

# Route Change

**Detour Route 1 King & 2 Barton: Thursday, January 8, 2026 – 8:00PM to 10:00PM**

Due to street light fixture replacement at the Hamilton GO Centre Terminal, Routes 1 King & 2 Barton will be on detour during the following times:

Thursday, January 6, 2026 – 8:00 p.m. to 10:00 p.m.

The detour will remain in place during this period due to **limited space for safe boarding** at the terminal while work is underway.

Detour details, including temporary stop locations and a map of the GO Station work area, can be found below.

---

## Detour Details: Route 1 King & 2 Barton

**WESTBOUND (To GO Station)** – From James Street and the entrance to the Hamilton GO Centre, continue south on James Street, turn left on Augusta Street to Temporary End-of-Line on Augusta Street east of James Street.

**EASTBOUND (From GO Station)** – From Temporary End-of-Line on Augusta Street east of James Street, continue east on Augusta Street, turn left on John Street, and resume regular eastbound routing on John Street north of the Hamilton GO Station.

---

## Stop Closures and Temporary Stop Locations

January 8 (Evening) – Work will affect Routes 1 King & 2 Barton bus stops at the easterly end of the GO Station.

Customers may board Route 1 King and Route 2 Barton buses on John St. N. opposite Hamilton Go Station common stop.
