**STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST, AND
DESCRIPTION OF HERITAGE ATTRIBUTES**

Description of Property

The 36.45 hectare property municipally-addressed as 1166 Garner Road West, known as the Shaver Homestead, is comprised of a nineteenth-century farmstead consisting of nine historic structures built between circa 1830 and 1942. Two additional structures without heritage interest were constructed circa 1960. The property is located on the south side of Garner Road West, between Wilson Street West and McClure Road, in the community of Ancaster in the City of Hamilton.

Statement of Cultural Heritage Value or Interest

The property at 1166 Garner Road West has design and physical value as a representative and rare extant example of a nineteenth-century Ontario farmstead. It is comprised of nine distinct historic structures built over a more than one-hundred-year period between circa 1830 and 1942. These structures include the: wood-frame house built circa 1830; bank barn built in 1837; brick farmhouse built 1856; bakehouse built 1856; outhouse smokehouse and horse barn, all built in the mid-nineteenth century; icehouse built circa 1872; and milkhouse built circa 1920. The brick farmhouse also displays a high degree of craftsmanship, as demonstrated by its decorative dichromatic brickwork and elaborate scrollwork and curved roofs on the rear porches.

The property has a long-standing association with the Shavers, a prominent family in nineteenth-century Ancaster township who played a significant role in the development of the Ancaster community. John Shaver (1739-1795), a United Empire Loyalist, moved to the Ancaster area in 1789. His descendants, who purchased this property in 1811 and still own it today, are responsible for constructing a number of significant structures in the area. This property has served as the present-day gathering place for John Shaver’s descendants, who hold a yearly family reunion at the Shaver Homestead.

Contextually, this property is important in defining the former rural agricultural character of the area. It emphasizes the long-settled nature of this stretch of Garner

Road and contrasts strongly with the surrounding modern development. It is linked, functionally, visually, and historically to the surrounding area, being on its original location and in proximity to several other Shaver properties. This farmstead, having been featured in several publications, is considered a local landmark.
