

## Virtual Public Meeting Notice

### Alexander Park Skate Park and Community Hub 201 Whitney Avenue, Hamilton (Ward 1)

Dear Resident:

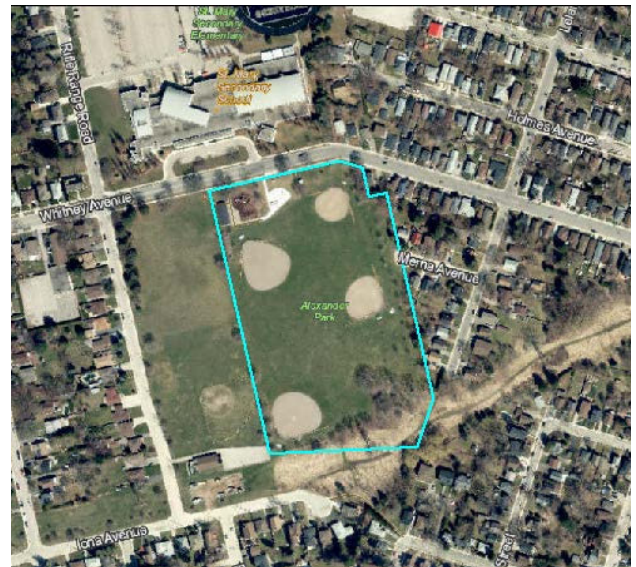

You are invited to a project kick-off meeting for two exciting projects within Alexander Park: Alexander Skate Park, and the Alexander Park Community Hub Building. This meeting is the first step for each respective project and will provide information about the project scopes and next steps.

**Date:** June 8, 2021  
**Time:** 7:30 - 9:30pm  
**Where:** Online  
**Register:** <https://tinyurl.com/APHPIC>

#### **Alexander Skate Park**

The proposed facility will be designed to accommodate BMX riders, in-line skaters, scooter riders, quad skaters, skateboarders and other wheeled sports.

The city is seeking your feedback on the proposed skate park and is looking for interested individuals to become part of a rider-focused working group. The working group will assist the design team in determining the desired layout and features of the skate park.

*Alexander Park – 201 Whitney Avenue, Hamilton*

For more information, please visit the skate park project's web page:  
[www.Hamilton.ca/AlexanderPark](http://www.Hamilton.ca/AlexanderPark)

## **Alexander Park Community Hub Building**

The proposed retrofit of the Alexander Park building will aim to increase community use within the park through a Community Hub facility. The current location and footprint of the building will remain but undergo interior renovation to improve facility use and accessibility.

The city is seeking community input for the Alexander Park Community Hub building retrofit project in order to identify building needs and programming opportunities.

If you have any questions or concerns regarding either of these projects, please contact the respective Project Manager, or Councillor Wilson's office.
