WHERE:	Canal Lift Bridge & Skyway Niagara-Bound Closure
WHY:	Construction & Maintenance

Route 11 Parkdale will be subject to excessive delays, due to lane closures at the Burlington Canal Lift Bridge & evening/morning full closure of the Niagara-bound Skyway Bridge. To minimize delays for route 11, HSR will be providing a Shuttle service along Beach Boulevard and the easterly portion of Lakeshore Road on specific days and time periods.

No schedule will be provided for the Shuttle, due to the inconsistency and potential timing of the delays. Direct connections between the Shuttle and Route 11 Parkdale buses may not be possible at all times.
