A site plan, certificate of insurance and location agreement must be submitted along with this application. Your site plan must detail the description of the effect including safe distances between personnel, objects and the effect. Using an HB pencil and pressing firmly rather than using a pen when creating your drawing may ensure that the copy is legible and will expedite your request. If your drawing is illegible it will be returned without approvals for resubmission.	
Form Completed By: _____ Pyrotechnician	
On Behalf Of _____ Production Company
