

Public Health Nurse Services for All Schools

Public Health Nurses work with schools to support the health and wellbeing of children and youth.

Contact your School Public Health Nurse for support with:

- Classroom resources
- Child & Youth Health Atlas Data: www.hamilton.ca/ChildHealthAtlas
- OPHEA Healthy Schools Certification
- Your school's Health Action Team
- Active & Sustainable School Travel planning
- Information about head lice and treatment
- Access to City of Hamilton and Public Health Services Programs on the following health topics:

Check out the Healthy Schools website:
