As such, these locations are identified using broader categories, including: Private Properties, Road Allowances, City Owned and Public Properties, the Rail Trail, and Red Hill Valley. From December 8-14, 2025, Municipal Law Enforcement received complaints and service requests about the following specific locations that are identified below.

Action Tracker

The Action Tracker includes information with respect to the status of new or existing complaints and requests for service that have been received by Licensing and By-law Services during the reporting period from December 8-14, 2025. Occasionally, after a site has been designated by staff as cleared, different individual(s) may move into the same location and erect a new tent. Any time new tents are discovered in an area that has been previously cleared, the process will restart with officers attending to confirm the presence of an encampment and notifying HFSO of an individual that may require support. As such, a site may appear on the tracker more than once. Once a private property owner has been notified of the process, they are responsible for contacting the appropriate enforcement body.

Please note that the Action Tracker does not reflect data collected by the Hamilton Police Service. Please note the following:

HFSO	Housing Focused Street Outreach
HPS	Hamilton Police Service
*	Only applicable to private property and road allowances

Enhanced Service within 1km of the Tiffany/ Barton Temporary Outdoor Shelter and listed Parks in Ward 3 in the Proximity of Added Shelter Spaces

In recognition of the disproportionate impact of encampments within these communities and the staff attention that is required to maintain compliance with the Parks By-law within the specified City parks on an ongoing basis, effective March 6, 2025, Municipal Law Enforcement Officers will continue to proactively monitor the 1km radius area and the identified parks once per week to ensure ongoing compliance. Additional site visits will be conducted, Notices of Trespass issued and engagement with Hamilton Police Service will occur where necessary.
