A disqualifying interest is an interest in a matter regarding which a reasonable person fully informed of the facts and circumstances would conclude that the Member could not participate impartially in the decision-making process related to the matter either because to do so would not be in compliance with the Municipal Conflict of Interest Act, or, because the Member's relationship to persons or bodies involved in the matter or affected by the decision is so close, a reasonable person would conclude that the Member could not effectively carry out their public duty with impartiality.
