STORMWATER INFRASTRUCTURE CREDIT APPLICATION FORM

Purpose of this Form

This form is exclusively for applying for the Stormwater Infrastructure Credit. It applies to institutional, commercial, industrial, and multi-residential properties with seven or more units. Property owners must demonstrate that they have implemented and maintained eligible stormwater management measures.

General

The City of Hamilton collects information under authority of Section 227 of the Municipal Act, 2001. Any personal information collected for Stormwater Incentive Program will be used to ensure eligibility for the Stormwater Incentive Program Rebates. By providing your email address, you are consenting to receiving emails from the City of Hamilton and/or their agents/contractors to verify the details of the incentive and ensure the garden or measure is in operational condition and effective. Information collected for this initiative may be stored on servers located in Canada and the United States and may be subject to Canadian and/or American laws. Questions about the collection of this personal information can be directed to the Superintendent, Environmental Monitoring and Enforcement, Public Works, Hamilton City Hall, 71 Main St W, Hamilton, ON L8P 4Y5, (905) 973-3503, ext.1252, muhammad.mujtaba@hamilton.ca.

A Stormwater Credit shall expire five years from the approval date unless the approval is revoked. Stormwater Credit recipients must ensure that they report any changes to the on-site stormwater measures that would reduce a property's eligible credit amount via this application form. Consumers whose premise is not in compliance with any of the provisions of the Sewer Use By-law, No. 14-090, as amended, are not eligible for the Stormwater Rate Incentive Program, along with consumers who are not in good financial standing with the City of Hamilton.

Alternate formats are available upon request in accordance with the Accessibility for Ontarians with Disabilities Act, 2005. Please contact Hamilton Water at 905-546-2489.

The General Manager or an Officer may enter on land at any reasonable time and in accordance with the conditions set out in sections 435 and 437 of the Municipal Act, 2001, to carry out an inspection.

Instructions

1. For questions regarding form completion or submission, contact the Environmental Monitoring and Enforcement unit at 905-546-2424, ext. 5866, or email StormwaterIncentives@hamilton.ca.
2. This application form must be fully completed before it will be considered for approval by the City. Incomplete applications for the Stormwater Rate Incentive Program will not be accepted. A complete application consists of a fully completed and signed Application Form. The information submitted in this application form and accompanying documents is subject to verification by the City.
3. Additional information may be required to be submitted by an applicant during the review of application for the Stormwater Rate Incentive Program including but not limited to engineering reports, drawings, or maintenance records. The City will contact the Applicant in writing, should additional information be required.
4. The original and complete application must be submitted using the online form or by sending a signed completed form electronically or by mail to:
