If you need to transfer... between HSR buses, please obtain a free transfer from the HSR operator when you board the bus and pay your fare. Give this transfer to the operator of the next connecting bus.

### Connections Program

If you need to make a connection, with only a minute or two to spare, tell the Operator when you board the bus. It takes a few phone calls to smooth the way, so please give us as much notice as possible. Please keep in mind that during peak periods on busy routes, the Operator may simply be unable to accommodate your request.

To help you connect, the Operator needs to know the transfer bus stop, route and travel direction.

### Request Stop Program

After 8 p.m., the Operator will let you off between bus stops. Simply ask the Operator at least one bus stop ahead of where you want to get off. The Operator will tell you if it is safe to stop there. If you use Request Stop, please leave by the front door.

### Shelter Vandalism Program

There are more than 400 bus shelters throughout the HSR transit system. Our modern shelters offer protection from the elements and provide our customers with a safe and comfortable waiting area.

With your help, we hope to bring escalating taxpayer costs for shelter vandalism under control. If you witness an act of vandalism to any property, please call your local Police Station or call Crime Stoppers at 905.522.TIPS. Continued vandalism to a bus shelter may result in the removal of that shelter.

Please remember that smoking is prohibited inside HSR bus shelters.

### Lost & Found Program

If you leave an article on the bus call 905.528.4200 and ask for Lost and Found or go to the HSR Ticket Office at the Hamilton GO Centre located at 36 Hunter Street East.
