Amendment No. 10 to the Urban Hamilton Official Plan

The following text attached hereto, constitutes Official Plan Amendment No. 10 to the Urban Hamilton Official Plan.

1.0 Purpose and Effect:

The purpose and effect of this Amendment is to:

- remove the subject lands from an Area Specific Policy;
- redesignate the subject lands to "Institutional"; and,
- to revise the proposed road pattern

to recognize the expansion of Redeemer University College.

2.0 Location:

The lands affected by this amendment are located near the Springbrook Avenue and Garner Road East intersection, and are known municipally as 460 and 480 Springbrook Avenue, in the former Town of Ancaster.

3.0 Basis:

The basis for permitting this amendment is as follows:

- The proposal is consistent with the Provincial Policy Statement
- The residential unit yield both pre- and post-redesignation will remain similar to and consistent with those originally envisioned in the Meadowlands Neighbourhood IV Secondary Plan.
- The policies of the Plan acknowledge that the Redeemer University College may expand onto adjacent lands without amendment to this plan, provided that it can be demonstrated to Council that the expansion will not hinder or preclude development of adjacent lands for residential purposes. While the use of the lands for institutional purposes will not compromise the development of adjacent residential lands and no Official Plan amendment is necessary, the lands will be appropriately designated for housekeeping purposes since an OPA is otherwise required to identify a revised road pattern.

4.0 Actual Changes:

4.1 Mapping Changes:

4.1.1 Urban Hamilton Official Plan Volume 1, Schedule E-1 – Urban Land Use Designations is revised by:
