I, member _____ declare a non-disqualifying interest with respect to:

_____ on the Council / Committee agenda dated _____

For the following reason(s) I am not prevented from making an impartial decision on the matter:

The motion calls for "Tax Relief for Residents Within 3km of the GFL Landfill". As I live within the 3km radius,

*A **non-disqualifying** interest is an interest in a matter that, by virtue of the relationship between the Member and other persons or bodies associated with the matter, is of such a nature that a reasonable person fully informed of the facts and circumstances would conclude that the Member could still participate impartially in the decision-making processes related to the matter only so long as:*

The Member fully discloses the interest so as to provide transparency about the relationship; and

The Member states why the interest does not prevent the Member from making an impartial decision on the matter.
