# COMMUNICATION UPDATE

<b>TO:</b>	Mayor and Members of City Council
<b>DATE:</b>	January 23, 2026
<b>SUBJECT:</b>	Winter Response Strategy for Unhoused Individuals Update
<b>WARD(S) AFFECTED:</b>	City Wide
<b>SUBMITTED BY:</b>	Michelle Baird Director, Housing Services Division Healthy and Safe Communities Department
<b>SIGNATURE:</b>	

This communication update is to provide an update on the Winter Response Strategy for Unhoused Individuals.

Winter response – and emergency response more broadly – continues to be a challenge as homelessness grows in our community and across the province. In the City of Hamilton in December 2025, there were just under 2,000 individuals experiencing homelessness with 287 individuals actively experiencing unsheltered homelessness.

In 2024 it was decided that the City would move away from winter response and seasonal response and instead this would become part of the shelter expansion, with the rationale that shelters provide a more fulsome service to those requiring support. At this time an additional 272 beds were added to the existing emergency shelter system representing an 80% capacity increase to the system overall.

Despite the expansion of our emergency shelter system, need continues to outpace growth across the system and pressures remain. There are several additional drop-in spaces and expanded hours of existing services that have been operationalized over the last several months. Additionally, in response to the extreme cold temperatures we are currently experiencing, The City is working with community partners to **immediately operationalize more overnight drop-in and warming spaces** to support those experiencing homelessness.

Operational as of January 23, 2026, these include:

- 5 additional beds for women at Mary's Place
- 20 additional overnight spaces for men at Cathedral
- Expansion within the family system
- 5 additional spaces at Carol Anne's Place

---

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

---

- Extended hours at Cathedral Café from 9am-9pm
- St. Matt's at St. Paul's Coach House extended hours from 9pm-9am

The City's Housing Focused Street Outreach Team continues to provide support 7 days a week to connect homeless individuals with services and supports. As part of an immediate response to extreme weather and increased need, the Outreach Team is extending hours of service and reach across the community.

The need for service continually outpaces the services available. We are continuing to work with partners across the sector over the next week to identify more opportunities to further expand operational hours and services this winter.

A comprehensive list of services can be found on the following pages of the City of Hamilton's website: [Emergency and Violence Against Women Shelters & Drop-in Programs | City of Hamilton](#) and [Winter Response Strategy | City of Hamilton](#)
