VALLEY SKATE PARK

A new wheeled sport facility is coming to Valley Park!

- If you ride
 - > Skateboards
 - > BMX Bikes
 - > Scooters
 - > Rollerblades
- WE NEED TO HEAR FROM YOU!**

Future skate park location

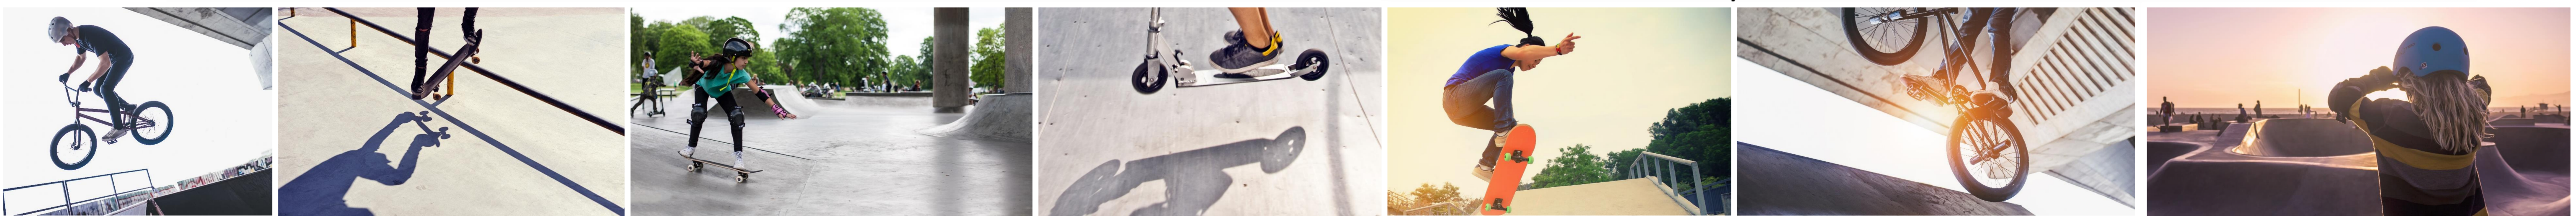

The project proposes the development of an approximately 1,500m² (16,145 Sq.Ft) concrete facility that will cater to a variety of wheeled sports. In 2017, the City of Hamilton completed an in-depth skateboard park study that aided in identifying Valley Park as the ideal site for this facility.

Help us design the new Valley Skate Park!
