## Forestry School Presentation (Grade 3) / OUTLINE

Tree Education Game (Stand Up/Match up)

12 Tree Species and their distinguishing features.

The teacher will need to print out the cards and cut them along the lines.

The presentation for the game will need to be opened with Microsoft PowerPoint.

Each student receives a card with a tree feature.

They stand up with their card once they decide what tree matches to their feature.

Example:

Kentucky Coffee tree - leaves grow up to 90cm long, largest of any native tree.

Fruit - large pod, stays on tree through winter.
