Clerk, City of Hamilton
Hamilton City Hall
71 Main Street West
Hamilton ON L8P 4Y5

Dear Sirs/Mesdames:

Re: City of Hamilton By-law 15-173

We are the solicitors for St. Mary’s Cement Inc. (Canada), and its various related companies. Our client is the owner of approximately 530 acres of land, located north and west of Concession 11, and west of the Milborough Town Road, in what was the Township of Flamborough. Attached as schedule "A" is a sketch showing the location of our client’s property in a more detailed way. The legal description of our client’s property is set out in schedule “B”.

Our client’s property is affected by a Ministerial Zoning Order (O.Reg. 138/10), enacted under section 47 of the Planning Act. By virtue of a Deeming Order (O.Reg. 100/13), this Ministerial Zoning Order is deemed to be a by-law passed under section 34 of the Planning Act by the City of Hamilton. The MZO and the Deeming Order are still in effect. Copies of these orders are enclosed with this letter.

Our client’s property is also affected by a Conservation Easement, which sets out detailed restrictions aimed at conserving all of a portion of the lands for the purposes described therein. A copy of this Conservation Easement, as registered, is also included with this letter.

Our client’s principal interest is to ensure that the Official Plan policies and zoning provisions recently enacted by the City of Hamilton are consistent with the MZO and the Conservation Easement’s restrictions, both in terms of their geographic application and in terms of the land use policies and zoning provisions. For obvious reasons, our client wishes to ensure that there is a consistency between all of the land use instruments that affect its lands.
On June 25, 2015, our client met with the City, including Councillor Partridge and Michael Kovacevic along with Graham Flint, of FORCE, to discuss these issues, and provide input into the City's proposed Official Plan policies and zoning regulations. Based on those discussions, it was our client's expectation that the City would defer the enactment of these policies and regulations as they may apply to our client's lands, to give these discussions a better opportunity of enacting consensus.

Unfortunately, that did not happen. On July 10, 2015, the City enacted By-law No. 15-173, to effect amendments to By-law No. 05-200, as well as By-law No. 15-172.

Our client is still in the process of reviewing By-law No. 15-173, to determine whether it is in fact consistent with the MZO and the Conservation Easement. It has concerns that they may not be, both in terms of their geographic extent, and in terms of the restrictions that they impose on our client's lands.

Our client does not believe that it makes sense to have inconsistent planning documents affecting its lands. This would not, in its opinion, constitute "good planning".

To afford our client a better opportunity to review the City's planning instruments, our client hereby appeals the City's enactment of By-law No. 15-173, which amends Zoning By-law 05-200, pursuant to section 34 of the Planning Act.

Enclosed, in addition to the documents referred to earlier, is our client's completed Form A1 and a cheque in the amount of $125.00, made payable to the Minister of Finance.

We look forward to your acknowledgement of the receipt of this appeal, and to working with the City to (hopefully) resolve any possible issues and concerns that our client may uncover.

Yours truly,

John M. Buhlman
