Authority: Item 2, General Issues Committee Report 17-026 CM: December 8, 2017 Ward: City Wide

Bill No. 265

CITY OF HAMILTON

BY-LAW NO. 17-265

A By-law to Establish the 2018 Water and Wastewater/Storm Fees and Charges for Services, Activities and Use of Property Provided by the City of Hamilton

WHEREAS pursuant to section 391 of the *Municipal Act, 2001*, sections 9 and 10 of the said Act authorize a municipality to pass by-laws imposing fees or charges for services or activities provided or done by or on behalf of the municipality and for the use of the municipality's property, including property under its control;

AND WHEREAS pursuant to sections 8, 9 and 10 of the *Municipal Act, 2001,* a municipality may pass by-laws respecting public assets of the municipality acquired for the purpose of exercising its authority under the said Act or any other Act, and respecting services that the municipality considers necessary or desirable for the public, including the provision of public utilities such as water and sewage, as defined in the said Act;

AND WHEREAS the City of Hamilton wishes to establish and maintain in one by-law a list of all of its water and wastewater/storm services and activities and the use of property subject to fees or charges, as well as the amount of each fee or charge;

AND WHEREAS on the 8th day of December, 2017, the Council of the City of Hamilton did approve of Item 2 of General Issues Committee Report 17-026 and did authorize the 2018 water and wastewater/storm fees and charges set out herein;

AND WHEREAS notice of the 2018 water and wastewater/storm fees and charges set out herein has been given in accordance with the provisions of the City of Hamilton's Public Notice Policy By-law No. 07-351.

Page 2 of 5

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

- 1. The water and wastewater/storm fees and charges identified under the headings of Daily Water & Wastewater/Storm Fixed Charges, Metered Water Consumption Charges, Wastewater/Storm Treatment Charges, and Non-Metered Annual Water and Wastewater/Storm Rate on Schedule "A" attached hereto, shall be imposed by the City of Hamilton for those services, activities and use of property provided by the City of Hamilton.
- 2. The water and wastewater/storm fees and charges identified as the "2018 Approved Fee or Charge" on Schedule "B" attached hereto, shall be imposed by the City of Hamilton for those services, activities and use of property provided by the City of Hamilton and identified as the "Service Offered" on the said Schedule "B".
- 3. (1) The fees and charges approved and imposed under section 2 are subject to any adjustment authorized by a statute, regulation or by-law in respect of the calculation or administration of a fee or charge, such adjustment to be effective as provided for in such statute, regulation or by-law.
 - (2) Despite sections 1 and 2, any fee or charge:
 - (a) authorized by a by-law that comes into effect on the same or a later date than this By-law; or
 - (b) included in a valid agreement entered into by the City of Hamilton and one or more other parties,

shall be the approved and imposed fee or charge for the service, activity or use of property specified.

- 4. The water and wastewater fees and charges listed in Schedules "A" and "B" attached hereto are subject to the Harmonized Sales Tax (H.S.T.), where applicable.
- 5. The fees and charges imposed by this by-law are due and payable:

Page 3 of 5

- (a) at the time of the transaction for which the fee or charge is imposed; or
- (b) if subsection 5(a) is not applicable, upon the due date specified in any invoice issued by the City of Hamilton or by any other body acting on behalf of the City of Hamilton to any person in connection with a fee or charge imposed by this By-law.
- 6. Late payment charges shall be added to all unpaid fees and charges as follows:
 - (a) for the fees and charges set out in Schedule "A" and Schedule "B" attached hereto, when billed by a third party on behalf of the City of Hamilton, a rate of 1.5% per month calculated daily on any overdue amount, or such other rate as is approved by Council;
 - (b) for the fees and charges set out in Schedule "A" and Schedule "B" attached hereto, when billed by the City of Hamilton, the current prime rate plus 2%, adjusted quarterly, on any overdue amount, or such other rate as is approved by Council.
- 7. All unpaid fees or charges imposed by this By-law on a person are a debt due to the City of Hamilton and the City of Hamilton may take such action as it considers necessary and as permitted by law to collect the debt.
- 8. Where all or part of a fee or charge imposed by this By-law relates to fees and charges for the supply of a public utility, as defined in the *Municipal Act, 2001*, and remains unpaid, such fee or charge may be added to the tax roll for the property to which the public utility was supplied, and collected in like manner as municipal taxes.
- 9. Where all or part of a fee or charge imposed by this By-law relates to fees and charges other than those set out in section 8 of this By-law, and remains unpaid, such fee or charge may be added to the tax roll for the property for which all of the owners are responsible for payment of the fee or charge, and collected in like manner as municipal taxes.

Page 4 of 5

- 10. Each provision of this By-law, including Schedules "A" and "B", continues in force until amended, repealed or replaced (by by-law or by a resolution of the Council of the City of Hamilton confirmed by by-law) and for greater certainty this includes continuing in force after December 31, 2018 until amended, repealed or replaced.
- 11. In the event of any conflict between the provisions of this By-law and the provisions of By-law No. R84-026, being the Waterworks By-law for the City of Hamilton, the provisions of By-law No. R84-026 shall prevail.
- 12. In the event of any conflict between the provisions of this By-law and the provisions of By-law No. 06-026, being The Sewer and Drain By-law for the City of Hamilton, the provisions of By-law No. 06-026 shall prevail.
- 13. In the event of any conflict between the provisions of this By-law and the provisions of By-law No. 03-272, being The Sanitary Surcharge and Wastewater Abatement By-law for the City of Hamilton, the provisions of By-law No. 03-272 shall prevail.
- 14. Should any part of this By-law, including any part of Schedule "A" and/or Schedule "B" attached hereto, be determined by a court of competent jurisdiction to be invalid or of no force, it is the stated intention of Council that such invalid part of this By-law shall be severable from this By-law and that the remainder of this By-law, including the remainder of Schedule "A" and/or "B", as applicable, shall continue to operate and be in force.
- 15. Schedules "A" and "B" are attached to and form part of this By-law.
- 16. This By-law may be referred to as the "Water and Wastewater/Storm Fees and Charges By-law".
- 17. By-law No. 16-324, being a by-law to establish the 2017 Water and Wastewater/Storm Fees and Charges for Services, Activities and Use of Property Provided by the City of Hamilton, is repealed upon the coming into force of this By-law.
- 18. This By-law comes into force on January 1, 2018.

PASSED this 8th day of December, 2017.

F. Eisenberger Mayor R. Caterini City Clerk

SCHEDULE "A" TO BY-LAW 17-265

CITY OF HAMILTON 2018 WATER AND WASTEWATER/STORM FEES AND CHARGES Effective January 1, 2018

A) Daily Water & Wastewater/Storm Fixed Charges* The fixed daily charge is not related to the direct costs of consumption and are not dependent upon or related to the amount of consumption incurred. The fixed charges are intended to offset the fixed costs of maintaining the City's water, wastewater and storm systems.

Meter Size	Water Rate	Wastewater/ Storm Rate
15 mm	\$0.34	\$0.36
16 mm	\$0.34	\$0.36
20 mm	\$0.34	\$0.36
25 mm	\$0.85	\$0.90
38 mm	\$1.70	\$1.80
50 mm	\$2.72	\$2.88
75 mm	\$5.44	\$5.76
100 mm	\$8.50	\$9.00
150 mm	\$17.00	\$18.00
200 mm	\$27.20	\$28.80
250 mm	\$39.10	\$41.40
300 mm	\$57.80	\$61.20

B) Metered Water Consumption Charges*

Water Consumption shall be charged on a per cubic metre basis at the rates indicated in the table below. The total monthly Water Consumption charge is the sum of usage in all blocks at the rate for each block.

		Residential	Multi-Residential, Commercial, Institutional & Industrial
Consumption Block	Monthly Water Consumption (m ³)	Rate (\$/m ³)	Rate (\$/m ³)
1	0-10	0.75	1.49
2	>10	1.49	1.49

C) Wastewater/Storm Treatment Charges*

Wastewater/Storm Treatment Charges are based on metered water consumption and the cost of wastewater collection and treatment, and stormwater management. Charges are on a per cubic metre basis at the rates indicated in the table below. The total monthly Wastewater/Storm Treatment Charge is the sum of usage in all blocks at the rate for each block.

		Residential	Multi-Residential, Commercial, Institutional & Industrial
Treatment Block	Monthly Water Consumption (m3)	Rate (\$/m3)	Rate (\$/m3)
1	0-10	0.81	1.61
2	>10	1.61	1.61

D) Non-Metered Annual Water And Wastewater/Storm Rate*
 Flat Rate Water Customers Annual Rate: \$543.85
 Flat Rate Wastewater/Storm Customers Annual Rate: \$587.65
 Combined Flat Rate Water & Wastewater/Storm Customers Annual Rate: \$1,131.50

Fees do not include HST which will be added where applicable.
