PLEASE NOTE THAT THE CITY OF HAMILTON IS CHANGING ITS ZONING VERIFICATION REPORTS. Going forward, Zoning Verification Reports will include the following information: last/current recognized use of the property, confirmation that the intended or current use of a property is permitted within the zoning of that property; if the property is subject to Cultural Heritage Value or Interest; and/or if the property requires Conservation Authority approval. Zoning Verification Reports **will not** include information such as outstanding work orders (including outstanding building permits, Orders to Comply, Stop Work Orders, Zoning Violations and/or Property Standards Orders), confirmation of the issuance of any building permits for septic systems, and/or confirmation if a final grading certificate has been received.
