

**Access to Housing maintains the waiting list for people who have applied for subsidized housing in the Hamilton area. Access to Housing is not a landlord and does not offer housing.**

You will be contacted by a Non-Profit Landlord with an offer of accommodation. You will receive a **maximum of 3 offers**. If you refuse 3 offers of accommodation your application will be cancelled and you will have to reapply and start again at the beginning.

Please **call** us to report any changes of address, telephone number or who will be living with you. It is important that you keep your application up to date and that you respond quickly to our requests for additional information. There is a time limit for responding.

If you want to make changes to your selection of housing choices, you must come to our office to do so.

Please **do not call** us to ask when you will be offered housing. We do not know. Non-Profit Landlords select applicants from the waiting list by date of application on a first come, first served basis.

The chart below indicates how long you may have to wait. The more selections you include in your application the faster you are likely to be housed.
