

**Authority:** Item 6, Economic Development and  
Planning Committee  
Report 08-010 (PED08125)  
CM: June 11, 2008

**Bill No. 143**

**CITY OF HAMILTON**

**BY-LAW NO. 08-143**

To Adopt:

Official Plan Amendment No. 65 to the former Township of Glanbrook Official Plan;

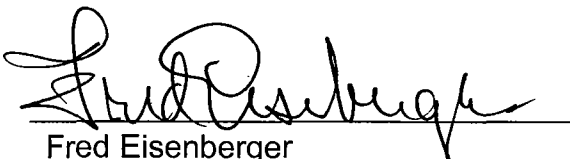

Respecting:

**Part of Block 133, Plan 62M-1062, Magnificent Way**

**NOW THEREFORE** the Council of the City of Hamilton enacts as follows:

1. Amendment No. 65 to the Official Plan of the former Township of Glanbrook Planning Area consisting of Schedule "1", hereto annexed and forming part of this by-law, is hereby adopted.

**PASSED and ENACTED** this 11<sup>th</sup> day of June, 2008

Fred Eisenberger  
Mayor

Kevin C. Christenson  
City Clerk

**Amendment No. 65**

**to the**

**Official Plan for the former Township of Glanbrook**

The following text together with Schedule "A" (Schedule "B" - Binbrook Village Secondary Plan), attached hereto, constitute Official Plan Amendment No. 65 to the Official Plan of the former Township of Glanbrook.

**Purpose:**

The purpose of the Amendment is to redesignate the subject lands, as amended by OPA 52, from "Storm Water Management Facility - Drainage Channel/Public Walkway" to "Low Density Residential" on Schedule "B", Binbrook Village Secondary Plan, in order to permit two lots for single detached residential development.

**Location:**

The lands affected by this Amendment are Part of Lot 1, Concession 4, in the former Township of Glanbrook, legally known as Part of Block 133 on Registered Plan 62M-1062, and Parts 1 and 2 on Reference Plan 62R-17951. The lands are located adjacent to the public street, known as Magnificent Way, within the Binbrook Village Secondary Plan.

**Basis:**

The intent of the Amendment is to permit a low density residential development in the form of two single detached dwellings on the subject lands. The basis for the redesignation is as follows:

- The proposed development is consistent with the Provincial Policy Statement.
- The proposed development is consistent with the Hamilton-Wentworth Official Plan and the general intent of the Township of Glanbrook Official Plan.
- The proposal is compatible in scale, density and form with the existing adjacent single detached and townhome residential uses in the neighbourhood, and represents an opportunity for infill development. This is consistent with the general intent of the Binbrook Village Secondary Plan residential policies.
- The proposal encourages a compact urban form which enhances the livability of the community, provides for cost efficiencies and supports environmental sustainability.

- The change in designation will have no negative effect on the function of the adjacent Storm Water Drainage Channel as a Drainage Channel or a Public Walkway.

**Actual Changes:**

Schedule Changes

1. That Schedule "B", Binbrook Village Secondary Plan, be revised by redesignating the subject lands from "Storm Water Management Facility - Drainage Channel/Public Walkway" to "Low Density Residential", and identifying the subject lands as OPA No. 65, as shown on the Schedule "A" attached to this Amendment.

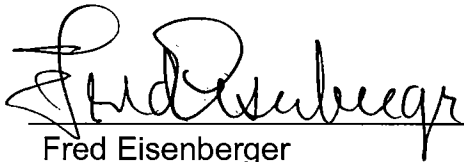

**Implementation:**

An implementing Zoning By-Law Amendment will give effect to the intended use on the subject lands.

This is Schedule "1" to By-law No. 08-143, passed on the 11<sup>th</sup> day of June, 2008.
