

King Street West (Dundas) Bridge (Bridge #248) Municipal Class Environmental Assessment

Notice of Study Completion and Public Review Period

THE PROJECT AND PROCESS

The City of Hamilton has completed a Municipal Class Environmental Assessment (EA) to make improvements to the King Street West (Dundas) Bridge. The King Street West (Dundas) Bridge spans Spencer Creek and provides a connection between the communities of Dundas and Greensville (see location map).

The bridge improvements have been planned as a **Schedule B** Project under the *Municipal Engineers Association Class Environmental Assessment (EA)*, (October 2000, as amended 2007, 2011 and 2015). Phases 1 and 2 of the process have been completed.

The recommended alternative is **Alternative 3, Replace Bridge at Existing Location**, which will have a configuration similar to that of the existing structure and will include active transportation facilities.

PUBLIC REVIEW PERIOD

The Class EA Project File Report documenting the planning process undertaken will be available for public and agency review for a minimum 30 calendar days from **February 1, 2018 to March 2, 2018**. The Project File Report is available for public review online at www.hamilton.ca/kingstwbridgeEA as well as at the following locations:

1. **Dundas Municipal Service Centre** at 60 Main Street, Dundas;
Tel: 905-546-CITY
