APPLICATION OF BY-LAW

2. The provisions of the By-law do not authorize the introduction of any watermain or service connection into any lands or premises outside the limits of the Regional Area, and no watermain or service connection is to be introduced into any lands or premises outside the Regional Area, except by written agreement with the Regional Corporation.

ADMINISTRATION, ENFORCEMENT AND PROSECUTION

3. (1) Except as otherwise expressly provided, in this By-law, the Commissioner of Engineering is responsible:
- (a) for the administration and enforcement of all the provisions of this By-law, and
 - (b) for the laying of watermains and services, installing hydrants, valves and all construction and maintenance pertaining to or

Waterworks By-law (cont'd)

incidental to the waterworks system of the Regional Corporation as authorized by Regional Council.

- (2) The Commissioner of Engineering or Commissioner of Finance may at all reasonable times and upon giving at least twenty-four (24) hours notice to a consumer enter any part of the building or other premises of such consumer to which water is supplied for the purpose of inspecting or repairing, or of altering or disconnecting any service pipe, wire or rod, or attachment, within or without the building, or for placing meters or remote readers upon any service pipe or connection within or without the building as he considers expedient and for that purpose or for the purpose of protecting or regulating the use of the meter or remote readers may set them or alter the position of them or disconnect any service pipe.
- (3) The Regional Commissioner of Finance is responsible for billing and collecting of all water rates and charges fixed here-

Waterworks By-law (cont'd)

under except as otherwise provided under this By-law.

WATER SERVICE CONNECTIONS

Application for Water Service

4. (1) Wherever there is a Regional Watermain in a highway or other public communication, the owner or occupant of any abutting lands which are within the Regional Area and which may be readily supplied therefrom and who is desirous of connection with such watermain,
 - (a) shall attend and make application to the Commissioner of Engineering on a prescribed form for a permit for water supply service for domestic or fire purposes and where the service pipe to be installed is 50mm or more in diameter, detailed plans acceptable to the Commissioner of Engineering, shall be filed with the application, and,
 - (b) shall pay to the Regional Corporation the amounts as set forth in Schedule E

Waterworks By-law (cont'd)

to this By-law, for the cost of the water service permit the superintending of the laying of the Service Connection and the Yard Service or both, the installing of the Water Meter and Remote Reader and the turning on of water.

Limit of Diameter of Service Pipe

- (2) (a) No connection shall be made, at the watermain, of a service having a diameter larger than the watermain, except that a 150mm fire service may be increased after leaving the watermain.
- (b) No connection shall be made of or to a service pipe having an inside diameter of less than 20mm. except as authorized under sub-section (10) of this section.

Location and Installation of Service Pipe

- (3) Every service pipe from the watermain to the building or other place to which the water is to be taken is to be laid in a straight line and at right angle to the watermain, as nearly as practicable in the opinion of the Commissioner of Engineering, but two service connections from the watermain to the curb stops may be installed

Waterworks By-law (cont'd)

in one common trench to service two properties providing that the individual services are a minimum of 300mm apart, and the yard services are located on individual properties as least 1m from the lot line separating two properties.

- (4) Where the owner or occupant in his application under sub-section (1) of this section indicates to the Commissioner of Engineering the place to which the supply is to be taken and the pipe laid, the pipe is to be laid as indicated.
- (5) Where the owner or occupant does not indicate in his application under sub-section (1) of this section the place to which the supply is to be taken and the pipe to be laid, and the pipe has consequently to be relaid at any time in a different position, every such relaying or change shall be at the expense of the owner or the occupant of the lands or premises.
- (6) Where excavation of bedrock is required over more than twenty-five per cent (25%) of the length of the trench, in order to install the water service, then the installation of the

Waterworks By-law (cont'd)

water service pipe may be permitted in the same trench as the yard sewer and private drain connection provided that all of the following conditions are complied with to the satisfaction of the Commissioner of Engineering.

- (a) that all water service pipes are laid 1.6m below finished grade with a minimum of 150mm of granular material under such pipe, and
 - (b) That the crown of the yard sewers or private drains in all places are not less than 300mm below the invert of the water service pipe, and
 - (c) that the yard sewers and private drain connections are installed prior to the water service pipe.
- (7) Where installation is not permitted in the same trench in accordance with the provisions of subsection (6) of this section, the water service pipe is to be laid in a separate trench from the yard sewer or private drain connection and the yard sewer or private drain connection is to be

Waterworks By-law (cont'd)

a distance of at least 2m from the water service pipe, measured horizontally between the closest parts of the water service pipe and the yard sewer or private drain connection.

Services to be Abandoned.

- (8) Where a replacement service or additional service to increase the water supply is required for an existing premises, then the replaced service must be disconnected at the watermain. The owner of the premises is responsible for the entire cost of installing the replacement or additional service, and disconnecting any service.
- (9) Where any premises to be demolished has a water service of less than 20 mm diameter, then the service shall be disconnected at the watermain except where re-use of the existing service is authorized under sub-section (10) of this section. The owner of the premises is responsible for the entire cost of disconnecting the water service and installing any replacement service.

Connection to Existing 12 mm or 16 mm Water Service

- (10) Notwithstanding Sub-section 4(2)(b) and, 4(9) if the existing water service to the premises has a nominal diameter of 12 mm or 16 mm, and a water service flow exceeding 0.3 l/s, then the owner may connect the new building to the existing 12 mm or 16 mm diameter water service upon execution and registration on title to the premises by the

Waterworks By-law (cont'd)

Region, and such service shall be a metered water service. If a replacement water service connection is required to the premises to increase the water supply, then the replacement and disconnection shall be carried out at the cost of the owner.

Installation, Maintenance, Superintendence, and Inspection of Service Pipe

- (11) As of the date of passing of this By-law, all replacement water services are to be metered water services.
- (12) Notwithstanding sub-section (8), where the flow through an existing 12 mm water service has been recorded by the Commissioner at the service entry point inside the building then the following criteria shall apply:
 - (a) Less than 18 litres per minute, the owner may make application for a permit to engage a contractor bonded with the Regional Corporation in accordance with section 5 of this By-law, to replace the yard service at the cost of the owner. Following such replacement, the Commissioner shall replace the service connection at no cost to the owner; or

Waterworks By-law (cont'd)

- (b) Flow of 18 litres per minute or greater, the owner may make application for a permit to engage a contractor bonded with the Regional Corporation in accordance with Section 5 of this By-law, to replace the yard service and the service connection at the total cost to the owner; or
- (c) Where a water service is shared, the provisions of this section shall apply to the "prime user" premises with the exception that, in accordance with sub-section (a), if a flow of less than 18 l/min has been recorded at the subsequent user premises, the service connection installation cost shall be shared equally by the Corporation and the owner of the premises.
- (13) Wherever practicable, replacement Service Connections shall be located in the same location as that being replaced in order to eliminate the need for an additional excavation to abandon the old service at the watermain. Where this is not practicable and an additional excavation is required, such excavation and permanent restoration shall be at the total cost to the owner.

Waterworks By-law (cont'd)

- (14) Wherever a pavement is excavated by a bonded contractor for the purpose of installing, replacing or abandoning a water service connection, a permanent repair to the pavement shall be carried out by the Regional Corporation at the total cost to the owner except as in 8(10)(c) where the cost shall be shared equally between the owner and the Regional Corporation.
- (15) All service pipe shall be laid down and maintained in good repair in compliance with the provisions of the Public Utilities Act, R.S.O., 1980, Ch. 432, as amended, and the design and specifications shall be satisfactory to the Commissioner of Engineering.
- (a) where a service connection and yard service are laid or a yard service repaired by the owner or occupant of the property affected, the Commissioner of Engineering or his designate shall inspect the work and shall have the right and authority to inspect or superintend the work or connection therewith, and no person shall use such work or connection until inspected and approved and no water shall be turned on except

Waterworks By-law (cont'd)

- by the said Commissioner or such person designated by him until such work or connection has been inspected and approved by the Commissioner of Engineering, and the owner or occupant shall pay a fee for such inspection or superintendence as set out in Section 2 of Schedule "E" to this By-law, and
- (b) the expense of inspecting a service connection and turning on water therefore, from the watermain to the limit of the street, shall be borne by the owner or occupant of the land or building to be serviced as set out in subsection (1) of this Section, and
 - (c) all work involved in the maintenance of service connections is to be performed by the Regional Corporation or its contractors or agents, and
 - (d) where a service pipe is frozen, the Commissioner of Engineering may cause it to be thawed for the fee set forth in section 6 of Schedule "E" to this By-law.

Waterworks By-law (cont'd)

Service for Building Purposes.

- (16) Notwithstanding sub-sections (3) to (7) of this section, the Commissioner of Engineering may approve installations which deviate from the requirements of sub-sections (3) to (7) of this section, for water services installed for building purposes at the rates set forth in Schedule "E" to this By-law, and the rates for water supply shall be as described in Schedule "B" to this By-law.

Connection Where Land Not Directly Serviced

- (17) Where a parcel of land abuts a highway or other public communication, in which there is no public watermain to which such parcel may readily be connected, but there is some other public watermain to which the land may be readily connected, and for the cost of which such parcel has not been specially assessed, such parcel may be connected to such other public watermain only after the owner of the parcel has applied to and received written permission from the Regional Corporation to enter into a Special Water Servicing Agreement for such parcel. Upon the owner receiving the written consent, the owner

Waterworks By-law (cont'd)

must execute and register on title, the said Agreement, and the owner of the parcel is to pay to the Region the rate as described in Schedule "E" to this By-law for each special water service to be connected.

PERMITS, BONDS, AND INSURANCE

5. (1) With the exception of work done by duly authorized servants or agents of the Regional Corporation, no person is to perform or commence any work of constructing, re-constructing, installing, altering, repairing or connecting the whole or any part of any water service or any appurtenance thereof, except pursuant to a permit signed by the Commissioner of Engineering or his designate and only in accordance therewith, and only after obtaining the necessary permit from the appropriate Road Authority and any other Statutory Agency.
- (2) The permit referred to in sub-section (1) of this section is not to be issued until the person who is to do the work has deposited with the Regional Corporation,

Waterworks By-law (cont'd)

- (a) an indemnity bond, issued by a surety company licensed to carry on business in Ontario, in a form acceptable to the Commissioner of Finance and the Regional Solicitor for the sum of \$5,000.00, which is to guarantee payment to the Regional Corporation of the cost to it of all works and repairs which may be required to be carried out by it, as a consequence of that person's performance of the work, during each year and for a period of two (2) years after completion of the work, and
- (b) a certificate of insurance in the amount of \$100,000.00 for property damage and \$200,000.00 for public liability, paid up to a date subsequent to the date for completion of the work for which the permit is issued and such insurance,
 - (i) is to be issued by a company licensed to carry on business in Ontario, and

Waterworks By-law (cont'd)

(ii) is to be in a form that is acceptable to the Commissioner of Finance and the Regional Solicitor.

Service Pipe Meters

6. Every service pipe introduced into a building is to be introduced so as to provide for the installation of a water meter in the manner shown in Schedule "D" to this By-law.

Work on Private Land

7. No work is to be done by the Commissioner of Engineering on private land except as otherwise provided under this By-law, and under such other emergency circumstances as the Commissioner of Engineering considers necessary to carry out the provisions of this By-law.

INSTALLATION OF WATER METERS

Requirement

8. (1) Water meters equipped with remote readers are to be installed,
 - (a) on all services in the Regional Area for which the owner or occupant is required to pay meter rates as set out in sub-section (2) of Section 11 of this By-law, and

Waterworks By-law (cont'd)

- (b) on any service which is introduced into any area or premises outside the Regional Area by written agreement with the Regional Corporation, and
- (c) owned and maintained by the Regional Corporation at the expense of the Regional Corporation, and
- (d) by the Regional Corporation after the date of the enactment of this By-law.

Metered Services to Remain Metered

- (2) Any metered water service in use before or after the enactment of this By-law is to remain a metered water service.

Accessibility

- (3) Every water meter and remote reader shall be installed and maintained in a readily accessible manner, with the water meter located at the point where the service pipe enters the building, except that
 - (a) where, in the opinion of the Commissioner of Engineering such location is

Waterworks By-law (cont'd)

- unsuitable, the water service supplying a residential or commercial property may be continued, in a manner approved by him, under a floor from the point of entry to a suitable meter location inside the building, or
- (b) where a suitable location inside a building cannot be made or where the building is more than 60m from the property line where the service pipe is to be introduced, the meter is to be installed and maintained in a readily accessible manner at the property line, in a properly drained and otherwise suitable meter chamber and such chamber is to be constructed and maintained by and at the expense of the owner or occupant of the land or building, but
- (c) no connections for domestic purposes shall be made prior to the water meter.
- (4) Where any such water meter is not accessible to a service truck, the Regional Corporation is not liable for damage to lawns or gardens by the truck, in the event of need for such access for purposes of repair or removal, or other necessary purposes.

Waterworks By-law (cont'd)

- (5) Every metered water service is to be provided with a suitably-valved by-pass, except where the service supplies only a single family dwelling unit.

Fees

- (6) Fees for the installation of water meters and remote readers are to be as set forth in section 1 (b) of Schedule "E" to this By-law

TESTING OF WATER METERS

9. Any owner or occupant may at any time have his meter tested by the Commissioner of Finance upon making application in writing to the Commissioner of Finance, and making a deposit in the amount specified in Schedule "E" to this By-Law, and in such case the Commissioner of Finance shall, as soon thereafter as is practicable, make mutually convenient arrangements to test the meter in the presence of the applicant. In the event the meter measures accurately within the manufacturers accepted limit of variation, the expense of the test is to be borne by the applicant.

Waterworks By-law (cont'd)

out of his deposit. If the meter does not measure accurately within such limits, the expense of the test is to be borne by the Regional Corporation, and a discount for cost of water service, that is reasonable in the circumstances, and in the opinion of the Commissioner of Finance, shall be allowed for the previous and current quarterly billing.

Reading Water Meters

10. Every owner and occupant of premises where a water meter is installed shall ensure that the periodic reading of such meters by the employees of the Regional Corporation, or other authorized persons who are assigned to that duty, is facilitated in all reasonable ways, and the failure of the owner or occupant to do so, or to make reasonable arrangements for such reading, is an offence under this By-law, and the hindering or obstructing by any person of any such employee in the carrying out or attempted carrying out of such duty is an offence under this By-law.

Waterworks By-law (cont'd)

FIRE PROTECTION SYSTEMS

Standard Threads

11. (1) No person shall install or maintain on any private fire protection system which is connected or to be connected to the Regional waterworks system, any hydrant or valve which is different from the standard in use in the Area Municipality involved with respect to nozzle or stem threads, nozzle connection or operating nuts.

Pressure Pump and Alarm Check Valves Required

- (2) No person shall install or maintain an automatic sprinkler system in direct connection with a service pipe from a Regional main, unless there is interposed one alarm check-valve in each riser, effectual to prevent the escape of water back into the Regional main, and also to activate an alarm when water flows through the valve from the main.

Check Valve on Every Fire Protection System

- (3) No person shall install or maintain any fire protection system unless the same is equipped with suitable check valve effectual to prevent the escape of water back into the Regional main unless otherwise approved by the Commissioner of Engineering.

Waterworks By-law (cont'd)

LIABILITY FOR WATER RATES

Wherever there is a Watermain

12. (1) The owners and occupants of all lands in the Regional Municipality, who are supplied with water from a Regional watermain are liable to pay water rates as provided in this By-law and its Schedules.

Meter Rates

- (2) Except as otherwise provided in sub-section (5) of this section, and except for water for fire protection purposes for which water no rate is payable, the owners and occupants of all lands supplied with water from a Regional watermain are liable to pay meter rates as set forth in sub-sections (3), (4) and (5) of this section, and more particularly described in Schedule "B", and are liable for the minimum rate until the meter is removed, whether the water is being used or not.

Residential Meter Rates

- (3) The owners and occupants of all lands with a metered residential service consisting of,

Waterworks By-law (cont'd)

- (a) a service connection metered by a 20mm or smaller water meter are to pay a Residential Meter Rate as set forth in Section 1 of Schedule "B" to this By-law, and
- (b) a service connection metered by a 25mm or larger water meter are to pay a Commercial, Institutional and Industrial Meter Rate as set forth in Section 2 of Schedule "B" to this By-law.

Commercial, Institutional and Industrial Meter Rates

- (4) The owners and occupants of all lands with a metered service other than a residential service described in sub-section (3) of this section are to pay the Commercial, Institutional and Industrial meter rate as set forth in section 2 of Schedule "B" to this By-law.

Non-Metered Rates

- (5) The owners and occupants of all lands
 - (a) within the City of Hamilton with respect to which water rates are payable and which since prior to 1975 have only a 20mm or smaller non-metered residential

Waterworks By-law (cont'd)

service to a separately assessed dwelling in which not more than one family resides and in which there is installed only water-using equipment normally found in a single family dwelling

(i) are not liable to pay meter rates as set forth in section 1 of Schedule "B" to this By-law, but,

(ii) are liable to pay a non-metered annual rate based on the assessment used to calculate the taxes on land and buildings for the same year as set forth in Schedule "A" to this By-law, however, any owner or occupant of lands may have a meter installed upon making application in writing to the Commissioner of Engineering and paying the fee set forth in Schedule "E" to this By-law, and he is to thereupon pay the applicable meter rate set forth in Schedule "B" to this By-law, and

Waterworks By-law (cont'd)

- (b) within the Town of Stoney Creek with respect to which water rates are payable and prior to 1975 were paying a flat rate charge, are not liable to pay meter rates as set forth in section 1 of Schedule "B" to this by-law, but are liable to pay a flat annual rate as set forth in Schedule "A" to this By-law, but any owner or occupant of lands may have a meter installed upon making application in writing to the Commissioner of Engineering and paying the fee set forth in Schedule "E" to this By-law, and he is to thereupon pay the applicable meter rate set forth in Schedule "B" to this By-law, and
- (c) within the City of Hamilton and the Town of Stoney Creek with respect to which non-metered water rates are payable and in or upon which lands there is a pool having a capacity of more than 5m³ are to pay an annual charge for water supply to the pool as set forth in Section 8 of Schedule "E".
- (d) notwithstanding sub-sections (a), (b) and (c) of this section, wherever a water service is replaced or a water service agreement as referred to in section 4,

Waterworks By-law (cont'd)

sub-section (10) has been entered into,
the water service shall at that time
become a metered water
service.

Temporary Connections

- (6) Water will be supplied at meter rates to travelling shows and for other temporary occasions upon application in writing accompanied by a deposit in the amount set forth in section 1 of Schedule "C" to this By-law, from which there is to be deducted first a fee in the amount shown in the said Schedule "C", for connecting and disconnecting, and then the amounts due for water used. On the water supply being disconnected, the net amount of the deposit is to be returned to the water user, but if the amount of the deposit should be exhausted while the continuance of the supply is still required, the water supply will be shut off unless a further deposit is made.

Tank Trucks

- (7) Tank trucks may be supplied with water but only at the locations and at the rates shown in section 2 of Schedule "C" to this By-law.

Waterworks By-law (cont'd)

Street Hydrant Charges

- (8) Each Area Municipality shall be charged the amount set forth in Section 3 of Schedule "C" to this By-law for each street hydrant connected to the Regional Waterworks System to cover the cost of providing water for fire protection, sewer flushing and street flushing and to partially defray the capital and operating costs of plant and equipment required for fire protection purposes.

Areas Outside the Regional Area

- (9) Where the Regional Corporation enters into an agreement with a municipality or the owner or occupant of any land which is outside the Regional Area or where the Regional Corporation takes over existing agreements with a municipality or the owner or occupant of any land which is outside the Regional Area then charges will be made as set forth in section 4 of Schedule "C" to this By-law.

COLLECTION OF WATER RATES

Non-Metered Rates

13. (1) Non-metered water rates are,

Waterworks By-law (cont'd)

- (a) to be calculated on the basis of the last revised assessment roll of the Area Municipality together with any supplementary assessment rolls, and
- (b) to be added to the collector's roll of the Area Municipality in the same manner as taxes and are subject to the same discounts, interests and penalties as for taxes, and the rates so collected by any Area Municipality are to be forwarded to the Commissioner of Finance within the time prescribed in the Agreement between the Regional Corporation and the Area Municipality.

Metered Rates

- (2) Accounts for metered water rates are to be sent at any of such periods as are set forth in Schedule "B" to this By-law, by the Regional Commissioner of Finance, or by an Area Municipality, Public Utilities Commission or other body acting on behalf of the Commissioner of Finance under Agreement with the Regional Corporation and

Waterworks By-law (cont'd)

if these accounts are sent by an Area Municipality, Public Utilities Commission or other body then the rates so collected are to be forwarded to the Commissioner of Finance within the time prescribed in such Agreement.

Discounts for Prompt Payment

- (3) A discount for prompt payment is to be allowed on current metered water rates as set forth in section 3 of Schedule "B" to this By-law.

Notification of Non-Payment

- (4) Where an account for metered water rates remains unpaid fifteen (15) days after the expiration of the discount period, a notice of non-payment is to be sent by the Commissioner of Finance or on his behalf by ordinary prepaid mail. If the account remains unpaid thirty (30) days after the expiration of the discount period, a final notice is to be sent by the Commissioner of Finance or on his behalf by ordinary prepaid mail advising that if the account continues unpaid ten (10) days after the mailing of such final notice, the water may be turned off or the arrears may be collected by distress, or the arrears may be added to the collector's roll and collected in the same manner as taxes.

Waterworks By-law (cont'd)

When Meter does not Record Properly or Can Not Be Read

- (5) In the event of a water meter failing to record properly, or where the meter-reader is unable to obtain a reading, the person or persons liable to pay the meter rates are liable to pay the same for an amount of water estimated on the basis of a corresponding period in the immediately previous year, or, where the water user did not occupy the same premises for the same period during the corresponding period in the previous year, then on the basis of a similar period in the current year, or where that is not applicable then the water user is liable for the applicable minimum charge as set forth in sections 1 and 2 of Schedule "B" to this By-law.

Remedies for Non-Payment of Metered Water Rates

- (6) Where an account for metered water rates remains unpaid, the Regional Corporation may proceed in any or all of the following ways to collect such rates:

Waterworks By-law (cont'd)

Turning Off Water

- (a) The Commissioner of Finance may notify the Commissioner of Engineering of any account remaining in arrears forty (40) days after the expiration of the discount period and upon receipt of such notification the Commissioner of Engineering may cause the water to be shut off and not turned on again until payment is made of all metered water rates outstanding, plus a fee for turning off the water and turning on the water in the amounts set forth in section 5, of Schedule "E" to this By-law, or water may be turned off where a meter has not been installed pursuant to Section 8 herein, or

Collection by Distress

- (b) arrears of metered water rates may be collected by distress upon the goods and chattels of the person or persons who are liable to pay the same, or upon any goods and chattels in the possession of such person or persons, wherever the same may be found in Ontario, or

Waterworks By-law (cont'd)

Collection in the Same Manner as Taxes

- (c) the amount of all metered water rates remaining unpaid forty (40) days after the expiration of the discount period may be entered on the collector's roll of the Area Municipality and collected in the same manner as taxes, and are subject to the same interest and penalties as for taxes. Within ten (10) days after such action has been taken a written notice to that effect is to be sent by the Commissioner of Finance, by ordinary prepaid mail, to the owner and occupant of the premises as set out in the last revised assessment roll.

PROTECTION OF WATER USERS

To Prevent Damage to Equipment

14. (1) No direct connection shall be made, maintained or used between a service pipe from the Regional main and any steam boiler, condenser or other plant or equipment liable to damage as a result of the shutting off of the water, or as a result

Waterworks By-law (cont'd)

of fluctuations in water pressure in the Regional main, but in all such cases, either the water for such equipment is to be drawn from a tank into which the water has first been discharged from the service pipe, or some other suitable arrangement, acceptable to the Commissioner of Engineering, is to be made to protect such equipment.

To Prevent Damage to Products

- (2) No direct connection shall be made, maintained or used, between a service pipe from the Regional Main and any food vat or other plant or equipment in which the quality of any product might be adversely affected by fluctuations in the quantity or quality of any water supplied, but in all such cases, either the water for such purpose is to be drawn from a tank into which the water has first been discharged from the service pipe, or some other suitable arrangement, acceptable to the Commissioner of Engineering, is to be made to protect the product.

Waterworks By-law (cont'd)

To Protect Potability

- (3) No person shall install, maintain or use any connection with any part of a water supply system which is or may be connected to a watermain of the Regional Corporation, whereby foreign matter, non-potable water, or water from a private well may enter the Regional water system.

PROHIBITED EQUIPMENT

15. (1) No person shall install, maintain or use in connection with any part of the Regional waterworks system any sump pump or other device deriving power from the Regional waterworks system or any other water-using equipment not normally found in a plumbing system.
- (2) Sub-section (1) of this section is not to be deemed to prohibit a steam or warm water heating system, water-using garbage disposal equipment or swimming pool.

Waterworks By-law (cont'd)

SPECIAL REQUIREMENTS FOR
AIR CONDITIONING EQUIPMENT

16. (1) No person shall install, maintain or use in connection with a Regional water service, any air-conditioning equipment regardless of size which uses water for cooling, unless such air conditioning equipment is provided with a suitable evaporative condenser, cooling tower, spray pond, or other suitable water cooling system of sufficient capacity to ensure that after the system is initially filled the flow of water from the Regional water supply will not exceed 0.5 litre per minute per ton of the rated cooling capacity, which means the capacity to remove energy as heat, at the rate of twelve thousand six hundred and sixty kilojoules per hour (12,660 kj/h).
- (2) Where all the cooling water discharged from an air-conditioning unit is collected, stored and re-used in a commercial or industrial process, written permission may be granted upon application to the Commissioner of Engineering, to use such air conditioning unit without installing the water saving devices required under sub-section (1) of this section.

Waterworks By-law (cont'd)

- (3) Notwithstanding the provisions of this section, any equipment which does not conform to the requirements of this section but which was in use on or before the 1st day of January 1974 and has been in regular operation since that date may be continued in use for a period not extending beyond the 1st day of January 1984 so long as such equipment is not increased in capacity or re-placed or substantially reconstructed in the opinion of the Commissioner of Engineering.
- (4) Notwithstanding subsection (1) of this section where a cooling unit of air conditioning equipment is used to serve a building, or part thereof and does not use in excess of 30 litres of water per minute, it may be used without the installation of water saving devices as required under sub-section (1) of this section providing the service is metered.

Waterworks By-law (cont'd)

WASTING OF WATER

Suitable Valve Required

17. (1) No person shall install, maintain or use any device in connection with a service pipe from the Regional main, unless the same is equipped, in the opinion of the Commissioner of Engineering, with a suitable valve or other device which prevents needless waste of water from the Regional mains.

Lawn-Watering Restrictions

- (2) No owner or occupant of any lands or premises, or any other person, shall water or permit to be watered any lawn, garden, or any sidewalk or roadway, except during the days specified below. Where the nature of the use of a lawn, garden, sidewalk or roadway does not permit watering in accordance with this section, the Commissioner of Engineering may issue a permit for watering during specified days:

Waterworks By-law (cont'd)

- (a) In areas having municipal street addresses:
 - (i) on that side of the street where the municipal numbers are odd, lawns, gardens, sidewalks or roadways may be watered on odd-numbered days of the calendar month;
 - (ii) on that side of the street where the municipal numbers are even, lawns, gardens, sidewalks or roadways may be watered on even numbered days of the calendar month
- (b) In areas having no municipal street address:
 - (i) on the west or north side of the street, lawns, gardens, sidewalks, or roadways may be watered on odd-numbered days of the calendar month;
 - (ii) on the east or south side of the street, lawns, gardens, sidewalks or roadways may be watered on even-numbered days of the calendar month.

Waterworks By-law (cont'd)

Emergency Shortage of Water

- (3) In the event of a water shortage being caused by disablement or threatened disablement of a Regional pumping station or by reason of any other emergency, and the Chairman, or Acting Chairman of the Regional Corporation, proclaims the emergency and prescribes further restrictions on the use of water as may seem necessary in the public interest, every person contravening any such further restrictions shall be deemed to be wasting water and guilty of an offence and shall be charged under the provisions of this By-law.

MISCELLANEOUS REGULATIONS AND PROHIBITIONS

Check Valves Required Where Two or More Services

18. (1) Wherever there are two or more service pipes connected into one plumbing system or into one premises where there is any likelihood of future interconnection, each service pipe is to be provided with a suitable check valve so located as to prevent re-entry of water to the main, and such check valve is to be installed and maintained at the expense of the owner of the premises.

Waterworks By-law (cont'd)

- (2) Where a check valve is used a pressure relief valve is to be installed in the plumbing system.

Protection from Frost

- (3) No person shall install, maintain or use any plumbing which is not properly protected, in the opinion of the Commissioner of Engineering, to prevent freezing.

When Premises Vacated

- (4) Whenever any premises having a water service becomes vacant, the owner is required within twenty-four (24) hours of vacancy to notify in writing, the Commissioner of Engineering to shut off the water at the street line, and shall pay a fee for same in the amount set forth in section 3 of Schedule "E" to this By-law and the same fee is to be paid by the owner for turning the water on again as set forth in section 4 of Schedule "E" to this By-law.

Waterworks By-law (cont'd)

Notice to Commissioner of Engineering Required

- (5) No person shall, without first giving written notice to the Commissioner of Engineering and obtaining his written approval,
 - (a) connect any private water system to the Regional waterworks system, or
 - (b) make any other connection to the Regional waterworks system.

Unauthorized Use of Street Hydrants

- (6) No person shall without written authority under this paragraph, open or use any fire hydrant in any street or other public place. The Commissioner of Engineering may, by written permit issued by him, authorize the use of a specified hydrant for a specified time under specified conditions, including the superintending of such use by the Commissioner of Engineering or his designate.

Waterworks By-law (cont'd)

Use of Water from Private Fire Protection System

- (7) No person shall use any water from any unmetered private fire protection system which is connected to the Regional waterworks system, for any purpose other than fire fighting except on written authority from the Commissioner of Engineering.

Private Swimming Pools

- (8) Private swimming pools may be filled by written permission of the Commissioner of Engineering, by Regional forces, after payment of the fee as set forth in section 7 of Schedule "E" to this By-law, provided there is a municipal fire hydrant situated within 150m of the swimming pool in the same block and on the same side of the street as the pool to be serviced except where alternative arrangements have been made which are satisfactory to the Commissioner of Engineering.

Maintenance of Water Service Connection under Water Service Agreement.

- (9) Where the owner of a property which does not abut a highway or other public communication in which there is a watermain, applies to Regional Council and has received

Waterworks By-law (cont'd)

approval for a written Water Service Agreement, the Region may require under such Agreement that the owner maintain all or part of the water service connection at his expense notwithstanding Section 4 (8) (c) of this By-law.

Division of Land

- (10) Where a parcel of land is divided by any means other than by the Condominiums Act R.S.O. 1980, Ch. 84 and amendments thereto, each parcel of land shall have a separate water service connection.

Service Charge

- (11) There shall be levied a Service Charge as set forth in Schedule "E" to this By-law for service calls not otherwise specified in Schedule "E", which are determined to be the responsibility of the occupant.

Waterworks By-law (cont'd)

SCHEDULES

19. Schedules "A" to "F" attached to this By-law form part of this By-law.

PROHIBITION

20. No person shall damage or carry out any work, filling, or landscaping which will obstruct or interfere with the operation, maintenance or control of the water system or its appurtenances or which will impose stresses beyond the maximum for which the water system is designed.

PENALTIES

21. Every person who contravenes any prohibition, provision or requirement of this By-law is guilty of an offence, and on summary conviction shall be liable to a fine of not more than \$2,000.00 exclusive of costs.

PERSON IN DEFAULT-WORK DONE BY REGION

22. Where any matter or thing is required to be done under this By-law, in default of its being done by the person directed or required to do it, such matter or thing shall be done at his expense and the Regional Corporation may recover the expense incurred in like manner as municipal taxes.

Waterworks By-law (cont'd)

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS that we
(hereinafter called the Principal) and
(hereinafter called the Surety) are
jointly and severally held and firmly bound unto The
Regional Municipality of Hamilton-Wentworth in the full
amount of Five Thousand Dollars (\$5000) of lawful money of
Canada, for which payment well and truly to be made, we bind
ourselves and each of us, and our respective heirs,
executors, successors, administrators and assigns, firmly by
these presents.

SEALED with our Seal and dated this day of
19 .

WHEREAS pursuant to By-law No. R79-172 respecting
common sewers and drains, and By-law No. respecting
the supply and distribution of water, both of the Council of
The Regional Municipality of Hamilton-Wentworth, it is
provided that no person shall perform any such works on any
street, land, road or public place or private lands in the
Regional Municipality, unless authorized in writing to do so
by the Commissioner of Engineering and until he shall

furnish to the said Commissioner a security to the satisfaction of the said Commissioner and the Regional Solicitor, and

WHEREAS the above named Principal has made application to the said Commissioner for a licence to construct common sewers and drains or water plant in the Regional Municipality,

NOW THEREFORE the condition of this obligation is such that if the above named Principal shall perform during the year the work for which a permit was issued pursuant to the said By-law, during the said year and for twenty-four (24) months after completion of the said work, he shall:

FIRSTLY: Indemnify and save harmless the Regional Municipality of Hamilton-Wentworth against all damages, claims, actions, costs and expense which the Regional Municipality may incur or be required to pay, or to pay by reason of any claim for damage or injury caused or alleged to be caused by the negligence of the Principal or his agents or workmen, or by the negligent construction or poor workmanship or material of any permitted work, or by the lack of repair during the maintenance period above mentioned, and

Schedule "F" to Water Works By-law

page 3

SECONDLY: Shall pay to The Regional Municipality of Hamilton-Wentworth the cost of all works, repairs executed and carried out by the Regional Municipality during the year in which the permit was issued for such work, and for the maintenance period of twenty-four (24) months there-after, not to exceed Five Thousand Dollars (\$5000.) made necessary resulting from the construction, or excavation performed under the licence or permit authorizing the work, then this obligation shall be void, but otherwise it shall be and remain in full force and effect, notwithstanding the foregoing, it is understood and agreed that the liability of the Surety hereunder shall be limited to the amount stated herein and shall not be cumulative from year to year during the existence of this bond.

PROVIDED, however, this Bond may be terminated by the Principal and Surety on their giving sixty (60) days notice in writing to The Regional Municipality of their intention to terminate this Agreement insofar as any future work by the Principal is concerned, provided they remain liable, however, for any work performed during the permit year up to the date of such termination and thereafter for a maintenance period of two (2) years respecting such terminated work.

THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH

BY-LAW NO. R89-210

Bill No. 1622

BEING A BY-LAW TO AMEND THE REGIONAL WATERWORKS BY-LAW NO. R84-026, AS AMENDED, BY IMPLEMENTING THE 1990 USER FEES AND THE REGIONAL WATER DEMAND CONTROL STRATEGY

WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 17th day of October, 1989 did approve of Item No. 2 of Report No. 13-89 of the Finance and Personnel Committee which authorized the 1990 User Fees effective January 1, 1990;

WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 17th day of October, 1989 authorized that the appropriate Regional By-laws be changed to reflect the 1990 User Fees;

WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 19th day of September, 1989 did approve of Item No. 12 of Report No. 12-89 of the Finance and Personnel Committee which authorized a Water Demand Control Strategy for the Regional Municipality of Hamilton-Wentworth;

WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 19th day of September, 1989 authorized Regional Waterworks By-law No. R84-026, as amended, to be further amended to incorporate the said Water Demand Control Strategy;

AND WHEREAS it is necessary to further amend the Regional Waterworks By-law No. R84-026, as amended, to reflect the 1990 User Fees under said By-law and to incorporate the said Water Demand Control Strategy;

NOW THEREFORE THE COUNCIL OF THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH ENACTS AS FOLLOWS:

1. That subsections 1(g) to 1(u) of Regional By-law R84-026, as amended, be renumbered as subsections 1(h) to 1(v).

2. That a new subsection 1(g) be added to Regional By-law R84-026, as amended, as follows:

1(g) "legally established income producing rental property" means,

- (i) a property listed in the Assessment Department of the relevant Area Municipality as a multiple family dwelling; or
- (ii) a property in which the owner registered on title is different from the occupant; or
- (iii) a rental property in which business taxes are paid.

2. That subsection 4(16)(d) of Regional By-law R84-026, as amended, is hereby repealed.

3. That Section 8 of Regional By-law R84-026, as amended, is hereby repealed and the following substituted therefor:

8. (1) The owner of the premises is required to be responsible for and to permit the installation of water meters equipped with remote reading devices installed,
 - (a) on all services in the Regional Area for which the owner or occupant is required to pay meter rates as set out in subsection (2) of Section 12 of this By-law; and
 - (b) on any service which is introduced into any area or premises outside the Regional Area by written agreement with the Regional Municipality; and
 - (c) on all legally established income producing rental properties, with verification from the Area Municipalities, within six (6) months of notification by the Regional Municipality of the requirement of installing a water meter; and
 - (d) on all non-metered residential properties being sold within six (6) months after the change of ownership.

- (2) All water meters shall be supplied by the Commissioner of Engineering and owned and maintained by the Regional Municipality.
- (3) Any person who installs a water meter shall comply with the installation standards of the Commissioner of Engineering.
- (4) Any metered water service in use before or after the enactment of this By-law is to remain a metered water service.
- (4) The owner or occupant of the premises on which the water meter is to be located shall be responsible for:
 - (a) the protection of the water meter and appurtenances;
 - (b) providing at all times easy access, to the satisfaction of the Commissioner of Engineering, to the water meter to a person authorized by the Regional Municipality for the purposes of meter reading, checking, repairing, installation, maintenance and removal;
 - (c) payment of the cost of repairing a meter damaged by frost or otherwise or the cost of replacing a meter lost or stolen;
 - (d) immediately notifying the Department of Engineering of any problems with the water meter which appear to require repair.
- (6) Every water meter and remote reader shall be installed and kept in a readily accessible manner with the water meter located at the point where the service pipe enters the building, except that
 - (a) where, in the opinion of the Commissioner of Engineering such location is unsuitable, the water service supplying a residential or commercial property may be continued, in a manner approved by him, under a floor from the point of entry to a suitable meter location inside the building, or

- (b) where, in the opinion of the Commissioner of Engineering, a suitable location inside a building cannot be made or where the building is more than 60m from the property line where the service pipe is to be introduced, the meter is to be installed and maintained in a readily accessible manner at the property line, in a properly drained and otherwise suitable meter chamber and such chamber is to be constructed and maintained by and at the expense of the owner or occupant of the land or building, but
 - (c) no connections for domestic purposes shall be made prior to the water meter.
- (7) Where any such water meter is not accessible to a service truck, the Regional Corporation is not liable for damage to lawns or gardens by the truck, in the event of need for such access for purposes of repair or removal, or other necessary purposes.
- (8) Every metered water service is to be provided with a suitably-valved by-pass, except
- (a) where the service supplies only a single family dwelling unit; or
 - (b) where the service connection is under 50mm diameter; or
 - (c) where in the opinion of the Commissioner of Engineering, a by-pass is not required.
- (9) Fees for the supply of water meters and the installation of remote readers are to be paid by the owner of the premises and are as set forth in Section 1(b) of Schedule "E" to this By-law.
- (10) No person shall break, damage, destroy, deface or tamper or cause or permit the breaking, damaging, destroying, defacing or tampering with:
- (a) any part of the Waterworks; or

- (b) any permanent or temporary device installed in a waterworks, including a water meter, for the purpose of measuring, sampling and testing of the water.

3. That Subsection 12(5) of Regional By-law R84-026, as amended, is hereby repealed and the following substituted therefor:

12. (5) The owners and occupants of all lands

- (a) within the City of Hamilton with respect to which water rates are payable and which since prior to 1975 have only a 20mm or smaller metered residential service to a separately assessed dwelling in which not more than one family resides and in which there is installed only water-using equipment normally found in a single family dwelling and in which water meters are not required to be installed pursuant to subsections 8(1)(c) and (d) of this By-law,

- (i) are not liable to pay meter rates as set forth in Schedule "G" to this By-law, but,

- (ii) are liable to pay a non-metered annual rate based on the assessment used to calculate the taxes on land and buildings for the same year as set forth in Schedule "A" to this By-law, however, any owner or occupant of lands may have a meter installed upon making application in writing to the Commissioner of Engineering and paying the fee set forth in Schedule "E" to this By-law, and he is to thereupon pay the applicable meter rate set forth in Schedule "G" to this By-law, and

- (b) within the City of Stoney Creek with respect to which water rates are payable and prior to 1975 were paying a flat rate charge and in which water meters are not required to be installed pursuant to subsections 8(1)(c) and (d) of this By-law, are not liable to pay meter rates as set forth in section 1 of Schedule "G" to this By-law, but are liable to pay a flat annual rate as set forth in Schedule "B" to this By-law, but any owner or occupant of lands may have a meter installed upon making application in writing to the Commissioner of Engineering and paying the fee set forth in Schedule "E" to this By-law, and he is to thereupon pay the applicable meter rate set forth in Schedule "G" to this By-law, and

- (c) within the City of Hamilton and the City of Stoney Creek with respect to which non-metered water rates are payable and in or upon which lands there is a pool having a capacity of more than 5m³ are to pay an annual charge for water supply to the pool as set forth in Section 6 of Schedule "E".
- (d) notwithstanding subsections (a), (b) and (c) of this section, wherever a water service is replaced or a water service agreement as referred to in section 4, subsection (10) has been entered into, the water service shall at that time become a metered water service.

4. That Schedule "E" to Regional By-law R84-026, as amended, is hereby repealed and that Schedule "E" attached to this By-law be substituted therefor.

5. In all other respects, the contents of Regional By-law R84-026, as amended, are hereby confirmed unchanged.

6. That this By-law comes into force and takes effect as of January 1, 1990.

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 18th day of December, 1990 did approve Item 1 of Report 17-90 of the Finance and Personnel Committee which authorized the 1991 User Fees effective January 1, 1991;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 18th day of December, 1990 authorized that the appropriate Regional By-laws be changed to reflect the 1991 User Fees;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 15th day of January, 1991 did approve Item 11 of Report 1-91 of the Finance and Personnel Committee which authorized the 1991 Water and Sewer Rates effective January 1, 1991;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 15th day of January, 1991 authorized that the appropriate Regional By-laws be changed to reflect the 1991 Water and Sewer Rates;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 19th day of March, 1991 did approve Item 9 of Report 5-91 of the Finance and Personnel Committee which authorized a Water Demand Control Strategy Update for the Regional Municipality of Hamilton-Wentworth;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 19th day of March, 1991 authorized Regional Waterworks By-law No. R84-026, as amended, to be further amended to incorporate the said Water Demand Control Strategy Update;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 16th day of April, 1991 did approve Item 17 of Report 7-91 of the Finance and Personnel Committee which authorized Fire Hydrant Charges effective April 1, 1991;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 16th day of April, 1991 authorized Regional Waterworks By-law R84-026, as amended, to be further amended to incorporate the said Fire Hydrant Charges effective April 1, 1991;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 20th day of August, 1991 did approve Item 9 of Report 11-91 of the Finance and Personnel Committee which authorized Water Turn Off/On Changes;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 20th day of August, 1991 authorized Regional Waterworks By-law R84-026, as amended, to be further amended to incorporate the said Water Turn Off/On Charges;

NOW THEREFORE THE COUNCIL OF THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH ENACTS AS FOLLOWS:

1. That a new clause 8(1)(e) be added to Regional By-law R84-026, as amended, as follows:

(1)(e) on all non-metered properties having swimming pools

2. That subsection 18(8) of Regional By-law R84-026, as amended, is hereby repealed.

3. That Schedule "E" to Regional By-law R84-026, as amended, is hereby repealed and that the schedule attached to this by-law be substituted therefor.

4. That Schedules "A", "B", "C" and "G" to Regional By-law No. 84-026, as amended, are hereby repealed and that the schedules attached to this By-law be substituted therefor. That the attached schedules "A" and "G" be effective January 1, 1991 to March 31, 1991.

5. That a new Subsection 1 d) be added to Schedule E to Regional By-law R84-026, as amended, effective March 19, 1991, as follows:

d) Where the owner of the premises is required, pursuant to clause 8(1)(d) of the By-Law, to permit the installation of water meters equipped with remote reading devices and needs time to pay the meter and installation charges incurred as a result of this service, the owner may pay such charges over a two-year period, with interest being charges quarterly on the unpaid balance at the Region's bank prime rate. For the purpose of this clause, the Region's "bank prime rate" is "prime" minus one-quarter per cent (1/4%), adjusted quarterly.

6. That Schedules "A-1" and "G-1" attached to this by-law be added to Regional By-law R84-026, as amended, effective April 1, 1991.

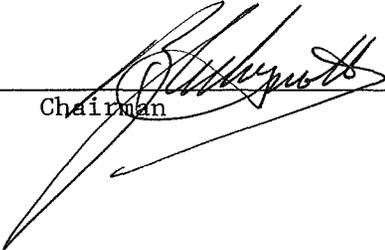

7. That a new subsection 4(19) be added to Regional by-law R84-026, as amended, as follows:

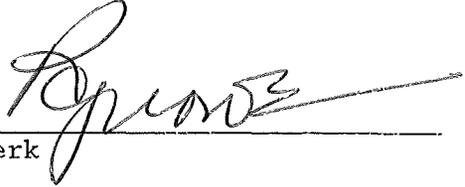

Exemption of the Water Turn Off/On Fees

(19) Notwithstanding subsection 4(1), where a request is received for water to be turned off at the street and subsequently to be turned back on, the fees set out in Schedule "E" for the performance of such service are not payable, provided that the property benefiting from this service has had an operating building control valve installed prior to the water being turned back on.

8. That Regional By-law No. R84-026, as amended, is further amended by adding: "[and effective August 20, 1991] 4(19)," to subsection 4 and 5(a) of Schedule E and by adding: "[effective August 20, 1991] subject to 4(19)", to subsection of 5(b) of Schedule E.

THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH

BY-LAW NO. R 93-106

BILL NO.: 2177

BEING A BY-LAW TO AMEND THE REGIONAL
WATERWORKS BY-LAW NO. R84-026, AS AMENDED, TO
IMPLEMENT A REVISED REPLACEMENT OF WATER
SERVICE POLICY

WHEREAS Section 46 of the Regional Municipalities Act, R.S.O. 1990, C. R.8, as amended, provides that the Regional Corporation has the sole responsibility for the supply and distribution of water in the Regional Area and that all provisions of any general Act relating to such supply and distribution of water and the financing thereof by a municipal corporation and all provisions of any special Act relating to such supply and distribution of water and the financing thereof by an area municipality apply with necessary modifications to the Regional Corporation, except the power to establish a public utilities commission;

AND WHEREAS on the 20th day of March, 1984, the Council of The Regional Municipality of Hamilton-Wentworth did pass and enact By-law No. R84-026, known as "The Regional Waterworks By-law", being a by-law respecting the management and maintenance of the water works systems of The Regional Municipality of Hamilton-Wentworth and the Establishment of Water Rates and Charges;

AND WHEREAS on the 17th day of August, 1993, the Council of The Regional Municipality of Hamilton-Wentworth did approve of Item 8 of Report No. ENV-8-93 of the Environmental Services Committee and thereby did authorize the passing and enactment of this By-law to amend The Regional Waterworks By-law to implement a revised replacement of water service policy;

NOW THEREFORE, THE COUNCIL OF THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH ENACTS AS FOLLOWS:

1. That Subsection 4(13) of the Regional Waterworks By-law No. R84-026, as amended, is hereby repealed and the following substituted therefor:
 - (13)(a) Despite sub-section (9), where the Owner of a parcel of land on which a premises is located submits in writing to the Commissioner of Transportation/Environmental Services that such premises is receiving an inadequate supply of water, and

- (i) where such Owner's premises receives its water supply directly from an individual service connection for such premises or from a common service connection that directly or indirectly services such premises as well as other premises; and
- (ii) where the service connection to such Owner's premises is less than 20 mm diameter; and
- (iii) where no Special Water Servicing Agreement or other Agreement regarding water supply to such Owner's premises exists between the Regional Corporation and such Owner;

then the Commissioner of Transportation/Environmental Services may replace the existing service connection with a 20 mm diameter service connection or may install a new 20 mm diameter service connection if the Owner's premises does not have a separate existing service connection, after the Owner, at the Owner's cost,

- (iv) replaces the existing yard service for the Owner's premises with at least a 20 mm diameter yard service or, if the Owner's premises does not have an existing yard service, installs at least a 20 mm diameter yard service; and
- (v) installs a water meter; and
- (vi) eliminates all plumbing interconnections between the Owner's premises and any other premises such that the replacement or new service connection, as the case may be, supplies only the Owner's premises with water.

- (b) Where the Owner of a premises referred to in clause (a) herein requests in writing that the Regional Corporation install a service connection that is greater than 20 mm diameter, the Commissioner of Transportation/Environmental Services may comply with the Owner's request provided that the Owner pays to the Region all costs associated with the installation of the service connection greater than 20 mm diameter.

2. That the Regional Waterworks By-law No. R84-026, as amended, is further amended, by striking out every reference in said By-law to "Commissioner of Engineering" and by substituting in each case "Commissioner of Transportation/Environmental Services".

3. That Section 21 of the Regional Waterworks By-law No. R84-026, as amended, is hereby repealed and the following substituted therefor:

Any person who contravenes any of the provisions of this By-law is guilty of an offence and upon conviction is liable to a fine as provided for in the Provincial Offences Act.

IMPORTANT NOTES:

1. Prior to installation, the property owner shall provide a clear access to the turn off valve. An unimpeded work site of 300mm by 300mm (12 inches by 12 inches) is required in order to install a water meter.
2. Property owners opting for package "A", are responsible for installing the spacer bar between the two couplings outlined in the above diagram. Once this is done, please call us at 546-4403 between 9:00 a.m. and 5:00 p.m. to arrange to have the meter installed.
3. The meter is to be installed in an area suitably heated to prevent freeze-ups. If this is not feasible, then measures must be taken to ensure the meter is properly insulated.
4. After installation, the property owner shall continue to provide clear access to the water meter. The hindering or obstruction of meter access is an offence under Regional By-law R84-026, section 10.

Bill No. 2216

THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH

BY-LAW NO. R93-145

Being a By-law to Amend The Regional Waterworks By-law No. R84-026, as amended, regarding indemnity bond requirements

WHEREAS Section 46 of the Regional Municipalities Act, R.S.O. 1990, c. R.8, as amended, provides that the Regional Corporation has the sole responsibility for the supply and distribution of water in the Regional Area and that all provisions of any general Act relating to such supply and distribution of water and the financing thereof by a municipal corporation and all provisions of any special Act relating to such supply and distribution of water and the financing thereof by an area municipality apply with necessary modifications to the Regional Corporation, except the power to establish a public utilities commission;

AND WHEREAS on the 20th day of March, 1984, the Council of The Regional Municipality of Hamilton-Wentworth did pass and enact By-law No. R84-026, known as "The Regional Waterworks By-law", being a by-law respecting the management and maintenance of the water works systems of The Regional Municipality of Hamilton-Wentworth and the Establishment of Water Rates and Charges;

AND WHEREAS on the 16th day of November, 1993, the Council of The Regional Municipality of Hamilton-Wentworth did approve of Item 1 of Report No. 11-93 of the Environmental Services Committee and thereby did authorize the passing and enactment of this By-law to amend The Regional Waterworks By-law to increase the amount of the indemnity bond required under said By-law from \$5,000.00 to \$15,000.00;

NOW THEREFORE, THE COUNCIL OF THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH ENACTS AS FOLLOWS:

1. That Clause 5(2)(a) of The Regional Waterworks By-law No. R84-026, as amended, be further amended by striking out the words "\$5,000.00" after the words "for the sum of" in the fifth line and by substituting therefor "\$15,000.00".

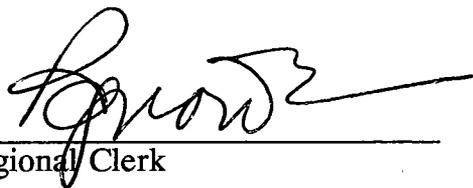

2. That Schedule "F" to The Regional Waterworks By-law No. R84-026, as amended, be further amended by:
 - (a) striking out the words "Five Thousand Dollars (\$5000)" after the words "amount of" in the sixth line of the first paragraph of said Schedule "F" and substituting therefor the words "Fifteen Thousand Dollars (\$15,000.00)"; and
 - (b) striking out the words "Five Thousand Dollars (\$5000.)" after the words "not to exceed" in the sixth line on page 3 of said Schedule "F" and substituting therefor the words "Fifteen Thousand Dollars (\$15,000.00)".

3. That in all other respects, the contents of The Regional Waterworks By-law No. R84-026, as amended, are hereby confirmed unchanged.

PASSED AND ENACTED this 16th day of November, 1993.

CM: March 7, 1995

THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH

BY-LAW NO. R95-024

BILL NO. 2381

Being a by-law to amend Regional By-law R84-026 as amended, by implementing the 1994 Water and Sewer Rate Report, and update the Water Demand Control Strategy with respect to Swimming Pools and Transfer of Ownership.

WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 16th day of November, 1993 did approve Item 2 of Report 13-93 of the Finance Committee which authorized the 1994 User Fees effective January 1, 1994;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 16th day of November, 1993 authorized that the appropriate Regional By-laws be changed to reflect the 1994 User Fees.

WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 18th day of January, 1994 did approve Item 8 of Report 1-94 of the Finance Committee which authorized the 1994 Water and Sewer Rates effective January 1, 1994;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 18th day of January, 1994 authorized that the appropriate Regional by-Laws be changed to reflect the 1994 Water and Sewer Rates effective January 1, 1994;

WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 15th day of February, 1994 did approve to amend subsection h) of Item 8 of Report 1-94 of the Finance Committee which authorized a 1994 Water Demand Control Strategy Update for Swimming Pools;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 15th day of February, 1994 authorized that the appropriate Regional by-Laws be changed to reflect the 1994 Water Demand Control Strategy Update;

WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 15th day of March, 1994 did approve item 12 of Report 3-94 of the Finance Committee which authorized a 1994 Water Demand Control Strategy Update for Transfer of Ownership;

AND WHEREAS the Council of the Regional Municipality of Hamilton-Wentworth on the 15th day of March, 1994 authorized that the appropriate Regional by-Laws be changed to reflect the 1994 Water Demand Control Strategy Update;

4. That Regional By-law R84-026, as amended, is further amended by changing clause 8(1)(e),

from: on all non-metered properties having swimming pools.

to: that non-metered properties with swimming pools be exempted from the requirement of having to be metered, but that future installations be exempt only where permits are not required.

5. That subsection 10 of Regional By-law R84-026, as amended, be further amended by including a second paragraph, namely:

In the event that the outside reading device registers differently from the meter, the reading on the meter shall be taken to be correct. Therefore, if the reading on the meter is greater than that on the outside reading device, it is the property owner's responsibility to pay for the resulting difference in consumption. However, an amnesty period ending September 30, 1994, will be permitted to all property owners who report a difference between the two readings to the Commissioner of Finance, or his designate.

6. That subsection 13(3) of Regional By-law R84-026, as amended, is hereby repealed, and the following substituted therefor,

13(3) Effective January 1, 1994 accounts outstanding longer than twenty-one (21) days after billing will be charged a late payment penalty of 3%.

7. That subsection 4(15) of Regional By-law R84-026, as amended, be further amended by changing "except as in 4(13)(c)" to "except as in 4(13)".

CM: March 17, 1998

Bill No: 2709

THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH

BY-LAW R98-014

Being a bylaw to amend The Regional Waterworks Bylaw R84-026, as amended, regarding requirements for locating meter chambers.

WHEREAS Section 46 of The Regional Municipalities Act, R.S.O. 1990, c. R.8, as amended provides that the Regional Corporation has the sole responsibility for the supply and distribution of water in the Regional Area and that all provisions of any general Act relating to such supply and distribution of water and the financing thereof by a municipal corporation and all provisions of any special Act relating to such supply and distribution of water and the financing thereof by an area municipality apply with necessary modifications to the Regional Corporation, except the power to establish a public utilities commission;

AND WHEREAS on the 20th day of March, 1984, the Council of the The Regional Municipality of Hamilton-Wentworth did pass and enact By-law No. R84-026, known as "The Regional Waterworks By-law", being a by-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton-Wentworth and the establishment of water rates and charges;

AND WHEREAS on the 17th day of March, 1998, the Council of The Regional Municipality of Hamilton-Wentworth did approve of Item 16 of Report No. 3-98 of the Environmental Services Committee and thereby did authorize the passing and enactment of this By-law to amend The Regional Waterworks By-law requirements for locating water meters and all references in the said By-law to positions and departments within the Regional Corporation so as to reflect the current corporate structure and positions;

NOW THEREFORE, THE COUNCIL OF THE REGIONAL MUNICIPALITY OF HAMILTON WENTWORTH ENACTS AS FOLLOWS:

1. That The Regional Waterworks By-law R84-026, as amended, (the "By-law") be further amended by striking out every reference in said By-law to "Commissioner of Transportation/Environmental Services" and by substituting in each case "Commissioner of Environment".
2. That the said By-law be amended by striking out every reference in said By-law to the "Regional Solicitor" and by substituting in each case "Commissioner of Legal Services".
3. That subsection 1(d) of the said By-law be repealed and the following substituted therefor:
 - (d) "Commissioner of Environment" means the Commissioner of the Regional Environment Department for The Regional Municipality or the person duly authorized to act in his or her stead.
4. That subsection 1(e) of the said By-law be amended by adding the words "or her" after the word "his" in the second line of said subsection.

5. That subsection 1(p) of the said By-law be repealed and the following substituted therefor:

“Commissioner of Legal Services” means the Commissioner of Legal Services for the Regional Corporation or such person as is duly authorized to act in his or her stead.

6. That clause 8(6)(b) of the said By-law be relettered as subclause 8(6)(b)(i) and the following added as a new subclause 8(6)(b)(ii) of the said By-law:

(b)(ii) where in the opinion of the Commissioner of Environment, unacceptable environmental or safety conditions exist or would result from the installation of the water meter at the property line, the water meter shall be installed in an alternate location satisfactory to the Commissioner of Environment. Further, where such alternate location requires a meter chamber, in the opinion of the Commissioner of Environment, the water meter shall be installed and maintained in a properly drained and otherwise suitable meter chamber and such chamber is to be constructed and maintained by and at the expense of the owner or occupant of the land or building.

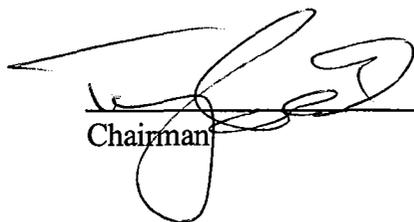

7. That clause 8(6)(c) of the said By-law is hereby repealed.

8. That the following subsection 8(6.1) be added immediately after subsection 8(6) of the said By-law:

(6.1) Notwithstanding subsection 8(6) herein, no connections for domestic purposes shall be made prior to the water meter.

9. That in all other respects the contents of The Regional Waterworks By-law No. R84-026, as amended, are hereby confirmed unchanged.

PASSED AND ENACTED this 17th day of March, 1998.

CITY OF HAMILTON

BY-LAW NO. 02-377

To Amend the Waterworks By-law No. R84-026, as amended, and Implement the Universal Water Metering Program, Water Rates and Fees for 2002 and Policies For Public and Private Water Filling Stations

WHEREAS on the 20th day of March, 1984, the Council of The Regional Municipality of Hamilton - Wentworth enacted By-law No. R84-026, being a By-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton – Wentworth and the establishment of water rates and charges;

AND WHEREAS pursuant to the City of Hamilton Act, 1999, S.O. 1999, c. 14, Schedule "C", The Regional Municipality of Hamilton-Wentworth was dissolved on January 1, 2001 and the City of Hamilton stands in the place of The Regional Municipality of Hamilton-Wentworth for all purposes;

AND WHEREAS pursuant to the City of Hamilton Act, 1999, S.O. 1999, c. 14, Schedule "C", every by-law of an old municipality, such as the former Regional Municipality of Hamilton-Wentworth, that is in force on December 31, 2000 shall be deemed to be a by-law of the City of Hamilton until it expires or is repealed or amended to provide otherwise;

AND WHEREAS on the 20th day of March, 2001, the Council of the City of Hamilton did authorize that the City of Hamilton enter into an agreement with Hamilton Hydro Inc. for the provision of metered water and wastewater billing, reading and collection services to the City of Hamilton;

AND WHEREAS on the 1st day of May, 2001 the Council of the City of Hamilton did authorize that By-law R84-026, as amended, be further amended such that all properties serviced by the City of Hamilton waterworks system will be metered by June 30, 2004, that the then-existing Water Demand Control Strategy and volunteer meter installation programs be discontinued, and that the Water Service Replacement Program be modified as set out herein;

AND WHEREAS on the 16th day of October, 2001 the Council of the City of Hamilton did authorize the award of the Universal Metering Contract, TOE 00-37 (W) for the installation of water meters in all remaining unmetered residential properties and on the 11th day of December, 2001 did authorize the assignment of said Universal Metering Contract;

AND WHEREAS on the 23rd day of January, 2002, the Council of the City of Hamilton did authorize the 2002 water rates and fees set out herein;

AND WHEREAS on the 6th day of March, 2002, the Council of the City of Hamilton did authorize that By-law R84-026, as amended, be further amended to reflect the City's policies with respect to public and private water filling stations.

NOW THEREFORE, the Council of the City of Hamilton enacts as follows:

1. That The Regional Waterworks By-law No. R84-026, as amended, (the "By-law") be further amended by striking out every reference in the By-law to "Area Municipality" and by substituting in each case "City of Hamilton".
2. That the By-law be amended by striking out every reference in the By-law to "Commissioner of Environment" and by substituting in each case "General Manager of Transportation, Operations and Environment".
3. That the By-law be amended by striking out every reference in the By-law to the "Commissioner of Legal Services" and by substituting in each case "City Solicitor".
4. That the By-law be amended by striking out every reference in the By-law to the "Commissioner of Finance" and by substituting in each case "General Manager of Finance and Corporate Services".
5. That the By-law be amended by striking out every reference in the By-law to "Region" or "Regional Area" and by substituting in each case "City of Hamilton".
6. That the By-law be amended by striking out every reference in the By-law to "Regional Corporation" or "Regional Municipality" and by substituting in each case "City of Hamilton".
7. That the By-law be amended by striking out every reference in the By-law to "Regional Council" and by substituting in each case "City Council".
8. That sub-section 1(a) of the By-law be repealed and the following substituted therefor:
 - (a) "City of Hamilton" means the City of Hamilton as established on January 1, 2001 under the City of Hamilton Act, 1999, S.O. 1999, c. 14, Schedule "C" and its geographic area.
9. That sub-sections 1(d), (e) and (f) of the By-law be repealed and the following substituted therefor:

- (d) "consumer" means any owner, tenant or lessee or occupier of lands who may have occasion to make use of any water service connection to a property which he, she or it occupies in the course of his, her or its residence or in the operation of a business.
 - (e) "General Manager of Finance and Corporate Services" means the General Manager of Finance and Corporate Services for the City of Hamilton or the person duly authorized to act in his or her stead.
 - (f) "General Manager of Transportation, Operations and Environment" means the General Manager of Transportation, Operations and Environment for the City of Hamilton or the person duly authorized to act in his or her stead.
10. That sub-section 1(m) of the By-law be repealed and the following substituted therefor:
- (m) "Private Water Filling Stations" means privately owned and operated water filling stations.
11. That sub-section 1(n) of the By-law be repealed and the following substituted therefor:
- (n) "Public Water Filling Stations" means the water filling stations identified in Schedule "C" to this By-law which are owned by the City of Hamilton.
12. That sub-section 1(o) of the By-law be repealed and the following substituted therefor:
- (o) "City Council" means the Council of the City of Hamilton.
13. That sub-section 1(p) of the By-law be repealed and the following substituted therefor:
- (p) "City Solicitor" means the City Solicitor for the City of Hamilton or such person as is duly authorized to act in his or her stead.
14. That the following be added as sub-section 1(u) to the By-law and that the current sub-sections (u) and (v) be relettered as (v) and (w) respectively:
- (u) "Universal Metering Program" means the City of Hamilton's program to supply and install new water meters, remote water meter reading receptacles and meter seals on all unmetered properties within the City of Hamilton by June 30, 2004.

15. That the following sub-section 4(1a) be added immediately after the existing sub-section 4(1) of the By-law:

4(1a) The General Manager of Transportation, Operations and Environment may issue a permit for a property to have a separate water service connection to the City's waterworks system for establishing a Private Water Filling Station subject to:

- (i) the same terms and conditions as are applied to other properties requesting a water service connection;
- (ii) all necessary zoning, servicing, testing, reporting and technical requirements specific to a Private Water Filling Station operation, in the opinion of the General Manager of Transportation, Operations and Environment; and
- (iii) the payment of all necessary fees as set out in clause 12(7)(b) of this By-law.

16. That sub-section 4 (13) (v) of the By-law be repealed and the following substituted therefor:

(13) (v) installs a water meter, where the Owner has obtained a water meter permit from the City on or before December 21, 2001, or if no such permit has been obtained, pays the City for the installation of a water meter at the fee set forth in Schedule "E" to this By-law; and

17. That the By-law be amended by adding the following sub-section 5(4):

(4) For the purposes of sub-section (1) of this section, and except where a person has obtained a water meter permit from the City on or before December 21, 2001 on a voluntary basis or for new house construction, the installation of water meters, seals, and remote reading devices will be performed by only the General Manager of Transportation, Operations and Environment or his/her designate, or by a contractor authorized by the City of Hamilton.

18. That clause 8(1)(c) of the By-law be repealed and the following substituted therefor:

(c) on all legally established income producing rental properties with verification from the City, within six (6) months of notification by the City of the requirement of installing a water meter, only where a water meter permit was obtained by the Owner on or before December 21, 2001. In such situations, the Owner or Occupant shall permit the City to install the water meter and remote reading device;

19. That clause 8(1)(d) of the By-law be amended by deleting the first phrase "on all non-metered residential properties being sold within six (6) months after the change of ownership" and by substituting the following:

"on all non-metered residential properties being sold within six (6) months after the change of ownership, only where a water meter permit was obtained by the Owner on or before December 21, 2001. In such situations, the Owner or Occupant shall permit the City to install the water meter and remote reading device."

20. That clause 8(1)(e) of the By-law is hereby repealed.

21. That clause 8(1)(f) of the By-law be repealed and the following substituted therefor:

(f) on all unmetered properties serviced by the City of Hamilton's waterworks system by June 2004 under the City of Hamilton's Universal Metering Program. All such water meter and remote reading devices will be installed by the City.

22. That sub-section 8(9) of the By-law be amended by deleting the words "Section 1(c)" and substituting "Section 1" therefor, and by adding the following to the end of that sub-section:

"Where a water meter permit was obtained for a premises on or before December 21, 2001 on a voluntary basis or for new house construction, the Owner has one year from the date of the permit to install the water meter and remote reading device to the satisfaction of the General Manager of Transportation, Operations and Environment or to arrange for the City to install the water meter and remote reading device."

23. That clause 12(3)(a) of the By-law be amended by deleting the words "Section A of" in the second line of that clause.

24. That clause 12(3)(b) of the By-law be amended by deleting the words "Section B of" in the second and third lines of that clause.

25. That sub-section 12(4) of the By-law be repealed and the following sub-section 12(4) substituted therefor:

(4) The Owners and Occupants of all lands with a metered service other than a residential service described in sub-section (3) of this section are to pay the Commercial/Institutional/Industrial meter rates as set out in Schedule "G" to this By-law.

26. That clauses 12 (5)(a) and (b) of the said By-law be repealed, the following sub-section 12(5)(a) substituted therefor and the existing clauses 12(5)(c) and (d) be relettered as clauses 12(5)(b) and (c);

12(5)(a) The Owners and Occupants of all lands within the City of Hamilton which are existing non-metered single family residential properties for which water rates are payable and which are not yet required to be metered under this By-law, and thus are not liable to pay metered water rates as set forth in Schedule "G" to this By-law, are liable to pay a non-metered annual rate as set forth in Schedule "A" to this By-law, until such time as the water meter and remote reading device is installed by the City.

27. That sub-section 12(6) of the By-law be repealed and the following sub-section 12(6) substituted therefor:

12(6) Water will be supplied at metered rates to travelling shows and for other temporary occasions upon application in writing accompanied by a deposit in the amount set forth in Section 1 of Schedule "C" to this By-law, consisting of a usage deposit and a damage deposit. The amount described in Section 1 of Schedule "C" to this By-law for connecting and disconnecting the temporary water service, as well as the per diem fee for the hydrant adapter and the amount due for water used shall be deducted from the usage deposit. Upon the water supply being disconnected, the net amount of the usage deposit is to be returned by the City to the water user, but if the amount of the usage deposit should be exhausted while the continuance of the supply is still required, the water supply will be shut off unless a further usage deposit in the amount set out in Section 1 of Schedule "C" to this By-law is received by the City. The damage deposit will be returned to the water user upon the water supply being disconnected and the water user returning the hydrant adapter to the City in good and working condition.

28. That sub-section 12(7) of the By-law be repealed and the following substituted therefor:

Water Filling Stations

- (7)(a) Tank trucks may be supplied with water at the Public Water Filling Stations and rates identified in section 2 of Schedule "C" to this By-law.
- (7)(b) Private Water Filling Stations shall pay the following fees:
- (i) where the Private Water Filling Station is approved by the General Manager of Transportation, Operations and Environment after the coming into force and effect of this clause 12(7)(b), the one time permit fee set out in section 3 of Schedule "C" to this By-law, in addition to any

other applicable fees set out in this By-law related to the separate water service connection to the City's waterworks system;

- (ii) for all Private Water Filling Stations in existence prior to the coming into force and effect of this clause 12(7)(b), and for all new Private Water Filling Stations approved by the General Manager of Transportation, Operations and Environment under this By-law, the annual permit fee set out in section 3 of Schedule "C" to this By-law for inspection and monitoring by the City. Failure to obtain an annual permit will result in the disconnection of the Private Water Filling Station from the City's waterworks system, at the full cost and expense of the property owner; and
- (iii) the Commercial, Institutional and Industrial metered water rate set out in Schedule "G" to this By-law, except that the sanitary sewer surcharge will not be applied to those properties where a separate water service connection is established for a Private Water Filling Station provided that the separate water service connection is not used to provide water for any domestic purpose.

29. That sub-section 12(8) of the By-law be amended by deleting the words "section 3" in the last line of the sub-section and substituting the words "section 4" therefor.

30. That sub-section 12 (9) of the By-law be repealed and the following sub-sections 12(10), (11) and (12) be substituted therefor;

12(9) Where the Owner of the lands has failed to install a water meter and remote reading device as required under this By-law, the Owner or Occupant of the lands shall pay a non-metered rate calculated at three times the average rate of metered properties of similar size and type in the City until such time as the water meter and remote reading device are installed by the City.

12(10) Where the Owner of the lands has failed to permit the installation of a water meter and remote reading device by the City under this By-law, the Owner or Occupant of the lands shall pay a flat rate two times the average rate of metered properties of similar size and type until such time as the water meter and remote reading device are installed by the City.

12(11) Where the Owner or Occupant of the lands with an existing water meter refuses to permit the installation of a remote reading device by the City, the Owner or the Occupant of the lands shall pay two times the metered rate for that property based on estimated consumption until such time as a remote reading device is installed by the City.

12(12) Where the Owner or Occupant of the lands with an existing water meter refuses to allow access by the City to the water meter or water meter equipment for inspection or servicing, the Owner or Occupant shall pay two times the metered rate for that property based on actual or estimated consumption, as the case may be, until such time as the inspection or servicing is completed by the City.

31. That sub-section 13 (1) of the By-law be repealed and the following substituted therefor:

(1) Non-metered water rates are,

(a) to be calculated on the basis of one cubic metre per day water consumption times the applicable water rate; and

(b) in addition to any other remedies that the City may have for unpaid water rates, may be added to the collector's roll of the City of Hamilton in the same manner as taxes and are subject to the same discounts, interests and penalties as for taxes.

32. That sub-section 13(2) of the By-law be repealed and the following substituted therefor:

(2) Accounts for metered water rates are to be sent at any of such periods as are set forth in Schedule "G" to this By-law, by the General Manager of Finance and Corporate Services or by any other body acting on behalf of the General Manager of Finance and Corporate Services under an agreement with the City of Hamilton and if these accounts are sent by any other body, then the rates so collected are to be forwarded to the General Manager of Finance and Corporate Services within the time prescribed in such agreement

33. That subsection 13(3) of the By-law be repealed and the following substituted therefor:

(3) Effective October 2, 2002, late payment charges will be at the rate of 1.5% per month calculated daily on any overdue balance.

34. That subsection 13 (6) of the By-law be amended by deleting the words "section A and B of" in the last line of that sub-section.

35. That clause 13(7)(a) of the By-law be amended by deleting the words "section 5, of" in the third to last line of that clause and by deleting the words "or water may be turned off where a meter has not been installed pursuant to Section 8 herein" at the end of that clause.

36. That sub-section 18(4) of the By-law be amended by deleting the words "section 6 of" in the fourth line of that sub-section and by deleting the words "section 7 of" in the last line of that sub-section.
37. Schedule "A" to the By-law is hereby repealed and the Schedule "A" attached to this By-law be substituted therefor.
38. Schedule "B" to the By-law is hereby repealed.
39. That Schedule "C" to the By-law is hereby repealed and the Schedule "C" attached to this By-law be substituted therefor.
40. That Schedule "E" to the By-law is hereby repealed and the Schedule "E" attached to this By-law be substituted therefor.
41. That Schedule "G" to the By-law is hereby repealed and the Schedule "G" attached to this By-law be substituted therefor.
42. In all other respects, the contents of By-law No. R84-026, as amended, are hereby confirmed unchanged.
43. That this By-law shall be deemed to have come into force and effect as of December 22, 2001, except that:
 - (a) Sections 23, 24, 25, 26, 27, 29, 31, 32, 34, 36 and 38 of this By-law and Schedules "A", "C" (sections 1,2 and 4), "E" (except for section 1(c) which came into effect on December 22, 2001) and "G" attached hereto shall be deemed to have come into force and take effect as of January 23, 2002;
 - (b) Sections 10, 11, 15, 28 and Schedule "C" (section 3) attached hereto shall be deemed to have come into force and take effect as of March 7, 2002; and
 - (c) Section 33 of this By-law shall be deemed to have come into force and take effect as of October 2, 2002.

CITY OF HAMILTON

BY-LAW NO. 06-201

TO AMEND THE WATERWORKS BY-LAW R84-026, AS AMENDED, AND IMPLEMENT THE GOODS AND SERVICES TAX-REDUCED 2006 WATER FEES AND CHARGES

WHEREAS on March 20, 1984, the Council of The Regional Municipality of Hamilton-Wentworth passed and enacted Regional By-law R84-026, being a by-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton-Wentworth and the establishment of water rates and charges;

AND WHEREAS pursuant to the City of Hamilton Act, 1999, S.O. 1999, c. 14, Schedule "C", The Regional Municipality of Hamilton-Wentworth was dissolved on January 1, 2001 and the City of Hamilton stands in the place of The Regional Municipality of Hamilton-Wentworth for all purposes;

AND WHEREAS pursuant to the City of Hamilton Act, 1999, S.O. 1999, c. 14, Schedule "C", every by-law of an old municipality, such as the former Regional Municipality of Hamilton-Wentworth, that is in force on December 31, 2000 shall be deemed to be a by-law of the City of Hamilton until it expires or is repealed or amended to provide otherwise;

AND WHEREAS pursuant to section 391 of the Municipal Act, 2001, S.O. 2001, c.25, as amended, a municipality may pass by-laws imposing fees or charges on any class of persons for services or activities provided or done by or on behalf of the municipality and for the use of the municipality's property, including property under its control;

AND WHEREAS on the 14th day of December, 2005, the Council of the City of Hamilton did approve of By-law No. 05-379, being a by-law to amend the Waterworks By-law R84-026, as amended, and implement the 2006 water fees and charges;

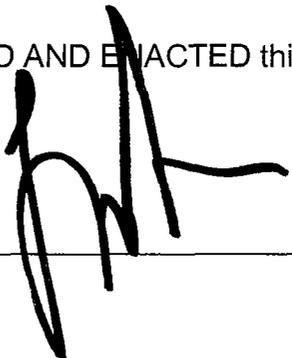

AND WHEREAS the Government of Canada has subsequently reduced the Goods and Services Tax ("GST") rate from 7% to 6% effective July 1, 2006 and thereby resulted in a reduction of certain 2006 water and wastewater user fees and charges;

AND WHEREAS it is therefore necessary to further amend the Waterworks By-law R84-026, as amended, to reflect the Goods and Services Tax-reduced fees and charges contained in this by-law.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. That Schedule "E" to By-law No. R84-026, as amended, be repealed and that Schedule "E" attached to this by-law be substituted therefor.
2. That this by-law shall be deemed to have come into force and effect as of the 1st day of July , 2006.
3. In all other respects, the contents of By-law R84-026, as amended, including but not limited to all other fees and charges therein, are hereby confirmed as unchanged.

Bill No. 087

CITY OF HAMILTON

BY-LAW NO. 08-087

To Amend The City of Hamilton Waterworks By-law R84-026, as amended.

WHEREAS on March 20, 1984, the Council of The Regional Municipality of Hamilton-Wentworth passed and enacted Regional By-law R84-026, being a by-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton-Wentworth and the establishment of water rates and charges;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", The Regional Municipality of Hamilton-Wentworth was dissolved on January 1, 2001 and the City of Hamilton stands in the place of The Regional Municipality of Hamilton-Wentworth for all purposes;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", every by-law of an old municipality, such as the former Regional Municipality of Hamilton-Wentworth, that is in force on December 31, 2000 shall be deemed to be a by-law of the City of Hamilton until it expires or is repealed or amended to provide otherwise;

AND WHEREAS on the 24th day of October, 2007, the Council of the City of Hamilton did approve of Item 9 of Audit and Administration Committee Report 07-012 and did thereby approve the revised Water and Wastewater Arrears Policy and the amendment of By-law R84-026, as amended, to reflect the City's current water account collection practices;

AND WHEREAS on the 12th day of December, 2007, the Council of the City of Hamilton did approve of Item 11 of Audit and Administration Committee Report 07- 015 and did thereby approve the Water Leak Adjustment Policy and the amendment of By-law R84-026, as amended, to implement such policy.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. Section 1 of By-law R84-026, as amended, is further amended by adding the following new sub-section (c.1) immediately after sub-section 1(c):
 - (c.1) "City of Hamilton Water and Wastewater Arrears Policy" means the policy approved by the Council of the City of Hamilton at its meeting of October 24, 2007 as Item 9(a) of Audit and Administration Committee Report 07-012, as amended or re-enacted from time to time, and any successor to such policy. This policy may be found at the Office of the City Clerk for the City of Hamilton.

2. Section 1 of By-law R84-026, as amended, is further amended by adding the following new sub-section (c.2) immediately after sub-section 1(c.1):
 - (c.2) "City of Hamilton Water Leak Adjustment Policy" means the policy approved by the Council of the City of Hamilton at its meeting of December 12, 2007 as Item 11(a) of Audit and Administration Committee Report 07-015, as amended or re-enacted from time to time, and any successor to such policy. This policy may be found at the Office of the City Clerk for the City of Hamilton.

3. Section 12 of By-law R84-026, as amended, is further amended by adding the following new sub-section (13):
 - (13) The Owner or Occupant of the lands to which water is supplied by the City of Hamilton shall immediately report to the City of Hamilton any leaks that develop at the water meter or its couplings. Where a leak has developed, the City of Hamilton Water Leak Adjustment Policy may apply to provide adjustments to fees and charges paid or payable for metered and non-metered rate accounts in the circumstances specified in the policy.

4. Sub-sections 13(4), (5), (6) and (7) of By-law R84-026, as amended, are repealed and the following new sub-sections (4), (5), (6), (7) and (8) substituted:

Water and Wastewater Arrears Policy

- (4) The City of Hamilton Water and Wastewater Arrears Policy will apply to the collection of fees and charges for unpaid metered and non-metered rate accounts.

When Meter Does Not Record Properly or Cannot Be Read

- (5) In the event of a water meter failing to record properly, or where the meter-reader is unable to obtain a reading, the person or persons liable to pay the meter rates are liable to pay the same for an amount of water estimated on the basis of a corresponding period in the immediately previous year, or, where the water user did not

occupy the same premises for the same period during the corresponding period in the previous year, then on the basis of a similar period in the current year, or where that is not applicable then the water user is liable for the applicable minimum charge set forth in Schedule "G" to this By-law.

Debt

- (6) All fees and charges for unpaid metered and non-metered rate accounts imposed by this By-law on a person are a debt due to the City of Hamilton and the City of Hamilton may take such action as it considers necessary and as permitted by law to collect the debt.

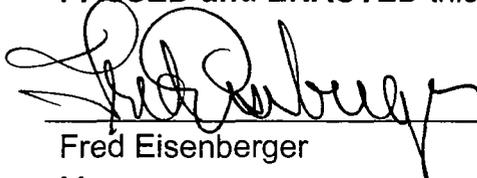

Collected in Same Manner as Municipal Taxes

- (7) Where all or part of a fee or charge for a metered or non-metered rate account imposed by this By-law for the supply of water remains unpaid, such amount may be added to the tax roll for the property to which the water was supplied, and collected in the same manner as municipal taxes.

Shutting Off Water

- (8) Without limiting the provisions of sub-sections 13(6) and (7) above, the City of Hamilton may shut off the supply of water to a property if the fees or charges payable by the Owners or Occupants of the property for the supply of the water to the property are overdue. The fees for turning off the water and turning on the water, as set out in Schedule "E" to this By-law, must also be paid to the City before the water will be turned on again.
5. Sections 1 and 4 of this by-law shall be deemed to have come into force as of the 24th day of October, 2007.
6. Sections 2 and 3 of this by-law shall be deemed to have come into force as of the 12th day of December, 2007.
7. In all other respects, the contents of By-law R84-026, as amended, are hereby confirmed as unchanged.

PASSED and ENACTED this 23rd day of April, 2008.

Bill No. 303

CITY OF HAMILTON

BY-LAW NO. 08-303

**To Amend the Waterworks By-law R84-026, as amended,
And Implement the 2009 Water Fees and Charges**

WHEREAS on March 20, 1984, the Council of The Regional Municipality of Hamilton-Wentworth passed and enacted Regional By-law R84-026, being a by-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton-Wentworth and the establishment of water rates and charges;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", The Regional Municipality of Hamilton-Wentworth was dissolved on January 1, 2001 and the City of Hamilton stands in the place of The Regional Municipality of Hamilton-Wentworth for all purposes;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", every by-law of an old municipality, such as the former Regional Municipality of Hamilton-Wentworth, that is in force on December 31, 2000 shall be deemed to be a by-law of the City of Hamilton until it expires or is repealed or amended to provide otherwise;

AND WHEREAS pursuant to section 391 of the *Municipal Act, 2001*, S.O. 2001, c.25, as amended, sections 9 and 10 of the said Act authorize a municipality to pass by-laws imposing fees or charges for services or activities provided or done by or on behalf of the municipality and for the use of the municipality's property, including property under its control;

AND WHEREAS on the 10th day of December, 2008, the Council of the City of Hamilton did approve of Item 2 of Committee of the Whole Report 08-035 and did authorize the 2009 water and wastewater fees and charges, including but not limited to the fees and charges set out herein;

AND WHEREAS notice of the 2009 fees and charges set out herein has been given in accordance with the provisions of the City of Hamilton's Public Notice Policy By-law No. 07-351.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. Subsection 4(18) of By-law No. R84-026, as amended, is repealed and the following substituted therefor:
 - (18) Where a parcel of land abuts a highway or other public communication, in which there is no public watermain to which such parcel may readily be connected, but there is some other public watermain to which the land may be readily connected, and for the cost of which such parcel has not been specially assessed, such parcel may be connected to such other public watermain only after the owner of the parcel has applied to and received written permission from the City of Hamilton to enter into a Special Water Service Agreement or joint water service agreement for such parcel. Upon the owner receiving the written consent, the owner must execute and register on title the said Agreement, and the owner of the parcel must pay to the City of Hamilton the fees or charges set forth in the applicable City of Hamilton by-laws.

2. By-law R84-026, as amended, is further amended by adding the following two subsections after subsection 8(8) and by renumbering the subsequent subsections as 8(11) and 8(12) respectively:
 - (9) The meter by-pass referred to in subsection 8(8) above shall be sealed and tagged in the closed position at the time it is installed, and may only be used by the City, or its authorized contractors or agents during time periods when the meter has been removed for repair.

 - (10) If a seal on a meter by-pass is opened and/or broken, and the by-pass valve is opened without the prior written permission of the City or its authorized agent, the Owner or Occupant of the lands shall pay the amount set out in Schedule "E" to this by-law during the time period when the valve was opened. If a full year's billing history is not available for the lands, the City will estimate the average daily consumption based on the average daily consumption of similar customers.

3. Schedule "A" to By-law No. R84-026, as amended, is repealed and Schedule "A" attached to this by-law is substituted therefor.

4. Schedule "C" to By-law No. R84-026, as amended, is repealed and Schedule "C" attached to this by-law is substituted therefor.

5. Schedule "E" to By-law No. R84-026, as amended, is repealed and Schedule "E" attached to this by-law is substituted therefor.
6. Schedule "G" to By-law No. R84-026, as amended, is repealed and Schedule "G" attached to this by-law is substituted therefor.
7. This by-law shall come into force as of the 1st day of January, 2009.
8. In all other respects, the contents of By-law R84-026, as amended, are hereby confirmed as unchanged.

Bill No. 154

CITY OF HAMILTON

BY-LAW NO. 09-154

To Amend the Waterworks By-law R84-026, as amended, And Implement the Consecutive Estimated Accounts Policy

WHEREAS on March 20, 1984, the Council of The Regional Municipality of Hamilton-Wentworth passed and enacted Regional By-law R84-026, being a by-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton-Wentworth and the establishment of water rates and charges;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", The Regional Municipality of Hamilton-Wentworth was dissolved on January 1, 2001 and the City of Hamilton stands in the place of The Regional Municipality of Hamilton-Wentworth for all purposes;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", every by-law of an old municipality, such as the former Regional Municipality of Hamilton-Wentworth, that is in force on December 31, 2000 shall be deemed to be a by-law of the City of Hamilton until it expires or is repealed or amended to provide otherwise;

AND WHEREAS on the 13th day of May, 2009, the Council of the City of Hamilton did approve of Item 9 of Audit and Administration Committee Report 09-008 and did approve the Consecutive Estimated Accounts Policy described therein;

AND WHEREAS it is necessary to amend By-law R84-026 to implement the said Consecutive Estimated Accounts Policy;

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. Section 1 of By-law R84-026, as amended, is further amended by adding the following new sub-section (c.3) immediately after sub-section 1(c.2):
 - (c.3) "City of Hamilton Water and Wastewater Consecutive Estimated Accounts Policy" means the policy approved by the Council of the City of Hamilton at its meeting of May 13, 2009 as Item 9 of the Audit and Administration Committee Report 09-008, as amended or re-enacted

from time to time, and any successor to such policy. This policy may be found at the Office of the City Clerk for the City of Hamilton.

2. Sub-sections 12(11) and (12) of By-law R84-026, as amended, are repealed and the following new sub-sections (11) and (12) substituted:
 - (11) Where the Owner or Occupant of the lands with an existing water meter refuses to permit the installation of a remote reading device by the City, the Owner or the Occupant of the lands shall pay for the estimated amounts of water supplied to the property based on metered or non-metered rates as set out in the City of Hamilton Water and Wastewater Consecutive Estimated Accounts Policy, until such time as a remote reading device is installed by the City. Should the General Manager of Finance and Corporate Services, or any other body acting on behalf of the General Manager of Finance and Corporate Services under an agreement with the City of Hamilton, subsequently receive the water meter data on the amount of water actually supplied to the property by the City of Hamilton, the amount billed to such person or persons will be subsequently adjusted to reflect the actual amount of water supplied to the property, where such actual amount is greater than the estimated amounts invoiced, and the person or persons shall be liable for the resulting adjusted water rate.
 - (12) Where,
 - (a) the Owner or Occupant of the lands with an existing water meter refuses to allow access by the City of Hamilton to the water meter or water meter equipment, including but not limited to the remote reading device, for inspection or servicing; or
 - (b) the City of Hamilton is otherwise unable to access the water meter or water meter equipment, including but not limited to the removed reading device, and obtain water meter data on the amount of water actually supplied to the property,the Owner or the Occupant of the lands shall pay for the estimated amounts of water supplied to the property based on metered or non-metered rates as set out in the City of Hamilton Water and Wastewater Consecutive Estimated Accounts Policy until such time as the City of Hamilton is able to obtain the water meter data on the amount of water actually supplied to the property. Should the General Manager of Finance and Corporate Services , or any other body acting on behalf of the General Manager of Finance and Corporate Services under an agreement with the City of Hamilton, subsequently receive the water meter data on the amount of water actually supplied to the property by the City, the amount billed to such person or persons will be subsequently adjusted to reflect the actual amount of water supplied to the property, where such actual amount is greater than the estimated

amounts invoiced, and the person or persons shall be liable for the resulting adjusted water rate.

3. Sub-section 13(5) of By-law R84-026, as amended, is repealed and the following substituted:
 - (5) In the event of a water meter failing to record properly, the person or persons liable to pay the metered water rates are liable to pay the same for an amount of water estimated on the basis of a corresponding period in the immediately preceding year, or, where the water user did not occupy the same premises for the same period during the corresponding period in the previous year, then on the basis of a similar period in the current year, or where that is not applicable, then the water user is liable for the applicable minimum charge set forth in Schedule "G" to this By-law. Should the General Manager of Finance and Corporate Services , or any other body acting on behalf of the General Manager of Finance and Corporate Services under an agreement with the City of Hamilton, subsequently receive the water meter data on the amount of water actually supplied to the property by the City, the amount billed to such person or persons will be subsequently adjusted to reflect the actual amount of water supplied to the property, where such actual amount is greater than the estimated amounts invoiced, and the person or persons shall be liable for the resulting adjusted water rate.
4. This by-law shall come into force on the day it is passed.
5. In all other respects, the contents of By-law R84-026, as amended, are hereby confirmed as unchanged.

PASSED AND ENACTED this 9th day of July, 2009.

Bill No. 260

CITY OF HAMILTON

BY-LAW NO. 09-260

To Amend the Waterworks By-law No. R84-026, as amended, and Implement the 2010 Water Fees and Charges

WHEREAS on March 20, 1984, the Council of The Regional Municipality of Hamilton-Wentworth passed and enacted Regional By-law No. R84-026, being a by-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton-Wentworth and the establishment of water rates and charges;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", The Regional Municipality of Hamilton-Wentworth was dissolved on January 1, 2001 and the City of Hamilton stands in the place of The Regional Municipality of Hamilton-Wentworth for all purposes;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", every by-law of an old municipality, such as the former Regional Municipality of Hamilton-Wentworth, that is in force on December 31, 2000 shall be deemed to be a by-law of the City of Hamilton until it expires or is repealed or amended to provide otherwise;

AND WHEREAS pursuant to section 391 of the *Municipal Act, 2001*, S.O. 2001, c.25, as amended, sections 9 and 10 of the said Act authorize a municipality to pass by-laws imposing fees or charges for services or activities provided or done by or on behalf of the municipality and for the use of the municipality's property, including property under its control;

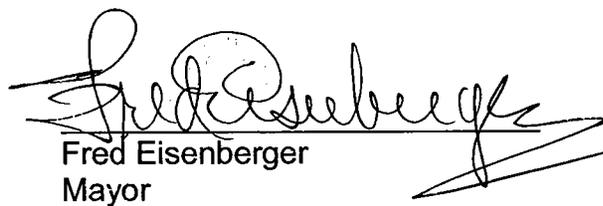

AND WHEREAS on the 9th day of December, 2009, the Council of the City of Hamilton did approve of Item 3 of Committee of the Whole Report 09-034 and did authorize the 2010 water and wastewater fees and charges, including but not limited to the fees and charges set out herein;

AND WHEREAS notice of the 2010 fees and charges set out herein has been given in accordance with the provisions of the City of Hamilton's Public Notice Policy By-law No. 07-351.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. Clauses 12(5)(b) and (c) of By-law No. R84-026, as amended, are repealed and the following substituted:
 - (b) notwithstanding clause (a) of this section, wherever a water service is replaced or a water service agreement as referred to in section 4, sub-section (10) has been entered into, the water service shall at that time become a metered water service.
2. Schedule "A" to By-law No. R84-026, as amended, is repealed and Schedule "A" attached to this by-law is substituted therefor.
3. Schedule "C" to By-law No. R84-026, as amended, is repealed and Schedule "C" attached to this by-law is substituted therefor.
4. Schedule "E" to By-law No. R84-026, as amended, is repealed and Schedule "E" attached to this by-law is substituted therefor.
5. Schedule "G" to By-law No. R84-026, as amended, is repealed and Schedule "G" attached to this by-law is substituted therefor.
6. This by-law comes into force on January 1, 2010.
7. In all other respects, the contents of By-law No. R84-026, as amended, are hereby confirmed as unchanged.

- (17) Where a time frame is set out in an order for carrying out any action, the Municipal Law Enforcement Officer may extend the time for compliance beyond the established time frame provided such extension is required and is acceptable to the Municipal Law Enforcement Officer.
- (18) Where a person does not comply with a direction or a requirement, including an order, under this By-law to do a matter or thing, the General Manager of Public Works, with such assistance by others as may be required, may carry out such direction, requirement or order at the person's expense.
- (19) The City may recover the costs of doing a matter or thing under subsection 3(18) by action or by adding the costs to the tax roll and collecting them in the same manner as property taxes and such costs shall include an interest rate of 15 percent commencing on the day the City incurs the costs and ending on the day the costs, including the interest, are paid in full.
- (20) The General Manager of Public Works is authorized to give immediate effect to any direction or requirement where the costs of carrying out the direction or requirement do not exceed \$10,000 and, where the costs do exceed \$10,000, as the City's council may authorize.

- (21) The amount of the City's costs including interest to the date payment is made in full constitutes a lien upon the land, upon the registration of a notice of lien upon the land.
3. Subsections 8(10), (11) and (12) of By-law No. R84-026 are deleted and replaced with the following subsections 8(10), (11), (12) and (13):
- (10) If a seal on a meter by-pass for a non-residential property is opened and/or broken, without the prior written permission of the City or its authorized agent, the Owner or Occupant of the property shall pay an amount equal to up to three times the average daily water consumption for the property during the time period when the valve was opened. If a full year's billing history is not available for the property, the City will estimate the average daily water consumption based on the average daily water consumption of similar customers. Upon the request of the City, the Owner shall install metering equipment on the by-pass valve within 60 days of such request and shall be responsible for all charges and fees associated with it.
- (11) If an existing water meter and/or house piping of a residential property have been altered to by-pass the water meter and to allow for non-metered water to be drawn, without the prior permission of the City or its authorized agent, the Owner or Occupant shall pay an amount equal to up to three times the average daily water consumption for the property during the time period that the alteration occurred and until the 60 day period referred to in subsection (a) has expired. If a full year's billing history is not available for the property, then the City will estimate the average daily water consumption for the property based on the average daily water consumption of similar customers. In such a situation, the Owner shall also:
- (a) within 60 days of a request by the City, restore the water metering equipment or house piping, or both, to current City specifications, at the Owner's cost and expense, including but not limited to the cost of any required permits, the cost to replace any damaged water meter and the cost of any inspections by the City to ensure that the restoration work has been completed to its satisfaction; or
- (b) where the Owner has failed to comply with subsection (a), pay an amount equal to two times the non-metered annual rate set out in Schedule "A" to this By-law, until such time as the Owner complies with subsection (a).

- (12) Fees for the supply and installation of water meters and remote readers are to be paid by the Owner of the premises and are set forth in Section 1 of Schedule “E” to this By-law.
 - (13) No person shall break, damage, destroy, deface or tamper or cause or permit the breaking, damaging, destroying defacing or tampering with:
 - (a) any part of the Waterworks; or
 - (b) any permanent or temporary device installed in a Waterworks or in a yard service, including a water meter, for the purpose of measuring, sampling and testing of the water.
4. Subsection 12(5) of By-law No. R84-026 is deleted and replaced with the following subsection:
- (5) A non-metered residential property may remain non-metered only where, in the opinion of the General Manager of Public Works, it is determined that a water meter cannot be installed on or at the property. In such a case, the Owner or Occupant of the property shall be liable to pay a non-metered annual rate as set forth in Schedule “A” to this By-law.

Bill No. 315

CITY OF HAMILTON

BY-LAW NO. 11-315

To Amend the Waterworks By-law No. R84-026 and Implement the 2012 Water Fees and Charges

WHEREAS on March 20, 1984, the Council of The Regional Municipality of Hamilton-Wentworth passed and enacted Regional By-law No. R84-026, being a by-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton-Wentworth and the establishment of water rates and charges;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", The Regional Municipality of Hamilton-Wentworth was dissolved on January 1, 2001 and the City of Hamilton stands in the place of The Regional Municipality of Hamilton-Wentworth for all purposes;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", every by-law of an old municipality, such as the former Regional Municipality of Hamilton-Wentworth, that is in force on December 31, 2000 shall be deemed to be a by-law of the City of Hamilton until it expires or is repealed or amended to provide otherwise;

AND WHEREAS pursuant to section 391 of the *Municipal Act, 2001*, S.O. 2001, c.25, sections 9 and 10 of the said Act authorize a municipality to pass by-laws imposing fees or charges for services or activities provided or done by or on behalf of the municipality and for the use of the municipality's property, including property under its control;

AND WHEREAS on the 14th day of December, 2011, the Council of the City of Hamilton did approve of Item 3 of General Issues Committee Report 11-035 and did authorize the 2012 water and wastewater fees and charges, including but not limited to the fees and charges set out herein;

AND WHEREAS notice of the 2012 fees and charges set out herein has been given in accordance with the provisions of the City of Hamilton's Public Notice Policy By-law No. 07-351.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. Subsection 12(2) of By-law No. R84-026 is deleted and replaced with the following:
 - (2) Except as otherwise provided in sub-section (5) of this section, and except for water for fire protection purposes for which no water rate is payable, the Owners and Occupants of all lands having a water service connected to a City of Hamilton watermain are liable to pay meter rates as set out in Schedule "G" to this By-law. Further, such Owners and Occupants are liable to pay the minimum charge portion of the metered water rates set out in Part A (Minimum Charge) of Schedule "G" to this By-law, whether or not the water meter is removed or the water service is shut off at the street line.
2. Subsections 12(3) and (4) of By-law No. R84-026 are deleted and the word "deleted" in square brackets shall be inserted beside each subsection number. The numbering of the remaining subsections of section 12 shall remain unchanged.
3. Clause 12(7)(b)(iii) of By-law No. R84-026 is deleted and replaced with the following:
 - (iii) the metered water rate set out in Part B (Consumption Charge) of Schedule "G" to this By-law, except that the sanitary sewer surcharge will not be applied to those properties where a separate water service connection is established for a Private Water Filling Station provided that the separate water service connection is not used to provide water for any domestic purpose.
4. Schedule "A" to By-law No. R84-026 is deleted and replaced with the new Schedule "A" attached to this by-law.
5. Schedule "C" to By-law No. R84-026 is deleted and replaced with the new Schedule "C" attached to this by-law.
6. Schedule "E" to By-law No. R84-026 is deleted and replaced with the new Schedule "E" attached to this by-law.
7. Schedule "G" to By-law No. R84-026 is deleted and replaced with the new Schedule "G" attached to this by-law.
8. The fees and charges imposed by this by-law continue in force until amended, repealed or replaced (by by-law or by a resolution of the Council of the City of Hamilton confirmed by by-law) and for greater

certainty this includes continuing in force after December 31, 2012 until amended, repealed or replaced.

9. This by-law comes into force on January 1, 2012.
10. In all other respects, the contents of By-law No. R84-026 are hereby confirmed as unchanged.

PASSED this 14th day of December, 2011.

CITY OF HAMILTON

BY-LAW NO. 12-134

**To Amend the Waterworks By-law No. R84-026
and Impose Fees or Charges for Private Unmetered Fire Lines**

WHEREAS on March 20, 1984, the Council of The Regional Municipality of Hamilton-Wentworth passed and enacted Regional By-law No. R84-026, being a by-law respecting the management and maintenance of the waterworks system of The Regional Municipality of Hamilton-Wentworth and the establishment of water rates and charges;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", The Regional Municipality of Hamilton-Wentworth was dissolved on January 1, 2001 and the City of Hamilton stands in the place of The Regional Municipality of Hamilton-Wentworth for all purposes;

AND WHEREAS pursuant to the *City of Hamilton Act, 1999*, S.O. 1999, c. 14, Schedule "C", every by-law of an old municipality, such as the former Regional Municipality of Hamilton-Wentworth, that is in force on December 31, 2000 shall be deemed to be a by-law of the City of Hamilton until it expires or is repealed or amended to provide otherwise;

AND WHEREAS pursuant to section 391 of the *Municipal Act, 2001*, S.O. 2001, c.25, sections 9 and 10 of the said Act authorize a municipality to pass by-laws imposing fees or charges for services or activities provided or done by or on behalf of the municipality and for the use of the municipality's property, including property under its control;

AND WHEREAS on the 14th day of December, 2011, the Council of the City of Hamilton did approve of Item 2 of General Issues Committee Report 11-035 and did authorize user fees to come into effect on July 1, 2012 for private unmetered fire lines;

AND WHEREAS notice of the fees or charges for private unmetered fire lines set out herein has been given in accordance with the provisions of the City of Hamilton's Public Notice Policy By-law No. 07-351.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. The following definition is added to Section 1 of By-law R84-026, after the definition of "prime user":

"private fire protection system" means any private booster pumps, sprinkler systems, fire hydrants or other private system with the designated purpose of fire protection and suppression for a premises and that relies on water from the City of Hamilton Waterworks system for supply.

2. Section 11 of By-law No. R84-026 is repealed and replaced with the following new section 11:

PRIVATE FIRE PROTECTION SYSTEMS

Standard Threads

11. (1) No person shall install or maintain on any private fire protection system which is connected to, or to be connected to, the City of Hamilton Waterworks system, any hydrant or valve which is different from the standard in use in the City of Hamilton with respect to nozzle or stem threads, nozzle connection or operating units.

Pressure Pump and Alarm Check Valves Required

- (2) No person shall install or maintain an automatic sprinkler system in direct connection with a service pipe from a City of Hamilton main, unless there is interposed one alarm check-valve in each riser, effectual to prevent the escape of water back into the City of Hamilton main, and also to activate an alarm when water flows through the valve from the main.

Check Valve on Every Fire Protection System

- (3) No person shall install or maintain any private fire protection system unless the same is equipped with a suitable check valve effectual to prevent the escape of water back into the City of Hamilton main or unless otherwise approved by the General Manager of Public Works.

Unmetered Private Fire Lines

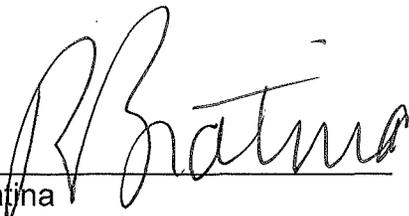

- (4) The monthly fees or charges set out in Schedule "H" to this By-law (private unmetered fire line fees) shall be imposed on the Owners or Occupants of all lands having a permanent unmetered connection to the City of Hamilton Waterworks system for the purpose of supplying water to a private fire protection system. All unpaid fees and charges are a debt due to the City of Hamilton and the City of Hamilton may take such action as it considers necessary and as permitted by law to collect the debt. Further, as the fees or charges described in this subsection are for the supply of a public utility, as defined in the *Municipal Act, 2001*, where all or part of such fees or charges remain unpaid, such fees and charges may be added to the tax roll for the property to which the public utility was supplied.
3. By-law R84-026 is amended by adding a new Schedule "H", attached as Appendix A to this by-law.
4. Section 19 of By-law R84-026 is repealed and replaced with the following new section 19:

Bill No. 320

CITY OF HAMILTON

BY-LAW NO. 13-320

**To Amend the Waterworks By-law No. R84-026
and Implement the 2014 Fees and Charges**

WHEREAS pursuant to sections 9 and 10 of the *Municipal Act, 2001*, S.O. 2001, c.25, a municipality may pass by-laws respecting public assets of the municipality acquired for the purpose of exercising its authority under the said Act or any other Act, and respecting services that the municipality considers necessary or desirable for the public, including the provision of public utilities such as water and sewage, as defined in the said Act;

AND WHEREAS pursuant to section 391 of the *Municipal Act, 2001*, S.O. 2001, c.25, sections 9 and 10 of the said Act authorize a municipality to pass by-laws imposing fees or charges for services or activities provided or done by or on behalf of the municipality and for the use of the municipality's property, including property under its control;

AND WHEREAS on the 11th day of December, 2013, the Council of the City of Hamilton did approve of Item 2 of General Issues Committee Report 13-022(a) and did authorize the 2014 fees and charges set out herein;

AND WHEREAS notice of the 2014 fees and charges set out herein has been given in accordance with the provisions of the City of Hamilton's Public Notice Policy By-law No. 07-351.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. Section 8 of By-law R84-026 is amended by adding the following subsections 8(15), (16) and (17):
 - (15) All water meters shall be sized in accordance with the American Water Works Association Manual of Water Supply Practices M22 (second edition), as amended or replaced from time to time, unless the Owner can demonstrate a need for a different sized water meter to the satisfaction of the General Manager of Public Works.

- (16) All requests by an Owner to change the size of a water meter shall be made in writing to the General Manager of Public Works and upon the request of the General Manager of Public Works, shall contain supporting documentation signed by a professional engineer licenced in the Province of Ontario or such other documentation acceptable to the General Manager of Public Works.
 - (17) Where a change to the size of a water meter is initiated by an Owner and approved by the General Manager of Public Works, the Owner is responsible for all costs associated with changing the size of the water meter.
2. Section 9 of By-law R84-026 is deleted and replaced with the following new section 9:
 9. Any Owner or Occupant may at any time have their water meter tested by the City upon making application in writing to the General Manager of Public Works, and in such case, the General Manager of Public Works shall make mutually convenient arrangements to test the water meter in the presence of the applicant. In the event the water meter measures accurately within the manufacturer's accepted limit of variation, the applicant shall pay for the expenses related to the test. If the water meter does not measure accurately within such limits, the expenses related to the test are to be borne by the City, and a discount for the cost of water supplied to the applicant's property that is reasonable in the circumstances, in the opinion of the General Manager of Finance and Corporate Services, shall be applied for the previous and current billing period.
 3. Subsection 12(2) of By-law No. R84-026 is deleted and replaced with the following new subsection 12(2):
 - (2) Except as otherwise provided in sub-section (5) of this section, and except for water for fire suppression purposes for which no water rate is payable, the Owners and Occupants of all lands having a water service connected to a City of Hamilton watermain are liable to pay metered water rates as set out in Schedule "G" to this By-law. Such metered water rates consist of a daily water fixed charge and a metered water consumption charge. Owners and Occupants are liable to pay the daily water fixed charge portion of the metered water rates set out in Part A (Daily Water Fixed Charge) of Schedule "G" to this By-law, whether or not the water meter is removed or the water service is shut off at the street line.

4. Clause 12(7)(b)(iii) of By-law No. R84-026 is deleted and replaced with the following new Clause 12(7)(b)(iii):
 - (iii) the metered water rates set out in Schedule "G" to this By-law, except that the wastewater/storm fees and charges will not be applied to those properties where a separate water service connection is established for a Private Water Filling Station provided that the separate water service connection is not used to provide water for any domestic purpose.
5. Subsection 13(2) of By-law No. R84-026 is deleted and replaced with the following new subsection 13(2):
 - (2) Accounts for metered water rates are to be sent bi-monthly, monthly or at any other time as determined to be appropriate by the General Manager of Finance and Corporate Services or by any other body acting on behalf of the General Manager of Finance and Corporate Services under an agreement with the City of Hamilton and if these accounts are sent by any other body, then the rates so collected are to be forwarded to the General Manager of Finance and Corporate Services within the time prescribed in such agreement.
6. Subsection 13(5) of By-law No. R84-026 is amended by deleting the words "minimum charge" in the eighth line of the subsection and by substituting therefor the words "daily water fixed charge".
7. Clause 18(4)(a)(ii) of By-law No. R84-026 is amended by deleting the words "minimum charge" in the first line of the clause and by substituting therefor the words "daily water fixed charge".
8. Section 19 of By-law No. R84-026 is deleted and replaced with the following new section 19:

19. Schedules "A" to "H" attached to this By-law form part of this By-law.
9. Schedule "A" to By-law No. R84-026 is deleted and replaced with the new Schedule "A" attached to this by-law.
10. Schedule "C" to By-law No. R84-026 is deleted and replaced with the new Schedule "C" attached to this by-law.
11. Schedule "E" to By-law No. R84-026 is deleted and replaced with the new Schedule "E" attached to this by-law.
12. Schedule "G" to By-law No. R84-026 is deleted and replaced with the new Schedule "G" attached to this by-law.

13. Schedule "H" to By-law No. R84-026 is deleted and replaced with the new Schedule "H" attached to this by-law.
14. The fees and charges imposed by this by-law continue in force until amended, repealed or replaced (by by-law or by a resolution of the Council of the City of Hamilton confirmed by by-law) and for greater certainty this includes continuing in force after December 31, 2014 until amended, repealed or replaced.
15. This by-law comes into force on January 1, 2014.

PASSED this 11th day of December, 2013.
