

## NOTICE OF COMPLETION

### Special Policy Area 'C' Transportation Improvements Class Environmental Assessment

#### THE STUDY

The City of Hamilton has completed the Class Environmental Assessment (EA) process to assess transportation needs for Special Policy Area 'C'. The study area includes lands in an area bounded by Winterberry Drive to the east, Paramount Drive to the south, the new Red Hill Valley/Mud Street interchange to the west, and the Lincoln Alexander Parkway-Mud Street West to the north, called Special Policy Area 'C'. This area is shown on the map below.

#### THE PROCESS

This study has been undertaken in accordance with the Municipal Engineers Association, ***Municipal Class Environmental Assessment*** document (June 2000) and will satisfy Phase 3 and 4 of the planning and design process. The study was presented at a public information centre held on October 12, 2006. No comments were received that cannot be addressed.

The Phase 1 and 2 requirements of the planning and design process for the ROPA 9 study area were fulfilled by the Rymal Road Planning Area Class EA Master Plan Report which was endorsed by Hamilton City Council on June 14, 2006 and was available to the public for review between June 16 to July 18, 2006.

This notice of completion is issued for the Schedule 'C' transportation improvements addressed in this Environmental Study Report, which include:

- widening and providing an urban cross section for the Stone Church Road from west of the RHVP ramps to Upper Mount Albion Road
- providing an urban cross section for Winterberry Drive between Paramount Drive and Mud Street
- localized intersection improvements, turn lanes, access, bike lanes etc. associated with the Special Policy Area 'C' transportation improvements

2. Arrange a meeting with the above if you have significant concerns that may require more detailed explanation.
3. If you raise major concerns, the City will attempt to negotiate a resolution of the issues. A mutually acceptable time period for this negotiation will be set. If the issues remain unresolved, you may request the Minister of the Environment, by order, to require the City to comply with Part II of the Environmental Assessment Act before proceeding with the Schedule C projects. This is called a Part II Order ("bump up"). The Minister may make one of the following decisions:

- Deny the request
- Refer the matter to mediation
- Require the City to comply with Part II of the Environmental Assessment Act by undertaking one of the following:
  - Submitting the Class EA Environmental Study Report for government review and approval; or,
  - Completing an Individual Environmental Assessment for government review and approval; or,
  - Preparing Terms of Reference governing the preparation of an Individual Environmental Assessment.

Requests for a Part II Order must be submitted in writing to the Minister of the Environment within the 30 day review period:

Minister of Environment  
Environmental Assessment and Approvals Branch  
135 St. Clair Avenue West, 12<sup>th</sup> Floor  
Toronto, ON M4V 1P5

A copy of the Part II Order must also be sent to the City of Hamilton, to the attention of the Project Manager (address above).

Information will be collected in accordance with the *Freedom of Information and Protection of Privacy Act*. With the exception of personal information, all comments will become part of the public record.

This notice issued April 27 and May 04, 2007.
