3.2.23 **DWELLING, MAISONETTE**

Means an apartment house each unit of which is a self-contained dwelling having two separate means of egress; one of said means of egress is to a common first storey corridor, and the other leads directly to the outside landscaped yard area.

3.2.24 **DWELLING, SEMI-DETACHED**

Means a separate building divided vertically into two dwelling units by a solid common wall extending from the base of the foundation to a roof line and for a minimum 2.0 m horizontal depth of the building.

3.2.25 **DWELLING, SINGLE-DETACHED**

Means a separate building containing only one dwelling unit.

3.2.26 **DWELLING, STREET-TOWNHOUSE**

Means a townhouse dwelling:

i) in which all dwelling units front on a public thoroughfare; and

ii) which does not share any yards, driveways, common open space and parking and manoeuvring space.

1 *By-law No. 4091-93* June 21, 1993
3.2.27 **DWELLING, TOWNHOUSE**

Means a building not more than one dwelling unit in height, designed and constructed to contain more than two dwelling units attached to each other, side by side, in one row and in substantial harmony with each other, each of which dwelling unit:

i) has separate front and rear entrances or separate front and side entrances; and

ii) shares common open space and parking and manoeuvring space.

3.2.28 **DWELLING UNIT**

Means a suite of two or more habitable rooms, occupied by not more than one household, in which sanitary and culinary facilities are provided, and with an independent entrance, either directly from outside the building or from a common corridor inside the building.

3.2.29 **ERECT**

Means to do anything in construction, installation or extension or material alteration or repair of a building and includes the installation of a building unit fabricated or moved from elsewhere, and erection has a corresponding meaning.

3.2.30 **EXISTING**

Means existing as of the date of the passing of this By-law.

3.2.30.1 **FARM PRODUCE/PRODUCT STAND**

Means a building or structure used for the sale of fresh fruit, vegetables, grains and edible plants which are grown on an urban farm on a seasonal basis. Products derived from the urban farm produce may also be sold.

3.2.31 **FLOOR AREA**

Means with reference to a dwelling, lodging house, or apartment building, the total habitable floor area exclusively devoted to one dwelling unit within a building which area is measured between the exterior faces of the exterior walls or from the centre line of a common or party wall, but excluding:

i) in the case of a dwelling, any private garage, porch, verandah, balcony, sun room, attic, basement or cellar, and

ii) in the case of an apartment building, any private garage, porch, verandah, balcony, mezzanine, lobby, cellar, common hallway, staircase, elevator.

---

1 *By-law No. 14-275 September 24, 2014*
3.2.32  **FLOOR AREA, GROSS**

Means the aggregate of the floor areas of all the storeys of a building including the floor area of any basement but not of any cellar or subcellar, which floor areas are measured between the exterior faces of the exterior walls of the building at each floor level but excluding car parking areas within the building; and, for the purposes of this clause, the walls of an inner court shall be deemed to be exterior walls.

3.2.33  **GARAGE, PRIVATE**

Means a building or part thereof used for the temporary parking or storage of private passenger motor vehicles or commercial vehicles of less than 2700 kg registered gross vehicle weight, and wherein neither servicing nor repairing is carried on, except for vehicles owned by persons living on the premises.

3.2.34  **GRADE**

With reference to the height of a building or structure, wherever curb-level has been established, shall mean the elevation of curb level opposite the highest point of the building or structure, on a line perpendicular to the street line, or, wherever curb level has not been established, or wherever the mean elevation of the ground adjoining the building or structure on all sides and within 4.5 metres of it is higher than curb-level opposite the highest point of the building or structure, then grade shall mean the mean elevation of all the ground adjoining the building or structure and within 4.5 metres of it.

Provided, however, that wherever a lot other than a corner lot abuts upon two or more streets having different elevations opposite the lot, the higher of such elevations shall be considered as grade for only half of the depth of the building or for a depth of 36.0 metres measured perpendicularly from the street line of the higher street, whichever is the lesser distance.

And provided further, that with reference to the height of a building or structure on a corner lot, grade shall mean the average elevation of the curb levels opposite the building or structure on the two streets, or the mean elevation of all the ground adjoining the building or structure and within 4.5 metres of it.

3.2.35  **GROUP DEVELOPMENT**

Means the building or part of a building designed as part of a group of dwellings on the same lot, which group of dwellings is comprised of apartment buildings, townhouse dwellings, maisonette dwellings, or any combination of these. A group of dwellings so comprised shall be held and maintained under single ownership, except for group dwelling units established.
3.2.36 **GROUP HOME**

Means any supervised, community based group living arrangement, located in a fully-detached building occupied wholly for such use, by a maximum number of supervised residents, exclusive of staff, with social, legal, emotional or mental problems, that is developed for the well being of its occupants through self-help and/or professional care, guidance, and supervision unavailable in the occupant’s own family or in an independent situation, provided that:

i) the occupants of the Group Home are referred to the Group Home by a hospital, court or government agency; or

ii) such facility is government funded either wholly or in part, other than funding provided solely for capital purposes; or

iii) the facility is regulated or supervised under any general or special act (Municipal, Provincial or Federal).

3.2.37 **HABITABLE ROOM**

Means any room or space intended primarily for human occupancy, such as kitchens, living rooms, family rooms, bedrooms, dens and finished recreation rooms.

3.2.38 **HAZARDOUS WASTE**

Means materials that are defined as hazardous waste under Ontario Regulation 347 to the Environmental Protection Act.

3.2.39 **HAZARDOUS WASTE MANAGEMENT FACILITY**

Means a waste transfer facility, a waste processing facility or a waste disposal facility that handles hazardous waste and for which a Certificate of Approval for such purpose under Part V of the Environmental Protection Act is required. A hazardous waste management facility may also include the storage, transfer or processing of non-hazardous waste.

3.2.40 **HEIGHT**

Shall mean the vertical distance from grade to the uppermost point of the building but not including any mechanical penthouse or any portion of a building designed, adapted or used for such features as a chimney, smokestack, fire wall, stair tower, fire tower,
3-8 water tower, tank, elevator bulkhead, ventilator, skylight, cooling tower, derrick, conveyor, antenna, or any such requisite appurtenance, or a flagpole, display sign, ornamental figure, parapet, bell tower or other similar structure. Provided, however, where this By-law requires building height to be calculated to determine a minimum rear yard or a minimum side yard requirement, building height shall mean the vertical distance between the lowest finished grade elevation along the lot line related to such required yard at that point closest to the building and the horizontal extension of the uppermost point of the building.

3.2.41 HOME FOR THE AGED

Means a home for the aged established and maintained under The Homes for the Aged and Rest Homes Act or any successor thereto or a rest home established and maintained under the said Act. (Source: The Homes for the Aged and Rest Homes Act, R.S.O. 1980, Chapter 203.)

3.2.42 HOME OCCUPATION

Means an occupational use conducted entirely within a dwelling unit and carried on only by members of the household residing on the premises, which use is clearly incidental and secondary to the use of the dwelling unit for dwelling purposes and does not change the character thereof, provided that:

i) no article or commodity is sold or offered for sale except such as may be produced on the premises, and

ii) no sign or display that will indicate from the exterior that the building is being utilized in whole or in part for any purpose other than that of a dwelling unit, and

iii) there is no outside storage of material or equipment, and

iv) not more than 15 per cent of the floor area of the dwelling unit may be used for the home occupation, and

v) no mechanical or other equipment is used, kept or had except such as is customarily employed in dwellings for hobbies, domestic or household purposes, or for any purpose normal to or reasonably consistent with the use of a dwelling as such, and

vi) any home occupation that creates objectionable noise, vibration, fumes, odour, dust, electrical interference or more than normal residential traffic shall be prohibited, and

vii) the home occupation shall not alter the appearance of the dwelling nor shall the home occupation be conducted in such a manner as to
cause the dwelling to differ from its residential character;¹

viii) only one member of the household shall carry on any hairdressing or barbering use; but does not include an incidental and secondary use that consists of:

but does not include an incidental and secondary use that consists of:

ix) motor vehicle repairs, auto body repairing and painting of motor vehicles, or

x) keeping of scrap and salvage material.

3.2.43 **HOUSEHOLD**²

Means one or more persons occupying premises and living as a single housekeeping unit and using common cooking facilities.

3.2.44 **INDUSTRIAL USE**

Means designed, adapted or used for industrial purposes within the scope and meaning of Statistics Canada, “Standard Industrial Classification 1980”.

3.2.45 **INDUSTRIAL AND HEAVY (ENGINEERING) CONSTRUCTION**

Industrial and heavy construction contractors primarily engaged in the construction of projects other than buildings.

3.2.46 **INVESTMENT INTERMEDIARY INDUSTRIES**

Establishments primarily engaged in investing in a portfolio of securities and other investments on behalf of their shareholder/unitholder. Included in this major group are establishments primarily engaged in financing mortgages, real estate and purchase leasebacks and holding of common and preferred stock for the purpose of exercising control.

3.2.47 **LANDSCAPED AREA**

Means land provided and maintained on the same lot on which the building or structure is situated, no part of which shall be other than:

i) fully and completely open and exposed to natural light and air and unobstructed above the surface,

ii) used exclusively for scenic, recreational or like uses, and

iii) not less than 50% of which shall be natural planting of grass lawns, trees, shrubs and flowers in such

² By-law No. 4091-93 June 21, 1993
manner as to establish and enhance the beautification of the landscaped area and any building or structure on the same lot;

but shall not include area used for parking space, manoeuvring space, access or egress driveways or any other vehicular purposes of any kind, nor any open space beneath, within or on the roof of any building except where permitted in a zone.

3.2.48

**LOADING SPACE**

Means an unencumbered area of land which is provided and maintained upon the same lot or lots upon which the principal use is located and which area is provided for the temporary parking of one commercial motor vehicle while merchandise or materials are being loaded or unloaded from such vehicle, and such parking shall not be for the purpose of sale or display.

3.2.48.1

**LOCAL AGRICULTURAL PRODUCTS**

Means fruits, vegetables, grains, seeds, flowers, herbs, dairy, fish, meat and poultry, maple, or honey bee products that have been grown or produced as part of Ontario farm operations.

3.2.49

**LOT**

Means a parcel or tract of land having, within the boundaries of a zone, sufficient frontage on a public thoroughfare, depth and area to satisfy the applicable requirements of that zone and:

i) which is the whole of a lot shown upon a Registered Plan of Subdivision under the provisions of The Planning Act, as from time to time amended, or

ii) which comprises all the land described in a conveyance by way of deed, transfer, mortgage, charge or agreement of sale and purchase to which consent has been given under the provisions of The Planning Act as from time to time amended, or

iii) which might be legally conveyed by way of deed, transfer, mortgage, charge or agreement of sale and purchase without consent under the provisions of The Planning Act as from time to time amended;

provided, however, that no parcel or tract of land ceases to be a lot by reason only of the fact that a part or parts of it has or have been conveyed to or acquired by the Corporation of the Town of Dundas, the Regional Municipality of Hamilton-Wentworth, Her Majesty in the Right of Ontario, or Her Majesty in the Right of Canada.

3.2.50

**LOT AREA**

Means the total horizontal area within the lot lines of a lot.
3.2.51 **LOT COVERAGE**¹

Shall mean the percentage of the lot covered by all buildings, but shall not include swimming pools and decks.

3.2.52 **LOT DEPTH**

Means the horizontal distance between the front and rear lot lines. If the front and rear lot lines are not parallel, "lot depth" means the length of a straight line joining the middle of the front lot line with the middle of the rear lot line. If there is no rear lot line, "lot depth" means the length of a straight line joining the middle of the front lot line with the apex of the triangle formed by the side lot lines. (See illustration page at end of Section.)

3.2.53 **LOT, CORNER**

Means:

i) a lot situated at the intersection of and abutting on two or more streets; or

ii) a lot abutting on two streets or two parts of the same street, the adjacent sides of which street or streets contain an angle of not more than one hundred and thirty-five (135) degrees, and in the case of a curved street such angles shall be formed by their tangents drawn from the points where the side lot lines meet the street line, provided that in the latter case the corner of the lot shall be deemed to be that point on the street line nearest to the point of intersection of the said tangent. (See illustration page at end of Section.)

3.2.54 **LOT, INTERIOR**

Means a lot other than a corner lot or through lot. (See illustration page at end of Section.)

3.2.55 **LOT LINE**

Means any boundary line of a lot. (See illustration page at end of Section.)

3.2.56 **LOT LINE, FRONT**

Means the lot line that divides a lot from the street, provided that, in the case of a corner lot, the shorter lot line that abuts a street shall be deemed to be the front lot line and the longer lot line that abuts a street shall be deemed to be a side lot line, except that where a corner lot has the same dimensions on two streets which it abuts, the lot line abutting the street upon which the building erected or to be erected has its principal access shall be deemed to be the front lot line; where the lot is a through lot, the lot line where the principal access is provided shall be deemed to

¹ By-law No. 15-068 March 11, 2015
be the front lot line. (See illustration page at end of Section.)

3.2.57 **LOT LINE, REAR**

Means the lot line opposite to the front lot line. (See illustration page at end of Section.)

3.2.58 **LOT LINE, SIDE**

Means any lot line other than a front or rear lot line. (See illustration page at end of Section.)

3.2.59 **LOT, THROUGH**

Means a lot other than a corner lot, having separate frontage on two streets. (See illustration page at end of Section.)

3.2.60 **LOT FRONTAGE**

Means the horizontal distance between the side lot lines measured along the front lot line, but where the front lot line is not a straight line or where the side lot lines are not parallel, the lot frontage is to be measured by a line 6.0 metres back from and parallel to the chord of the lot frontage, and, for the purpose of this paragraph, the chord of the lot frontage is a straight line joining the two points where the side lot lines intersect the front lot line. (See illustration page at end of Section.)

3.2.60.1 **MODEL HOME**

Shall mean a single detached dwelling, semi-detached dwelling, street townhouse dwelling or a block of townhouse dwelling units used in the interim for the sole purpose of an office and/or show room and/or sales centre each of which shall promote the sale of residential units within a draft approved plan of subdivision or a registered plan of subdivision.

3.2.61 **MOTOR VEHICLE**

Means an automobile, motorcycle, motor assisted bicycle unless otherwise indicated in The Highway Traffic Act, and any other vehicle propelled or driven otherwise than by muscular power, but does not include the cars of electric or steam railways, or other motor vehicles running only upon rails, or a motorized snow vehicle, traction engine, farm tractor, self-propelled implement of husbandry or road-building machine within the meaning of The Highway Traffic Act. (Source: The Highway Traffic Act, R.S.O. 1980, Chapter 198.)

The symbols set opposite the name of each zone respectively in Section 4.2 hereof refer to the appropriate zones established in this By-law.

Where any parcel of land shown on a Zoning Map is marked with the letter “S” followed by a dash and a number (e.g. “C.A.C./S-21”), that parcel is subject to special requirements as set out under Section 32.

Where any parcel of land shown on a Zoning Map is marked with a symbol followed by the suffix “FP” (e.g. “R4-FP”), that parcel is susceptible to flooding and/or erosion, and the Hamilton Region Conservation Authority should be contacted before any development or redevelopment is undertaken.

GENERAL INTERPRETATION

4.6 GENERAL INTERPRETATION

In their interpretation and application, the provisions of this By-law shall be held to be the minimum requirements adopted for the promotion of the public health, safety, convenience or general welfare. Whenever the requirements of this By-law are at variance with the requirements of any other By-law, the most restrictive or that imposing the higher standards shall govern and apply.

ZONE BOUNDARIES

4.7 ZONE BOUNDARIES

Where uncertainty arises concerning the location of the boundary of any zone as shown on a Zoning Map, the location shall be determined by applying the following rules:

---

\(^1\) By-law No. 4066-93 February 15, 1993
4.7.1 HIGHWAY OR OTHER PUBLIC THOROUGHFARE

A boundary shown as approximately following a public thoroughfare shall be considered to follow the centre line of such public thoroughfare.

4.7.2 NATURAL FEATURES

A boundary shown as approximately following a watercourse, creek or stream shall be considered to follow the centre line of such natural feature.

4.7.3 SHORELINES

A boundary shown as approximately following a shoreline shall be considered to follow such shoreline and, in the event of change in the shoreline, the boundary line shall be considered to move with the actual shoreline.

4.7.4 LOT LINES

A boundary shown as approximately following a lot line shall be considered to follow such lot line.

4.7.5 CORPORATE LIMITS OF THE TOWN OF DUNDAS

A boundary shown as approximately following the corporate limits of the Town of Dundas shall be considered to follow the corporate limits of the Town of Dundas.

4.7.6 PARALLEL LINES

Where a boundary is shown as being parallel to, or as an extension of, any feature or line referred to in clauses 4.7.1 to 4.7.5 inclusive, it shall be so construed.

4.8 CLOSURES

Where a dedicated street or lane shown on a Zoning Map is closed, the land formerly in such street or lane shall be included within the zone within which the property adjoining either side of such closed street or lane is contained.

Where a closed street or lane was the boundary between two or more different zones, the new zone boundaries shall be the former centre line of such closed street or lane.

4.9 ESTABLISHMENT OF HOLDING ZONES1

Pursuant to Section 36 of the Planning Act, 1990, Holding Zones are hereby established by the use of the symbol *(H)* as a suffix to the zone symbols in Subsection 4.2. Land subject to the symbol *(H)* shall not be used, nor any building or structure used, altered or erected except in accordance with the provisions of the Zone applied thereon and until the *(H)* is removed by amendment to the By-law as provided for in Subsection 36(1) of The Planning Act.

ADMINISTRATION,
ENFORCEMENT
AND PENALTIES
Administration, Enforcement and Penalties

Section 5: Administration, Enforcement and Penalties

Administration 5.1

This By-law shall be administered by the City's Director, Planning Division, Chief Planner.

Certificate of Occupancy 5.2

No change may be made in the type of use of any land or of any building or structure without a Certificate of Occupancy. But no such certificate shall be refused if the proposed use is not prohibited by the By-law.

Inspection of Premises 5.3

The Zoning Administrator, or any official or employee of the Town acting under his direction, is hereby authorized to enter, at all reasonable hours and upon producing proper identification, any property or premises in or about which there is reason to believe that the provisions of this By-law are not being complied with, and for the purposes of carrying out his duties under this By-law.

Licences, Permits and Other By-laws 5.4

i) Nothing in this By-law shall exempt any person from complying with the requirements of the Building By-law or any other By-law in force within the Town, or from any requirement to obtain any licence, permit, authority or approval required by this or any other By-law of the Town unless hereinafter specifically stated.

ii) No permit for the use of land or for the erection, alteration or use of any building or structure and no Certificate of Occupancy or approval of application for any municipal licence within the jurisdiction of the Council shall be issued or given where the proposed building, structure or use is in violation of any provision of this By-law.

Remedies 5.5

Where any building or structure is to be erected or altered, or any building or structure or part thereof is used or any land is to be used in contravention of any requirement of this By-law, such contravention may be restrained at the instance of any ratepayer or of the Town pursuant to the provisions of The Municipal Act in that behalf.
5.6 **VALIDITY**

If any section, subsection, clause or provision of this By-law, including anything contained in a Zoning Map, is declared to be invalid by a court of competent jurisdiction, such declaration shall not affect the validity of the remainder of this By-law.

5.7 **VIOLATIONS AND PENALTIES**

Every person who contravenes any provision of this By-law or causes or permits a violation is liable, upon conviction, to a fine not exceeding $2,000.00 (Two Thousand Dollars), exclusive of costs, recoverable under The Summary Convictions Act.

5.8 **ZONING VERIFICATION CERTIFICATES**

Any person may apply to the Zoning Administrator for a Zoning Verification Certificate, and every such certificate shall show the zoning designation of the land in question, and whether or not the use or proposed use is permitted in the zone in which the land is situated, pursuant to the provisions of the Zoning By-law; and every such certificate shall also show that it is not a certificate that any building or structure on the land complies with the provisions of the building and health by-laws for the purpose for which it is used or proposed to be used, or that a licence will be granted for such use.
GENERAL REGULATIONS
SECTION 6: GENERAL REGULATIONS

APPLICATION OF BY-LAW

6.1.1 SCOPE AND EFFECT

No person shall use any land or erect, alter or use any building or structure except in conformity with the provisions of this By-law, and subsequent amendments thereto.

6.1.2 PRIOR EXISTING BUILDINGS AND STRUCTURES

Excluding permitted uses, any existing building or structure that was lawfully erected prior to the date of passing of this By-law, and which does not satisfy the specific regulations of the applicable zone hereof, shall be deemed legal conforming.

6.1.3 RESTRICTIONS ON CHANGES

i) The purpose for which any land or building is used shall not be changed, no new building or addition to any existing building shall be erected and no land shall be severed from a lot, if such change, erection or severance creates a situation that contravenes any of the provisions of this By-law applicable to each individual remaining building, accessory building or lot.

ii) Notwithstanding the provision of subclause (i) of this clause, no person shall be deemed to have contravened any provisions of this By-law if only a part or parts of any lot or parcel has or have been conveyed to or acquired by the Town of Dundas, the Regional Municipality of Hamilton-Wentworth, Her Majesty in the Right of Ontario, or Her Majesty in the Right of Canada.

ACCESSORY BUILDINGS

6.2 USES PERMITTED

Where this By-law provides that a lot may be used or a building or structure may be erected for an accessory purpose, that purpose shall not include the following:

i) the use of any accessory building for a home occupation; or

ii) the use of any accessory building for human habitation, except as is specifically permitted in this By-law.
6.2.2 PRIOR TO ERECTION OF PRINCIPAL BUILDINGS

No accessory building shall be erected prior to the erection of the principal building on the same lot, except where it is necessary for the storage of tools and materials for use in connection with the construction of the principal building or structure, and no such accessory building shall, prior to the erection of the principal building, be used for any purpose other than such storage.

6.2.3 PART OF PRINCIPAL BUILDING

Where an accessory building is attached to a principal building by a roof or an open or enclosed structure, it shall be considered to be part of the principal building.

For the purposes of Section 6.2.3, roof shall be defined as “the entire construction used to close in the top of the building.”

6.3 BASEMENT OR CELLAR 1, 2

Dwelling units located in a basement or cellar must be in accordance with the requirements of the Ontario Building Code and all other relevant municipal standards and regulations.

6.4 BUILDING IN BUILT-UP AREAS

Notwithstanding any other provision of this By-law, where a building or structure is to be erected on an interior lot between two existing buildings or structures located not more than 30.0 metres from the proposed building or structure, such building or structure may be erected closer to the front lot line than required by the zone in which the lot is situated, provided that:

i) the minimum front yard shall be equal to the average depth of the two adjoining front yards; and

ii) the reduction of the minimum front yard as permitted by this provision shall not exceed thirty per cent (30%) of the depth ordinarily required by the zone provisions in which the lot is situate.

2 By-law No. 15-068 March 11, 2015
DISCREPANCIES 6.5 DISCREPANCIES

In the event that there is a discrepancy between a regulation in the “General Regulations” and any other section of this By-law, the more restrictive regulation shall apply unless specifically provided otherwise.

ENCROACHMENT 6.6 ENCROACHMENT INTO YARDS

Every part of a required yard shall be unobstructed from its lowest level upwards, except for:

6.6.1 BALCONIES

A bay, balcony or dormer may project:

i) into a required front yard not more than 1.0 metres provided that no such projection shall be closer to a street line than 1.5 metres;

ii) into a required rear yard not more than 1.5 metres; or

iii) into a required side yard not more than one-third of its width, or 1.5 metres, whichever is the lesser.

6.6.2 CANOPIES

A canopy, cornice, eave, or gutter may project:

i) into a required front yard not more than 1.5 metres provided that no such projection shall be closer to a street line than 1.5 metres;

ii) into a required rear yard not more than 1.5 metres; or

iii) into a required side yard not more than one-half of its width, or 1.0 metres, whichever is lesser.

6.6.3 CHIMNEYS

A chimney, sill, leader, pilaster, lintel or ornamental projection may project:

i) into a required side yard not more than 0.5 metres; and

ii) into any other required yard not more than 1.0 metres.

6.6.4 FIRE ESCAPES

An open fire escape or open stairway may project:

i) into a required rear yard not more than 1.5 metres; or

ii) into a required side yard not more than one-third of its width, or 1.5 metres, whichever is the lesser.
6.6.5 FUEL TANKS

A fuel tank for fuel for the heating of a building or buildings on the premises may project into a required side yard or rear yard, but shall not project to a distance of more than one-third of the required width of any such side yard or one-third of the required depth of any such rear yard, or to a distance of more than 1.0 metres, whichever is the lesser distance.

6.6.6 RAMPS

A ramp for use by physically disabled persons may project into a required yard.

6.6.7 REFACING EXISTING BUILDINGS

An existing building may encroach or further encroach into a required yard up to a maximum of 0.15 metres in order to provide for the refacing of such building.

6.6.8 UNCOVERED PORCHES

A terrace, uncovered porch, platform or ornamental feature which does not extend more than 1.0 metres above the floor level of the first storey may project into a required yard if distant at least 0.5 metres from the nearest side lot line, at least 1.5 metres from the flankage side lot line and at least 4.0 metres from the nearest street line.

6.6.9 UNENCLOSED PORCHES

A roofed-over or screened but otherwise unenclosed one-storey porch at the first storey level, including eaves and gutters, may project into a required front yard or rear yard to a distance of not more than 3.0 metres, and every such projecting porch shall be distant at least 4.0 metres from the front lot line, and the enclosure of such a porch to the following extent shall not be deemed enclosure for the purposes of this section:

i) the porch may have a solid guard around the perimeter of the porch not more than 1.0 metres in height measured from the floor of the porch;

ii) the roof may be supported on columns or piers having a maximum width of 0.5 metres;

iii) the beam, lintel or crown or an arch shall be no more than 0.3 metres in depth; and

iv) the minimum distance between piers or columns shall be 1.0 metres and, in the case of arches, the arches shall have a minimum clear width of 1.0 metres.
6.6.10 MECHANICAL AND UNITARY EQUIPMENT

Air conditioners and pumps (including heat pumps and swimming pool pumps) and other similar mechanical equipment shall be located only in accordance with the following regulations:

a) Within a required front yard, provided such equipment shall have a minimum setback of 3.0 metres from the street line, a minimum setback of 0.6 metres from a side lot line and is screened from the street by an enclosure or landscaping; and,

b) Within a required side yard or required rear yard provided such equipment has a minimum setback of 0.6 metres from the side lot line or rear lot line.

EXISTING LOTS

Where a lot in a residential zone, except a lot in the RU/S-58 EXCEPTION ZONE, having a lesser frontage or area, or a lot having a lesser frontage and area, than is required by this By-law is held under distinct and separate ownership from any adjoining lot on the date of the passing of this By-law according to the register for lands in the Registry Office, a single-detached dwelling may be erected and used on such smaller lot provided that the dwelling conforms with all other requirements of this By-law.

FENCES

Fences, freestanding walls or similar structures are permitted subject to the following height requirements:

i) Industrial Zones Maximum 2.5 metres except in the front yards where the maximum shall be 0.75 metres.

ii) Public Utilities Zone Maximum 2.5 metres.

iii) Other Zones Maximum 1.9 metres, except for front yards where the maximum shall be 0.75 metres.

Barbed wire shall not be permitted except where required by the Ontario Electrical Safety Code. Barbed wire shall be included in the height of the fence.

2 By-law No. 4066-93 February 15, 1993
3 By-law No. 4525-99 December 6, 1999
FRONT YARDS ADJOINING A RESIDENTIAL ZONE

Any non-residentially zoned lot which adjoins a residential zone with the same street frontage shall provide a minimum front yard equivalent to the required front yard for the adjoining residential zone.

For the purposes of this subsection, any yard on a corner lot which fronts upon a street and adjoins a residential zone shall be deemed a front yard.

HEIGHT EXCEPTIONS

The height provisions of this By-law shall not apply to the following uses:

i) Architectural design elements such as a spire, dome, cupola, minaret ornamental figure. Skylight, tower including clock tower and belfry shall be limited in height to 10.5 metres above the actual building height and to a maximum of 10% coverage in total of the roof area.

ii) A communications transmitting and receiving antenna, tower or mast and flagpole, light pole or similar, silo, windmill or other farm building are also limited to 10.5 metres from grade. A spire is a tapering tower including a steeple and khanda. A dome is a rounded vaulted roof and does not include an inflatable dome. A cupola is a decorative structure on a roof. A minaret is a turret used for calling prayer. A belfry is a bell tower.

LANDSCAPE REQUIREMENTS

LANDSCAPING ALONG STREET LINES

When a lot is used for a non-residential use, there shall be provided and maintained on the lot, except for the area occupied by an access driveway or walkway, a landscaped area having a minimum depth of 3.0 metres directly abutting any street line.

BUFFER STRIP

LOCATION

When a lot is used for a non-residential use, and when the side or rear lot line abuts an RU/S-58, R1, R2, R3, R4, RM1, RM2, RM3 or RM4 Zone, then a buffer strip abutting the lot line shall be provided in accordance with the provisions of subclauses 6.11.2.2 and 6.11.2.3, except where such side or rear lot line abuts a street line.

WIDTH OF BUFFER STRIP

Minimum 3.0 metres

USE

The buffer strip shall be used to provide a visual screen in accordance with the provisions of the City of Hamilton Fence By-law No. 10-142.3

1 By-law No. 4574-00 November 6, 2000
2 By-law No. 4066-93 February 15, 1993
3 By-law No. 15-068 March 11, 2015
6.11.3 LANDSCAPING IN RESIDENTIAL FRONT YARDS
Front yards of residential buildings shall have a minimum of 50% landscaped area.\(^1\)

LIGHTING AND ILLUMINATION OF LOTS

6.12 All lighting facilities located in any zone shall be so installed and maintained as to ensure that the lighting or illumination is directed onto the lot upon which such lighting or illumination is located and is deflected away from any adjacent use or public thoroughfare.

MULTIPLE USES

6.13 Except as specifically permitted otherwise in this By-law, where two or more permitted uses are located or are to be located in one building or on one lot, all provisions of this By-law relating to each use shall be complied with.

MULTIPLE ZONING

6.14 Where a lot is divided into more than one zone, each such portion of the lot shall be used in accordance with the provisions of this By-law for the applicable zones.

NON-CONFORMING USES

6.15 The provisions of this By-law shall not apply:

i) To prevent the use of any land, building or structure for any purpose prohibited by this By-law if such land, building or structure was lawfully used for such purpose on the day of the passing of this By-law, so long as it continues to be used for that purpose; or

ii) To prevent the erection or use for a purpose prohibited by this By-law of any building or structure for which a permit has been issued under Section 5 of the Building Code Act, prior to the day of the passing of this By-law, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the permit has not been revoked under Section 6 of the Building Code Act.

6.15.2 RESTORATION TO A SAFE CONDITION

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof provided that the strengthening or restoration does not increase the building height, area of building or change the use of the building.
6.15.3 **RESTORATION OF DAMAGED BUILDING OR STRUCTURE**

i) Except as set out in subclause ii) of this clause, where a building or structure that does not conform to the provisions of this By-law is damaged by fire or otherwise to an extent of fifty percent (50%) of its assessed value, as at the date of occurrence of the damage, it shall not be restored except in accordance with the provisions and regulations for the zone in which such building or structure is located.

ii) Nothing in this By-law shall prevent the reconstruction or replacement of a single-detached dwelling which does not comply with all the regulations of this By-law applicable to the RU/S-58 EXCEPTION ZONE, which is totally or partially destroyed by fire, accident or natural disaster, or demolished by order of any government authority, provided the building or structure is reconstructed on its original site and the floor area and dimensions are not increased and approval is obtained from the agency having jurisdiction for approval of on-site private sewage disposal systems pursuant to the applicable legislation.

---

ONE DWELLING PER LOT

6.16 **ONE DWELLING PER LOT**

Except where specifically permitted, no person shall erect or use for residential purposes any building upon any lot in any zone on which lot there then exists, or is in the course of construction, a building erected or used for residential purposes in whole or in part.

---

SWIMMING POOLS

6.17 **SWIMMING POOLS**

6.17.1 **ABOVE GROUND**

An above ground swimming pool installed:

i) in a rear yard shall be set back a minimum of 1.2 metres from the nearest lot line;

ii) in a front yard or side yard shall comply with the minimum yard requirements for the principal building located on such lot;

iii) in the rear yard of a corner lot shall be set back from the street line not less than the depth of the required front yard for a dwelling on the adjacent property.

---

1 By-law No. 4066-93  February 15, 1993
6.17.2 **INGROUND**

An inground swimming pool installed:

i) in a rear yard shall be set back a minimum of 1.0 metres from the nearest lot line;

ii) in a front yard or side yard shall comply with the minimum yard requirements for the principal building located on such lot;

iii) in the rear yard of a corner lot shall be set back from the street line a minimum distance equal to the required side yard for the principal building located on such lot.

6.17.3 **LOT COVERAGE**

Except for inground pools, not more than 50% of the area of the rear yard shall be used for an above ground swimming pool or combined accessory building coverage.

6.17.4 **ACCESSORY BUILDINGS AND STRUCTURES**

Any building or structure required for changing clothing or for pumping or filtering facilities, or other such similar accessory uses, shall comply with the provisions of this By-law respecting accessory buildings and structures on such lot.

**THROUGH LOTS**

6.18 **THROUGH LOTS**

The front yard regulation contained herein shall apply on each street in accordance with the provisions of the zone or zones in which such lot is located.

**USES PERMITTED IN ALL ZONES**

6.19 **USES PERMITTED IN ALL ZONES**

Except for parking requirements, and except as otherwise specifically provided or limited, the provisions of this By-law shall not apply to:

6.19.1 **FLOOD CONTROL**

All works and facilities necessary in connection with flood control, the prevention of erosion, the protection of wildlife, forestry and any other similar activities related to conservation as undertaken by a Public Authority.

6.19.2 **HOME OCCUPATIONS**
6.19.3 MODEL HOMES\(^1\) (DELETED BY-LAW NO. 03-163)

6.19.3a MODEL HOMES IN DRAFT PLANS OF SUBDIVISION\(^2\)

Notwithstanding any other provisions of this By-Law, where a subdivision agreement has been executed (signed) by the owner, more than one model home may be constructed on a lot prior to registration of the plan of subdivision or on a lot or block within a registered plan of subdivision subject to the following restrictions:

i) the use shall be permitted in the zone in which the dwelling is to be located;

ii) the dwelling unit shall be used for the purpose of a model home only and shall not be occupied as a dwelling unit prior to the date of the registration of the subdivision plan;

iii) the maximum number of model homes shall not exceed 10% of the total number of lots intended for single detached dwellings, semi-detached dwellings or townhouse dwelling unit purposes within the draft approved plan of subdivision or registered plan of subdivision, to a maximum of 20 dwelling units;

iv) the model home shall comply with all other provisions of this by-law, as though the dwellings and/or units were constructed on the lot within the registered plan of subdivision; and

v) the model home shall comply with all applicable terms and conditions of the said subdivision agreement.

6.19.4 PARKS AND PUBLIC THOROUGHFARES

The use of any land as a public park or public thoroughfare.

6.19.5 PUBLIC UTILITIES

The use of any land for the erection of buildings or structures, or the installation of other facilities essential to the operation of public utilities as defined in SECTION 3 of this By-law, provided:

i) that any such use, building or structure except for electric power facilities shall be in substantial compliance with the relevant provisions of this By-law;

ii) that any such use, building or structure shall not adversely affect the character or amenity of the neighbourhood in which same is located;

iii) that, in a Residential Zone, each side yard shall not be less than 10 per cent of the lot width or 3.0 metres, whichever is the greater; and

---

\(^1\) By-law No. 4135-94 February 7, 1994

\(^2\) By-Law No. 03-163 June 25, 2003
iv) that, where the height of any such building or structure in a Residential Zone exceeds the maximum height provision for that zone, the minimum dimensions for required front and side yards shall be increased by 0.3 metres for every 1.0 metres or portion thereof by which the height of the building exceeds the maximum height provision for the zone.

6.19.6 MEMORIALS OR ORNAMENTAL STRUCTURES

A statue, monument, cenotaph, fountain, or other such memorial or ornamental structure.

6.19.7 USES INCIDENTAL TO CONSTRUCTION

i) A construction camp or other such temporary work camp for so long as the same is necessary for work in progress which has neither been finished nor abandoned.

ii) A tool shed, scaffold, or other building or structure incidental to construction on the premises, for as long as the same is necessary for work in progress which has neither been finished nor abandoned.

“Abandoned” in this subsection means the failure to proceed expeditiously with the construction work.

6.19.8 ROADSIDE STANDS

A temporary roadside stand used for the display and sale of seasonable products from the agricultural land on which it is situate, including one sign for advertising such products, subject to the following regulations:

i) Minimum lot area: 12,000.0 square metres

ii) Maximum stand area: 19.0 square metres

iii) Maximum stand height: 4.0 metres

iv) Minimum setback from any street: 7.5 metres

v) Maximum sign area: 1.2 square metres

6.19.9 LODGERS

The accommodation of a maximum of three lodgers per dwelling unit, except as specifically permitted elsewhere in this By-law, provided that access to lodging rooms shall be from within the dwelling unit.
6.20 USES PROHIBITED IN ALL ZONES

The following uses are prohibited:

i) GENERAL PROHIBITION

All uses of land and the erection or use of any building or structure for a purpose not permitted under the “PERMITTED USES” subsection of one or more zones established by this By-law are prohibited in each such zone, except for those uses of land and the erection or use of any building or structure for a purpose expressly permitted under the applicable provisions of Section 6 hereof.

ii) TENTS OR TRAILERS

The use of tents or trailers for human habitation, or for business or other purposes, is prohibited; provided, however, that this provision shall not prevent the use of tents for children's play or for picnics.

iii) OFFENSIVE USES

No use shall be permitted which, from its nature or the materials used therein, is declared under The Public Health Act, R.S.O. 1980, Chapter 409, or successor thereto, to be an offensive trade, business or manufacture.

iv) HAZARD LANDS

No building or structure shall be erected or used on lands that have inherent environmental hazards such as flood susceptibility, poor drainage, marshy or swamp conditions, erosion and unstable soils unless such hazard can be overcome to the satisfaction of Council and the appropriate Conservation Authority.

v) HAZARDOUS USES

No land, building or structure shall be used for any of the following commercial or industrial purposes: the storage of, or the use in manufacturing of, celluloid, cellulose, pyroxylin, ammonia, acid, coal oil, rock oil, fuel oil, burning fluid, naphtha, benzol, benzine, gasoline, dynamite, dualin, nitroglycerine, acetylene gas, fireworks, gun powder, petroleum, propane gas, or other similar combustible or inflammable or dangerous liquid, gas or material, except as otherwise specifically permitted in this By-law.

6.21 VISIBILITY TRIANGLE

Notwithstanding any other provision contained in this By-law, no finished lot grade, wall, fence, hedge, shrub, tree or other object or structure shall exceed the elevation of the adjacent street by more than 0.75 metres within the area defined as a visibility triangle on a corner lot.
DIVISION OF SEMI-DETACHED LOTS

6.22 DIVISION OF SEMI-DETACHED LOTS

Notwithstanding any other provisions in this By-law, the division of any lot on which is erected a semi-detached dwelling into not more than two parts for the purpose of creating two separate lots for each dwelling unit shall be permitted provided:

i) that such dwelling was erected prior to the date of passing of this By-law, the said lot shall be divided as equally as practicable;

ii) that such dwelling was erected on or after the date of passing of this By-law, the said lot shall be divided into two parts and if located in a R3 or R4 Zone, each of two such parts shall have a minimum frontage of 10.5 metres and a minimum area of 315 square metres; and,

iii) that a portion of the lot line between the said two parts shall be the centre line of the common or party wall separating the two dwelling units.

PHASED REGISTRATION OF CONDOMINIUMS

6.23 PHASED REGISTRATION OF CONDOMINIUMS

Where a comprehensive Condominium Plan of Subdivision has received Draft Plan Approval as well as Site Plan Approval and where registration of the Plan is intended to occur in phases and/or stages, the draft approved plan of condominium shall be deemed to be one lot for the purposes of applying zoning provisions. Zoning regulations shall apply only to the external limits of the Plan, prior to the registration of any phase, not to interior boundaries resulting from the registration of any phase.

REGULATIONS FOR CONSOLIDATED LOT DEVELOPMENT

6.24 REGULATIONS FOR CONSOLIDATED LOT DEVELOPMENT

Where two or more abutting lots under one identical ownership are consolidated for the purpose of development, the internal lot lines of the original lots shall not be construed to be lot lines for the purposes of any zoning regulations provided that all applicable regulations of this By-Law relative to the consolidated lot development and its external lot lines are complied with.

Adequate Services

6.25 ADEQUATE SERVICES

Except for Section 6.19.3a - Model Homes in Draft Plans of Subdivision, no buildings or structures may be erected, used or occupied unless:

i) adequate watermains, storm and sanitary sewer systems are existing or have been provided for in a binding and secured development agreement and all regulatory approvals have been received to the satisfaction of the General Manager of the Planning and Economic Development Department and/or his or her designate; or

---

1 By-law No. 02-209 July 10, 2002
2 By-law No. 05-238, August 10, 2005
3 By-law No. 06-038, March 1, 2006
ii) where such services are not required or contemplated, an approved waste disposal system and potable water supply to sustain the use of land for buildings or structures are existing or have been provided for to the satisfaction of the Chief Building Official and all regulatory approvals have been received to the satisfaction of the General Manager of the Planning and Economic Development Department and/or his or her designate; and

iii) the dedication of lands for parkland or payment of cash-in-lieu of parkland in accordance with the City of Hamilton Parkland Dedication and Cash-in-lieu of Parkland Policy has been received to the satisfaction of the General Manager of the Planning and Economic Development Department and/or his or her designate.

OUTDOOR COMMERCIAL PATIOS

6.26

Notwithstanding any provisions of this By-law, every Outdoor Commercial Patio, inclusive of all outdoor areas and portions of the patio that cross property lines such as road allowances, shall comply with the following:

a) Design Requirements

Outdoor Commercial Patios shall be designed and used to accommodate seating of customers

b) Seating Capacity Requirements

An Outdoor Commercial Patio shall be limited to a seated capacity of a minimum of 1.10 square metres of patio area per person.

c) Location Requirements:

i) Except as provided in Subsection b) (ii) below, no Outdoor Commercial Patio shall be permitted on a lot where any lot line abuts a Residential Zone or where such lot is separated from a Residential Zone by a laneway; and,

ii) Where only the rear lot line abuts a Residential Zone or the lot is separated from the Residential Zone by a laneway, an Outdoor Commercial Patio shall only be permitted in the front yard.

d) Prohibition of Commercial Entertainment and Recreation:

That portion of a lot on which the Outdoor Commercial Patio is permitted shall not be used for commercial entertainment or commercial recreation including live or recorded music or dance facilities.

REGULATIONS FOR AN URBAN FARM

6.27

(a) Every urban farm, as a principle use, shall comply with the following:

j) Where a Secondary Dwelling Unit – Detached is located in an Interior Side Yard,

i) A minimum distance of 4.0 metres shall be provided between the principal dwelling and a Secondary Dwelling Unit – Detached; and,
ii) A Secondary Dwelling Unit – Detached shall be set back a minimum 5.0 metres from the front façade of the principal dwelling.

k) The maximum lot coverage of all Accessory Buildings and Secondary Dwelling Unit - detached shall be 25% of the total lot area.

l) An unobstructed path with a minimum 1.0 metre width and minimum 2.1 metres clearance from a Front Lot Line or a Flankage Lot Line to the entrance of the Secondary Dwelling Unit – Detached shall be provided and maintained.

m) Balconies and rooftop patios are prohibited above the first storey.

n) Each of the landscaped areas in Subsection 6.31xxiii) shall be screened on two sides by a visual barrier that has a minimum height of 0.3 metres.
OFF-STREET PARKING AND LOADING
SECTION 7: OFF-STREET PARKING AND LOADING

LOCATION 7.1 Where a parking space or a loading space is required to be provided pursuant to this By-law, it shall be located on the same lot as the building or use in respect of which it is required. No such required parking or loading space shall be located in a required front yard, except for the access driveway leading to the required parking space.

7.1.2 Parking spaces shall not be located in the front yard of an apartment building development site.

MANOEUVRING SPACE 7.2 All required parking spaces and loading spaces shall be designed and located such that all vehicles using such spaces can be parked and manoeuvred entirely within the bounds of the parking areas within which such spaces are located, and without moving any other vehicle within such parking area.

7.2.2 All manoeuvring space shall be maintained free and clear of all obstructions to permit unobstructed access to and egress from required parking spaces.

ACCESS 7.3 All required parking space and manoeuvring space shall have access by means of:

i) one or more access driveways located on the lot; or

ii) one or more access driveways located partly on the lot in the case of a mutual driveway; or

iii) a legally established right-of-way.

7.3.2 Every parking area for a use where:

i) there are five or less parking spaces shall have not less than one access driveway or one mutual driveway, having a width of at least 2.8 metres;
ii) there are more than five parking spaces shall have:

(a) not less than one access driveway or mutual access driveway, having a width of at least 5.5 metres; or

(b) a separate ingress driveway and a separate egress driveway, each having a width of at least 3.0 metres and each operated in a one way but opposite direction to each other and so designed that vehicles shall not back out onto an adjoining public thoroughfare.

7.3.3 Where a townhouse dwelling, maisonette dwelling or apartment building is adjacent to a residential zone that does not permit such uses, every access driveway to the townhouse dwelling, maisonette dwelling or apartment building shall be located not less than 3.0 metres from the common boundary between the zone in which the townhouse dwelling, maisonette dwelling or apartment building is located and the zone that does not permit such uses.

7.3.4 Where a non-residential use is adjacent to a residential zone, every access driveway to or from the non-residential use shall be located not less than 3.0 metres from the common boundary with the residential zone.

7.3.5 No land in any residential zone shall be used for the purpose of vehicular access to or from any land in a commercial zone, an industrial zone, or a special use zone.

7.3.6 No land in a residential zone in which a townhouse dwelling, maisonette dwelling, or apartment building is not permitted shall be used for the purpose of vehicular access to or from any land used for a townhouse dwelling, maisonette dwelling or apartment building.

7.4 ABUTTING A RESIDENTIAL ZONE

7.4.1 The boundary of every parking area containing five or more parking spaces, or a loading space located on the surface of a lot adjoining any residential zone, shall be located not less than 1.5 metres from the residential zoning boundary.

7.4.2 For every parking area or loading space referred to in clause 7.4.1, there shall be provided and maintained:

i) between the boundary of the parking area or loading space and the adjacent residential zone, a buffer strip; and

ii) a visual barrier along the boundary of the lot abutting the residential zone, not less than 1.2 metres in height nor greater
than 1.8 metres in height, that minimizes glare of headlights from the parking area or loading space passing through to the adjoining residential zone.

7.4.3 Notwithstanding clauses 7.4.1 and 7.4.2, for every parking area for a “rooming, boarding and lodging house”\(^1\) and “Retirement Home” not enclosed within a building, and located in a rear or side yard adjoining any residentially zoned lot, there shall be provided and maintained:

i) between the boundary of the parking area and the adjoining residentially zoned lot, a minimum 1.5 m wide buffer strip; and

ii) a visual barrier parallel to the parking area, not less than 1.2 m in height nor greater than 1.8 m in height.

7.4.4 The boundary of every parking area containing five or more parking spaces or a loading space within 3.0 metres of a residential zone shall be located not closer to the street line than the minimum depth of the front yard required to be provided in the adjoining residential zone.

7.5 VISITOR PARKING

7.5.1 Each required visitor parking space shall:

i) be maintained for the exclusive use of visitors; and

ii) have a sign appurtenant thereto legibly marked that the parking space is for the exclusive use of visitors; and

iii) be maintained readily accessible to visitors and free and clear of all obstructions.

7.6 LOADING SPACES

7.6.1 Where loading spaces are required to be provided and maintained, the loading spaces shall be provided and maintained in addition to manoeuvring space.

7.6.2 All loading space shall be provided and maintained to permit commercial motor vehicles to move readily and without hindrance between the loading space and an access driveway.

7.6.3 No part of a loading space shall be located closer than 7.5 metres to a public thoroughfare.

\(^1\) By-law No. 4091-93 June 21, 1993
7.7 **MIXED USE DEVELOPMENT**

7.7.1 Except as provided in clauses 7.7.2 and 7.7.3 of this subsection, where more than one use is made of land, or a building or structure, there shall be provided and maintained a total of:

i) parking spaces equal to the aggregate number of parking spaces required to be provided for each use;

ii) loading spaces equal to the aggregate number of loading spaces required to be provided for each use.

7.7.2 Where more than one use is made of a building constructed as a shopping centre, there shall be provided and maintained a total number of parking spaces not less than the number of parking spaces calculated on the total floor area of the shopping centre, without deduction of any amount for each individual use.

7.7.3 Where a building or structure is comprised of a joint residential use and a commercial use:

i) the aggregate of the required residential and commercial parking spaces may be reduced by not more than 20 per cent of either the required residential parking spaces or the required commercial parking spaces, whichever is the lesser, only if:

(a) the number of parking spaces equal to the amount of the reduction are accessible to both the residential and commercial uses at all times; and

(b) not less than 80 per cent of the parking spaces accessory to the residential uses are fully and completely separated from parking spaces accessory to the commercial uses; and

ii) the number of the required loading spaces for the commercial uses may be reduced by 50 per cent of the required number of loading spaces for the residential uses.

7.8 **ENCROACHMENT INTO YARDS**

7.8.1 No building or structure used for parking purposes, appurtenant to commercial, public, institutional or industrial uses or to townhouse dwellings, maisonette dwellings or apartment buildings, shall project into a required yard except where the building or structure:

i) is not above ground elevation of the adjoining land, where the yard or any part thereof does not abut a public thoroughfare; and
ii) is not above curb level, where the yard or any part thereof adjoins a public thoroughfare.

7.8.2 Where a building or structure used for parking purposes projects above grade, the yard requirements of the zone in which the building or structure is located shall apply.

7.9 SURFACING AND MARKING

7.9.1 Except as provided in clause 7.9.2, a permanent, durable and dustless surface that is graded, drained and paved with concrete, asphalt or other similar material, or any combination thereof shall be provided and maintained for every parking area, loading space, manoeuvring space and access driveway, unless an alternative type of surface material, such as an environmentally friendly permeable surface, is required as part of a Site Plan approved by Council under the relevant provisions of the Planning Act.1

7.9.2 A gravel or similar surface or suitable paving shall be provided and maintained for every parking space and access driveway accessory to a single-detached dwelling, a duplex dwelling, a semi-detached dwelling and street townhouse dwellings, each having separate access driveways.

7.9.3 Where a parking area contains five or more parking spaces, there shall be provided and maintained:

i) markings on the surface of the parking area delineating the separate parking spaces; and

ii) bumpers or wheel barriers to prevent physical encroachment of vehicles beyond the parking area, except at the entrances thereto and exits therefrom.

7.10 VEHICLES PROHIBITED IN RESIDENTIAL ZONES

The following vehicles shall not be parked in a residential zone:

i) A vehicle for which the permit fee under The Highway Traffic Act is based on the weight of the vehicle and load in excess of 4.0 tonnes; or

ii) A vehicle which exceeds 6.5 metres in length; or

iii) A vehicle which is equipped with dual rear wheels or tandem axles; or

iv) A vehicle which is a tow truck; or

v) A vehicle which is a bus.

LIMITED SERVICE
INDUSTRIAL ZONE (I.LS)
SECTION 23: LIMITED SERVICE INDUSTRIAL ZONE (I.LS)

PURPOSE

The purpose of this zone is to limit development to existing uses until such time as further planning studies have been conducted to determine the future use of the lands so designated.

PERMITTED USES

23.1 PERMITTED USES

23.1.1 EXISTING USES, BUILDINGS AND STRUCTURES
USES PERMITTED
IN INDUSTRIAL ZONES
SECTION 24: USES PERMITTED IN INDUSTRIAL ZONES

EXPLANATORY NOTE

The list of permitted uses as set out under the first column of the following table has been derived from the STANDARD INDUSTRIAL CLASSIFICATION (S.I.C) 1980. Any use thus defined represents a level of organization by type of specialization as recorded in the S.I.C.

An asterisk (*) appearing under a zone column (e.g. LIGHT INDUSTRIAL ZONE (I.L)) means that any uses included under the corresponding S.I.C classification are permitted within the zone.

SPECIAL POLICY AREA ONE - NIAGARA ESCARPMENT COMMISSION DEVELOPMENT CONTROL ZONE (SP1)
SECTION 30: SPECIAL POLICY AREA ONE - NIAGARA ESCRARPMENT COMMISSION DEVELOPMENT CONTROL ZONE (SP1)

PURPOSE

The purpose of this zone is to define that area within the Town of Dundas which is subject to the Development Control Regulations of the Niagara Escarpment Commission.

DEFINED AREA

30.1 DEFINED AREA

The area designated Special Policy Area One (SP1) on Schedules “N” and “S”, attached to and forming part of this By-law, comprises all lands within the corporate limits of the Town of Dundas which are subject to the Niagara Escarpment Commission Development Control Regulation pursuant to the Niagara Escarpment Planning and Development Act, 1973.

PERMITTED USES

30.2 PERMITTED USES

Notwithstanding any other provisions of this By-law, no development shall be permitted in an SP1 Zone unless a development permit for such development has first been issued by the Niagara Escarpment Commission or unless such development is of a class exempted therefrom pursuant to Ontario Regulation 453/75, as amended.
SPECIAL POLICY AREA
TWO - PARKWAY BELT
WEST PLAN ZONE (SP2)
SECTION 31: SPECIAL POLICY AREA TWO - PARKWAY BELT WEST PLAN ZONE (SP2)

PURPOSE

The purpose of this zone is to identify those areas within the Town of Dundas which are subject to development regulations pursuant to the provisions of the Parkway Belt West Plan, 1978.

DEFINED AREA

31.1 The area designated Special Policy Area Two (SP2) on Schedules "Q" and "R", attached to and forming part of this By-law, comprises all lands within the corporate limits of the Town of Dundas designated "Special Complementary Use Area" on Map 2, Escarpment Link, Parkway Belt West Plan, 1978.

PERMITTED USES

31.2 All uses and accessory buildings, structures and uses legally existing on the date of passing of this By-law.

31.2.2 No development shall be permitted in an SP2 Zone unless it conforms with the provisions respecting the “Special Complementary Use Area” as contained in the Parkway Belt West Plan, 1978.
