carbon monoxide detectors save lives!
...but only if they are working properly

Your Hamilton firefighters and local McDonald's Restaurants ask you to follow these maintenance procedures:

- Replace the battery yearly or when the "low" battery signal sounds
- Use only batteries recommended by the manufacturer of the alarm or detector
- Do not use rechargeable batteries
- Test your smoke alarms monthly, using the test button and smoke
- Clean your smoke alarms frequently by vacuuming them

Firefighters from Hamilton Emergency Services will be at the following McDonald's restaurants on Saturday, October 29, 2005 between 11:30 a.m. and 1:30 p.m. to answer any questions you may have regarding smoke alarms and carbon monoxide alarms, and to provide you with information on the VIP Home Inspection program and our Alarmed & Ready smoke alarm installation program.
