CONSTRUCTION AND MATERIALS SPECIFICATIONS MANUAL

REVISION # 15 – November 2025

NOTICE OF REVISION

Email Contact Information:

The City will only send notification of Manual revisions by email. If you would like to receive notifications of future revisions, send your email address to melissa.butler@hamilton.ca

Access to Hamilton Standards:

Each manual holder is responsible for determining implementation dates and directions for use of these revisions. It is recommended that you retain superseded versions of specifications for future reference.

All specifications and drawings are available free of charge online at the City of Hamilton website at:

<https://www.hamilton.ca/build-invest-grow/planning-development/planning-policies-guidelines/construction-and-material>

Here you will find the latest versions of the published standards, archives of the previously published standards and Revision Information Sheets for currently published standards.

Hard-copy paper versions of the standards are not available at this time.

Revisions to the Construction and Materials Specifications Manual:
