## **EXPLANATORY NOTE**

The City of Stoney Creek Zoning By-law No. 3692-92 was approved (except where noted) by the Ontario Municipal Board on 31st day of May, 1994.

The amendments listed in the following index have been incorporated into the text of Zoning By-law No. 3692-92. The amending By-law number in the margin indicates where the amended text is located. Modifications made as a result of the Ontario Municipal Board Hearings held in 1993 and 1994, have also been incorporated into the text of Zoning By-law No. 3692-92.

## **PART 1           INTRODUCTION**

The Council of the Corporation of the City of Stoney Creek enacts as follows:

### **SECTION 1.1   TITLE**

This By-law may be cited as the Zoning By-law of the City of Stoney Creek.

### **SECTION 1.2   DEFINED AREA**

The provisions of this By-law shall apply to all of the lands contained within the municipal boundaries of the Corporation of the City of Stoney Creek as shown on Schedule “A” attached hereto. However, the zone regulations on lands which are within the Development Control Area as established by the Niagara Escarpment Planning and Development Act, R.S.O. 1990, c.N.2, do not form part of this By-law, but act as a guide to the Corporation in assessing and commenting on applications for development permits.

## **PART 2    DEFINITIONS**

For the purpose of this By-law, all words shall carry their customary meaning except those defined hereafter:

### **Accessory**

When used to describe a use, building, structure or activity, means a use, building, structure or activity which is incidental, secondary, subordinate and exclusively devoted to a principal use, building, structure or activity and located on the same lot therewith.

**Yard - Rear**

Means a yard extending across the full width of a lot and located between the rear lot line and the nearest wall of any building or structure on the lot.

**Yard - Required**

Means that part of a yard which has minimum front yard depth, rear yard depth or side yard width required by provisions contained in this By-law.

**Yard - Side**

Means a yard extending from the front yard to the rear yard of a lot between a side lot line and the nearest wall of any building or structure on the lot.

## **PART 3**

## **INTERPRETATION**

### **SECTION 3.1**

#### **MINIMUM REQUIREMENTS**

In their interpretation and application, the provisions of this By-law shall be held to be minimum requirements, except when expressly stated otherwise, adopted for the promotion of the public health, safety, convenience or general welfare. Whenever the requirements of this By-law are at variance with the requirements of any other By-law, the more restrictive, or the By-law imposing the higher standards, shall govern and apply.

### **SECTION 3.2**

#### **INTERPRETATION OF SCHEDULES**

Schedule "A" which consists of Maps No. 1 to 19 inclusive and the Index Map attached hereto which may be cited as the Zoning Schedules with references to zones as shown thereon, are hereby declared to form a part of this By-law.

### **SECTION 3.3**

#### **ZONE BOUNDARIES**

When determining the boundary of any zone, the following provisions shall apply:

- (a) A boundary indicated as following a highway, street or lane shall be the centre line of such highway, street or lane;
- (b) A boundary indicated as following a watercourse, creek, stream, or the right-of-way of a railway or an electrical, gas or oil transmission line shall be the centre line of such watercourse, creek, stream or right-of-way;
- (c) A boundary indicated as following a shoreline shall follow such shoreline, and in the event of change to the shoreline, the boundary shall be construed as moving with the actual shoreline;
- (d) A boundary indicated as approximately following lot lines shown on a registered plan of subdivision or geographic Township lot lines shall follow such lot lines;

- (e) Where a boundary is indicated as approximately parallel to a lot line abutting a street or other feature indicated in clauses (a), (b) or (c) of this subsection, and the distance from such lot line abutting a street or other features is not indicated, and clause (d) above does not apply, such boundary shall be construed as being parallel to such lot line abutting a street or other feature, and the distance therefrom shall be determined according to its scale shown on the Zoning Schedule; and
- (f) In the event a dedicated street, road allowance or lane in the Defined Area shall be closed, and if such closed street, road allowance or lane formerly formed the boundary between two or more different zones, the new zone boundaries shall be the former centre line of any such closed street, road allowance or lane.

#### **SECTION 3.4      MEANING OF CERTAIN WORDS**

In this By-law, the word "shall" is mandatory and the word "may" is permissive or discretionary. Words used in the present tense include the future tense, and the converse. Words in the singular number include the plural number and the converse.

#### **SECTION 3.5      CLASSIFICATION OF ZONES**

For the purpose of this By-law, the Corporation is divided into the following zones and their extent, location and boundaries are shown on the maps which constitute Schedule "A" to this By-law:

**SECTION 3.6 APPENDICES**

The appendices attached hereto may be cited as the zoning appendices. The appendices contain information to assist in the administration of this By-law. Changes to the appendices will not require an amendment to this By-law.

**SECTION 3.7 SPECIAL EXEMPTIONS**

Whenever a zone symbol on the Schedule Maps is followed directly by a dash and a number, such as "RM6-2", the lands so zoned shall be subject to, and used in accordance with, all the provisions or requirements of this By-law applicable to the zone represented by such symbol except as otherwise specifically provided for by the special provisions applicable to that special exemption as may be set out in this By-law or amendments thereto.

**SECTION 3.8 HOLDING ZONES (By-law 3863-93)**

Where lands are illustrated on Schedule "A" with the symbol "H", such lands shall be deemed to be located in a Holding Zone. The symbol "H" may be applied with a land use zoning category under any or all of the following circumstances:

- (a) Where the details of such development have not been determined.
- (b) When land assembly is required to permit orderly development or redevelopment.
- (c) When the level of engineering and/or community services is not adequate to support the ultimate use, but such services are to be provided at a later date.

Until the "H" provision is removed from the lands through a By-law amendment approved by the Corporation, the applicable uses of the lands shall be restricted to the uses existing on the date of passage of this By-law. Upon removal of the "H" by the Corporation, the lands may be used in accordance with the provisions of the zone applicable to the subject lands.

**SECTION 3.9 TEMPORARY USE ZONES**

Where lands are illustrated on Schedule "A" with the symbol "T", such lands shall be deemed to be located in a Temporary Use Zone. The symbol "T" may be applied with a land use zoning category under all of the following provisions:

- (a) For a specific and appropriate short term use;
- (b) The application of the provisions of the Planning Act, 1990, c.P.13; and
- (c) Upon the expiry of the time period authorized by the Temporary Use By-law, the use of the land, buildings and structures permitted under the Temporary Use By-law shall cease to exist and cannot be considered as non-conforming uses.

**SECTION 3.10 FLOODPLAINS**

Where lands are illustrated on Schedule "A" as being located within a Floodplain Area, such lands shall be deemed to be located within a Floodplain Area as determined by the Hamilton Region Conservation Authority. Development, construction or placing of fill on such lands may be permitted only after authorization has been received from the Conservation Authority.

**SECTION 3.11 SPECIAL FIGURES (By-law 22-196)**

Part 15 – Special Figures exists where figures referenced in the text of Zoning By-law No. 3692-92 are used to more clearly identify areas and/or properties affected by regulations required by this By-law, applicable to the area delineated in the special figure.

## **PART 4            GENERAL PROVISIONS FOR ALL ZONES**

### **SECTION 4.1    SCOPE AND EFFECT**

No person shall within the Defined Area use any land or erect or use any building or structure except in conformity with the provisions of this By-law respecting the zone in which such land, building or structure is located or respecting the zone in which it is proposed to use the land or erect the building or structure.

In addition to regulations of the respective zones, the following general provisions shall apply to all zones.

### **SECTION 4.2    REQUIREMENT FOR A LOT**

Except as otherwise provided in this By-law, no building or structure shall be erected, altered, extended, enlarged or located except upon a lot nor shall any land be used for any permitted use unless it comprises a lot. This provision shall not preclude the use of any parcel or tract of land for agricultural purposes excluding the erection or enlargement of any building or structure except a fence.

### **SECTION 4.3    COMPLIANCE WITH OTHER BY-LAWS, REGULATIONS, LICENCES AND PERMITS**

Nothing in this By-law shall operate to relieve any person from the obligation to comply with any requirement or any By-law of the Corporation in force from time to time, or the obligation to obtain any licence, permit, authority, approval or provide land dedication required under any By-law of the Corporation or under any regulation or By-law of any other authority.

### **SECTION 4.4    EXISTING USES AND LOTS**

#### **4.4.1            Continuation Of Use**

Nothing in this By-law shall prevent the continued use or maintenance of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of the passing of this By-law provided such lot, building or structure continues to be used for the same purpose.

**4.4.2                   Restriction On Change**

The purpose for which any lot or building is used shall not be changed, no new building or addition to any existing building shall be erected and no land shall be severed from a lot, if the effect of such change, erection or severance is to create a situation in which any of the requirements of this By-law in regard to each individual remaining building, accessory building or lot is contravened.

**4.4.3                   Restoration To A Safe Condition**

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any existing non-conforming building or structure, provided that such strengthening or restoration will not increase the height, area, or volume or result in the change of the use of such building or structure so as to contravene the provisions of this By-law.

**4.4.4                   Addition To Existing Building Or Structure**

Nothing in this By-law shall prevent an extension or an addition to a building or structure which is used for a purpose specifically permitted within the zone in which such building or structure is located and which building or structure existed at the date of passing of this By-law but which building or structure does not comply with one or more of the zone requirements of this By-law provided such extension or addition does not contravene any of the provisions of this By-law.

**4.4.5                   Existing Lots Of Record (By-law 4513-97)**

Except as specifically provided elsewhere in this By-law, any legal existing lot as defined in this By-law which does not conform to the minimum lot area or minimum lot frontage requirements of the zone may be used for a use in conformity with the zone provided all other requirements of this By-law can be met. On lands zoned Residential “R6” Zone or Multiple Residential “RM1” Zone, a Single-Detached Dwelling only may be erected where the lot in question does not meet the minimum lot area and/or lot frontage requirements of the Zoning By-law and said dwelling shall be erected in

accordance with all other applicable zoning regulations. This exemption does not apply to lots zoned for industrial purposes with lot frontage on Barton Street or Fruitland Road unless access is available from an alternate street and in such instances where alternate access is available, access to Barton Street or Fruitland Road shall not be permitted.

#### **4.4.6 Phased Registration of Condominiums**

##### **By-law 02-209**

Where a comprehensive Condominium Plan of Subdivision has received Draft Plan Approval as well as Site Plan Approval and where registration of the Plan is intended to occur in phases and/or stages, the draft approved plan of condominium shall be deemed to be one lot for the purposes of applying zoning provisions. Zoning regulations shall apply only to the external limits of the Plan, prior to the registration of any phase, not to interior boundaries resulting from the registration of any phase.

#### **4.4.7 Reduction Of Lots**

No lot shall be reduced in area, either by conveyance, mortgage, or other alienation of any portion thereof or otherwise so that any existing building or structure on such lot or the lot itself does not conform with any or all requirements of this By-law for the zone in which such lot is located.

#### **4.4.8 Conveyance To A Public Authority**

Notwithstanding the foregoing provisions of this Section, no person shall be deemed to have contravened any provisions of this By-law by reason only of the fact that a part or parts of any lot or parcel has or have been conveyed to or acquired by the Corporation, the Region Municipality of Hamilton-Wentworth, the Government of Ontario, or the Government of Canada.

#### **4.4.9 Lots On A Private Road**

Nothing in this By-law shall prevent the erection, restoration or addition of a dwelling on a lot of record having access to a public road via a private road subject to the provisions of the zone in which the lot is located. For the purpose of this subsection the front lot line shall be the lot line which divides the lot from the private road and all other lot lines shall correspond thereto.

**4.4.10 Regulation for Consolidated Lot Development**

**By-law 05-238** Where two or more abutting lots under one identical ownership are consolidated for the purpose of development, the internal lot lines of the original lots shall not be construed to be lot lines for the purposes of any zoning regulations provided that all applicable regulations of this By-law relative to the consolidated lot development and its external lot lines are complied with.

**4.4.11 Adequate Services**

**By-law 06-038** Except for Section 4.20 – Model Homes in Draft Plans of Subdivision, no buildings or structures may be erected, used or occupied unless:

- (i) Adequate watermains, storm and sanitary sewer systems are existing or have been provided for in a binding and secured development agreement and all regulatory approvals have been received to the satisfaction of the General Manager of the Planning and Economic Development Department an/or his or her designate; or
- (ii) Where such services are not required or contemplated, an approved waste disposal system and potable water supply to sustain the use of land for buildings or structures are existing or have been provided for to the satisfaction of the Chief Building Official and all regulatory approvals have been received to the satisfaction of the General Manager of the Planning and Economic Development Department and/or his or her designate, and
- (iii) The dedication of lands for parkland or payment of cash-in-lieu of parkland in accordance with the City of Hamilton Parkland Dedication and Cash-in-lieu of Parkland Policy has been received to the satisfaction of the General Manager of the Planning and Economic Development Department and/or his or her designate.

**SECTION 4.5 ACCESSORY BUILDINGS AND STRUCTURES****4.5.1 General Application**

Accessory buildings and structures shall only be located and erected in compliance with all applicable yard requirements and provisions of the zone in which the lot is located except as specifically provided elsewhere in this By-law.

- By-law 22-138** (a) For the purposes of Subsection 6.1.7.2, a Secondary Dwelling Unit – Detached shall not be considered an accessory building or structure.

**4.5.2 Except During Construction**

No accessory building shall be erected prior to the erection of a permitted use or building on the same lot except where it is necessary for the storage of tools and materials for use in connection with the construction of such main use or buildings. No accessory building shall be used prior to the erection of such main use or building for any purpose other than temporary storage.

**4.5.3 Telecommunication Towers**

The locating of towers used for the transmission or reception of radio, television, telephone, short-wave or cable television transmissions or signals in any zone other than industrial zones is prohibited except in accordance with the following provision:

- (a) The minimum distance to any lot line of any tower shall be 100 percent of the height of the tower and not less than 15 metres from a lot line.

The use of the telecommunications towers for the reception of radio, television, telephone, short-wave or cable television signals for private and personal use is not prohibited.

**4.5.4 Private Satellite Dishes**

Satellite dishes are permitted in all zones. Notwithstanding the above, satellite dishes within residential zones shall be regulated as follows:

- (a) Only one satellite dish may be permitted on any lot zoned for residential purposes.
- By-law 3863-93** (b) The satellite dish may be located in the rear yard.
- (c) No part of any satellite dish shall be setback from any property line less than 2 metres.
- (d) The maximum height of a satellite dish is 4 metres.

- (e) Notwithstanding clause (b) above, satellite dishes are permitted on the roof of an apartment building provided the minimum height of the building is 15 metres.
- By-law 4720-98** (f) Notwithstanding the provisions of paragraphs (b) and (d), satellite dishes having a diameter of 1 metre or less may be located in any yard and may be located on the roof or wall of any dwelling unit.

**SECTION 4.6 ACCESS**

- 4.6.1** No person shall erect any building or structure on a lot or use any lot in any zone unless such lot has frontage on a street as defined herein except as provided in Section 4.4.

**SECTION 4.7 HEIGHT REGULATIONS****4.7.1 General Application**

Except as provided elsewhere in this By-law, the following structures shall not be included in the determination of the building height as specified for the zone in which the building is located:

- (a) Barn, Silo or other accessory farm building
- (b) Chimney
- (c) Church Spire or Belfry
- (d) Clock Tower
- (e) Cupola
- (f) Elevator Housing
- (g) Flag Pole

- (p) Statue
- (q) Unitary Equipment
- (r) Water Storage Tank
- (s) Weather Monitor

**SECTION 4.8 HOME OCCUPATIONS****4.8.1 Home Occupations****By-law 4200-95**

In addition to the permitted uses specified within agricultural zones and residential zones, a home occupation may be conducted in any dwelling subject to the following regulations:

- (a) The home occupation shall not alter the appearance of the dwelling nor shall the home occupation be conducted in such a manner as to cause the dwelling to differ from its residential character;
- (b) The home occupation shall be conducted solely within the dwelling unit and shall not be conducted within any attached garage, or any accessory building;
- (c) The maximum usable floor area for the home occupation shall not exceed 20 percent of the residential floor area of the dwelling unit. In addition to the foregoing, the home occupation may also be conducted within any part of the dwelling's basement or cellar;
- (d) Outside storage, outside operations or display of any kind related to the home occupation are prohibited;

**By-law 5023-99**

- (e) In addition to the parking requirements for the residential use, one additional parking space shall be provided for a home occupation involving hairdressing, barbering, personal service shops, teaching, tutoring or instructing of any type. This regulation does not apply to any dwelling other than a single-detached dwelling;

**By-law 4200-95**

- (f) Hairdressing and barber shops shall be limited to one hairdressing sink and one comb-out centre per dwelling; and

**By-law 5023-99**

- (g) No employees, customers or clients are permitted to visit the dwelling unit when such home occupation is carried on. However, the tutoring of up to two students at any one time and clients for a hairdressing or barber shop or personal service shops may be permitted.

**SECTION 4.9      LOADING REGULATIONS****4.9.1              General Application**

In addition to any specific requirements contained elsewhere in this By-law every building or structure erected for apartments, industrial use, commercial use, recreational use, public use, or institutional use shall provide the following requirements:

- (a) Location - All loading spaces required for any use permitted by this By-law shall be provided on the same lot upon which the use is located and shall not be located within a front yard or a required flankage side yard;
- (b) Adjacent to a Residential Zone - Where a loading space is located in a yard which abuts a residential zone, such loading space shall be screened from such residential zone in a manner and to the extent required under the provisions of the zone in which it is located;
- (c) Dimensions – Each loading space shall not be less than 10 metres long and 3.6 metres wide and have a vertical clearance of not less than 4.3 metres; and
- (d) Access to Loading Spaces - Access directly to and from loading spaces shall be provided by means of a driveway, lane or aisle having a minimum unobstructed width as prescribed in this By-law in Section 4.10.5 and a minimum vertical clearance of 4.3 metres, and be designed to permit the maneuvering of vehicles on the lot so as not to obstruct, or otherwise cause a traffic hazard on adjacent roads.

**4.9.2 Schedule of Required Loading Spaces**

USE	SIZE	MINIMUM REQUIRED SPACE
APARTMENTS	Greater than 4,000 sq.m.	1
COMMERCIAL BUILDING	1,000 sq.m. - 1,999 sq.m.	1

**SECTION 4.10 PARKING REGULATIONS****4.10.1 General Application**

In addition to any specific requirements provided elsewhere in this By-law, for every building or structure or use permitted by this By-law, there shall be provided and maintained a parking area or parking facilities in accordance with the requirements of this section.

**4.10.2 Required Parking (By-law 4470-96)**

- (a) Required Parking To Be On Same Lot - Unless specifically provided elsewhere in this By-law, all parking spaces required for any use permitted in this By-law shall be provided on the same lot as that on which the use is located.
- (b) Cash-in-Lieu of Parking - Notwithstanding the provisions of Section 4.10.2(a), where the minimum parking requirements cannot be satisfied on the same lot, on lands zoned “CA1” and “CA2” by this By-law and Special Exemptions thereto, the owner or occupant may pay cash-in-lieu of parking, in accordance with Section 40 of the Planning Act, R.S.O., 1990, c.P.13, amended by S.O., 1996 C.4, and subject to an agreement with the Corporation.

**4.10.3 Dimensions Of Parking Spaces****By-law 5068-00**

a) Required parking spaces for 90° perpendicular parking shall have minimum rectangular dimensions of 2.75 metres by 5.8 metres exclusive of any lands used for access, manoeuvring, driveways or a similar purpose.

**By-law 5068-00**

b) For other than 90° perpendicular parking spaces and for parking spaces within private residential garages designed to accommodate one motor vehicle, the parking space shall not be less than 3 metres in width or less than 6 metres in length exclusive of any land used for access, manoeuvring, driveways or a similar purpose. A single step, hose bibs, electrical devices and/or ductwork and closet enclosures may project not more than .3 metres into the required length or width of a parking space.

**4.10.4 Requirement For Parking Designated For Vehicles of Physically Challenged**

At least 1 percent of the required parking spaces, with a minimum of one parking space, on any lot having more than 10 parking spaces, shall:

- (a) have minimum rectangular dimensions of 4.4 metres by 5.8 metres; and
- (b) be located on level ground readily accessible to an entrance to such building; and
- (c) be clearly identified and reserved for the exclusive use of physically challenged persons.

**4.10.5 Access To Parking Spaces**

- (a) Direct Access - Ingress and egress directly to and from every parking space shall be by means of a driveway, lane or aisle having a minimum width of 6 metres; and
- (b) Indirect Access - A driveway or lane which does not provide ingress and egress directly to a parking space, shall have a minimum width of 4.5 metres where designed for one-way vehicular circulation or 6 metres where designed for two-way vehicular circulation.

**4.10.6 Maintenance Of Parking Spaces**

Any parking area, parking space, loading space, driveway, maneuvering area, or aisle required to be provided or permitted according to the provisions of this By-law for any use in any zone shall be provided and maintained in accordance with this By-law.

**4.10.7 Parking Structure As A Principal Use (By-law 3863-93)**

Where a parking structure constitutes a principal use on a lot, such structure shall conform to the zone regulations for the zone where it is located.

**4.10.8 Calculation Of Required Spaces**

- (a) Rounding - Where the calculation of parking space requirements in accordance with this By-law results in a fraction of a parking space being required for a lot, any fraction in excess of 0.5 shall be rounded up to the next whole number.
- (b) More than One Use - Except as expressly provided elsewhere in this By-law, where more than one type of use is located on a lot, the total number of parking spaces required for such lot shall be the sum of the parking space requirements for each separate use.
- (c) Where the number of parking spaces required in accordance with this By-law is based upon the “capacity” of a use, such capacity shall be equal to the design capacity of any building or structure pertaining to such use, as determined by the Building Code Act, R.S.O. 1990, c.B.13.

- (a) Nothing in this By-law shall prevent the division of any lot which is zoned for a semi-detached dwelling into two separate parts divided by the centre line of the common or party wall separating the two dwelling units provided that each part created meets the appropriate regulations of this By-law. For the purpose of this By-law the side yard provisions

- pertaining to the zone in which the semi-detached dwelling is located do not apply to the common or party wall separating the two dwelling units;
- (b) No person shall erect or use any building for residential purposes in any zone unless such building is erected upon a lot or unless authorized elsewhere in the By-law; and
  - (c) For the purposes of subsection (b) above, the word "building" shall be deemed not to include an accessory building.

#### **6.1.4**

#### **Accessory Buildings In Residential Zones**

##### **By-law 4580-97**

- (a) An accessory building may be located in any yard except the front yard, and shall be located a minimum distance of 8 metres from the front lot line, 0.5 metres from any other lot line, and the maximum building height shall be 4.5 metres; except that a detached garage or detached carport which fronts on the flankage lot line shall be located at least 5.5 metres from the flankage lot line.
- (b) The total lot coverage for all accessory buildings shall not exceed 10 percent of the total lot area but in no case shall the total lot coverage of all buildings on a lot exceed the maximum lot coverage permitted in the respective zone; and
- (c) Notwithstanding the above-noted provisions, accessory buildings may be located in the front yard on lands fronting on a private road which backs onto the Lake Ontario shoreline, but in no case within 7.5 metres of the front lot line. For the purpose of this Section:
  - 1. "Front lot line" means the boundary of the property closest to the existing dwelling or closest to the former dwelling and which boundary is the line between the private right-of-way and the parcel of land to which this subsection applies;
  - 2. "Rear lot line" means the limits of the property opposite the "front lot line"; and

3. "Side lot line" means the limits of the property other than the "front lot line" or the "rear lot line".

(d) Notwithstanding the above-noted provisions, accessory buildings may be located in the front yard of lands backing onto the Lake Ontario shoreline in accordance with Section 4.13.2.

**By-law 22-138**

(e) For the purposes of Section 6.1.7.2, a Secondary Dwelling Unit – Detached, shall not be considered an accessory building or structure.

### **6.1.5**

#### **Residential Care Facilities, Group Homes Or Domiciliary Hostels**
