

## Next Steps:

This is a critical stage for feedback on the new Cycling Master Plan for the City of Hamilton. Should you have comments, please ensure we have received them by **Thursday April 23**.

**Thank You for attending.**

**Please submit any comments on the forms provided and encourage others to provide feedback using the website or email.**

**web: [www.hamilton.ca/ShiftingGears](http://www.hamilton.ca/ShiftingGears)**

**email: [cycling@hamilton.ca](mailto:cycling@hamilton.ca)**

The Cycling Master Plan is planned to be presented to Council in June 2009. With Council approval, the City will have a well defined list of projects for implementation and citizens and Council will have a good understanding of the financial requirements.

The information presented on these panels is posted on the above website.
