1. What is the preferred character / uses for the new linear park along the waterfront, and the parkette linking Piers 7 and 8?

2. What are your thoughts on the centralized parking garage?

3. Do you agree with the Proposed Community Character (sustainable, modern, diverse materials, etc)?

4. What are your preferred configurations for Streets A, B, D and E?

5. What are your thoughts on the linear stormwater feature (Plan1 Street D)?

6. Should Block A be considered for residential uses?
