### Accreditations

#### ONTARIO CAMPS ASSOCIATION (OCA)

The OCA logo identifies to campers, their families and staff that we meet industry standards – only accredited camps are able to use the OCA logo on literature and on their signs.

#### HIGH FIVE®

The City of Hamilton Recreation Division is a HIGH FIVE® Accredited Organization and as such serves as the benchmark for excellence in children's recreation and sport programming, focused on healthy child development and offering the highest recognized levels of quality and safety.

For more information, parents can visit: [highfive.org/parent](http://highfive.org/parent)

## Staff

Your children are in good hands with Kidaca staff. Each of our camps is under the direction of a full-time staff who has a passion for developing and implementing recreation programs for children and youth. In addition, each group of children will have a dedicated Counsellor who:

- is a university, college, or high school student
- is certified in standard first aid with CPR-level C and is trained to administer Epi-Pens
- has been trained in the HIGH FIVE® Principles of Healthy Child Development
- has specialized training in programming, emergency procedures, group dynamics, and positive behaviour management

Our leaders are energetic and dedicated to providing participants with a fun, safe, and memorable experience this summer!

## Behavioural expectations

All children and youth attending recreation programs are expected to behave in a manner which ensures their own safety and the safety of other participants, staff, and volunteers in the program. Staff will be responsible to communicate behavioural expectations, encourage appropriate behaviours and to use group management techniques to create an environment which prevents behaviours from happening.

When responding to behaviours, staff will follow steps in the Behaviour Management Protocol. Parents/Guardians are required to sign off that they understand the Behaviour Management Protocol, and will comply with expectations set for children and youth in programs.
