## HSR TRANSIT INFORMATION

The easiest way to obtain information about your bus stop is to memorize the four digit bus stop number and call Bus Check. If you need to speak to an Information Clerk, have the following information handy: where you are starting from, where you need to go and at what time you will be travelling. They can also answer questions about bus stop locations, detours, HSR policies or locate your closest HSR ticket/pass vendor.

Call Bus Check at 905.527.4441 today.

Did you know you can now plan your own HSR trips on-line? Connect to [www.hamilton.ca/hsr](http://www.hamilton.ca/hsr) and explore all the new features our website has. Use Bus Check or Bus Web to find out about schedules, fares and much more.

Christmas Service

During the period between Christmas Day and New Year's Day, the HSR usually operates on a modified schedule on selected days. Some routes do not operate at all. Check with our Information Clerks at 905.527.4441 or our website [www.hamilton.ca/hsr](http://www.hamilton.ca/hsr) for details at that time.

## TIPS FOR USING ALF

The term ALF refers to Accessible Low Floor. The ALF buses are designed to serve riders with "no steps entry/exit". Persons who have trouble climbing stairs or users of wheelchairs, scooters, wheeled/unwheeled walkers and other mobility devices will benefit.

What happens if the ALF bus is full or the two wheelchair spaces are already taken? - The driver will be unable to pick up additional customers in wheelchairs. Please wait for the next ALF bus on the route.

Does the ALF bus lower automatically and does the ramp work the same way? - The bus driver will lower the bus upon request and extend the ramp for passengers using wheelchairs, walkers, scooters, and other mobility devices.
