Subject: Driver Safety

Dear Sir Madam,

This is to notify you that the official position of **CAB DRIVERS WELFARE ASSOCIATION OF HAMILTON** which represents drivers at both companies is that safety shields should be installed in all cabs as an effective preventive measure against the ongoing violence by passengers against the drivers.

This position was unanimously endorsed by the cab drivers meeting which was held on January 6 2008 at Knights of Columbus Hall in the CITY OF HAMILTON.

Thanking You.

Sincerely,
