**Note:** Trip locations may be changed or re-scheduled.  
Trips planned for Wednesday unless otherwise stated

## Royal Botanical Gardens (RBG)

Campers will learn about the importance of healthy natural spaces, and their place within them! RBG challenges children through inspiring curiosity, discovery, and connection in a natural setting. They will participate in games, exploration activities and discussions, that allows campers to explore the natural world around them!

## Bronte Creek Provincial Park (BCPP)

Campers will enjoy a Camp Kidaca favourite! Staff have planned a day packed full of exciting teambuilding initiatives, group challenges, water games and more. Campers will enjoy a fun, outdoor and interactive group experience. The park also offers five great hiking trails that campers can explore with their groups that showcases the natural beauty of the provincial park.

## Binbrook Conservation Area (BCA)

Campers will enjoy time getting back to nature by exploring trails and wildlife observation spots, in addition to large group games. Use of the spray pad will be based on availability and weather.

## Wild Water Works (WWW)

A waterpark operating on conservation lands in Hamilton. Campers 7 years and older will rotate in groups to the parks attractions, including the wave pool, water slides, Eazy River, and Squirt Works. Campers will be required to wear a life jacket when using the wave pool and Eazy River. There are minimum height requirements to use the water slides. Campers 6 years and under will play exclusively in the Squirt Works.
