

Notice of Study Commencement and Public Information Centre No.1 New Waste Haulage Receiving Station Schedule 'B' Municipal Class Environmental Assessment

Project Background

The City of Hamilton has initiated a Schedule 'B' Municipal Class Environmental Assessment (EA) study to determine the preferred location for a new waste haulage receiving station. General locations to be considered during this Class EA study are identified on the study area map below. This study includes public, review agency, and First Nations consultation, evaluation of alternatives, assessment of the impacts of the proposed works, and identification of measures to mitigate any adverse impacts. Upon completion of the study, a Project File Report documenting the planning and decision making process will be prepared and made available for public review.

The Study Process

This Study will follow the planning and design process as defined in the *Municipal Engineers Association Municipal Class Environmental Assessment document (October 2000, as amended in 2007, 2011 & 2015)*.

Public Information Centre (PIC) No. 1

Two (2) PIC sessions will be held as part of this study. PIC No. 1 will be held to provide background information and to identify the problems and opportunities that will be addressed through the study. PIC No. 1 is scheduled for:

Date: November 9, 2017
Time: 6:00 pm to 8:00 pm
Location: Canadian Warplane Heritage Museum
9280 Airport Road
Mount Hope, ON

We would like to hear from you

We are interested in hearing any comments or concerns you may have with respect to this study. Comments received through the course of the study will be considered in selecting the preferred solution. Information will be collected in accordance with the Municipal Freedom of Information and Protection of Privacy Act. With the exception of personal information, all comments will become part of the public record. If you would like more information or would like to be placed on the Study mailing list, please contact:
