Dear Sir

Re: 701 Upper Sherman Avenue
City Of Hamilton

Please be advised that our Department conducted an inspection/re-inspection of the above premises on May 17, 2024 and our report indicates the building to be satisfactory at this time.

In addition to the above noted inspection, an observed fire evacuation drill was conducted on May 15, 2024. On that date the supervisory staff, at minimal level, evacuated residents requiring assistance to a safe area/zone within the acceptable time available.

Trusting this is the information you require.

Yours truly
