

## Instructions for Application for Market Rent Units

Please read the following instructions carefully

This application is for Market Rent accommodation. Market Rent is NOT geared to your income and accepting a Market Rent unit will NOT shorten your wait for subsidized housing. Page 11 through 15 of this application lists all CityHousing properties that have Market Rent units and the amount of rent payable.

Please do not select any properties that would require you to pay more than 50% of your gross monthly household income. CityHousing Hamilton will not place you on the waitlist for any properties that would require this.

If you cannot afford to pay market rent please go to Access to Housing (ATH) located at #110 - 350 King Street East and obtain an application for subsidized housing.

**If your application is not completely filled in or documents are missing, it will be returned to you for further information and your application WILL NOT be processed.**

**CityHousing Hamilton has two refusal policy on our market rent units.** This means that you can refuse up to two offers of housing before being removed from the waiting list. If you have two refusals or if you do not respond to an offer of housing for a property that you have selected (on two different occasions) your application will be cancelled and you will have to reapply, with a new application date. You will then wait until your name reaches the top of the wait list before receiving another offer.

**Please remember if your information changes it is up to you to notify CityHousing Hamilton to update your information.**
