

## Notice of Public Information Centre No. 2 New Septage Waste Haulage Receiving Station Schedule 'B' Municipal Class Environmental Assessment Study

### Project Overview

The City of Hamilton has initiated a Schedule 'B' Municipal Class Environmental Assessment (EA) study to determine the preferred location for a new septage waste haulage receiving station. A number of areas have been evaluated and the preliminary preferred location for the new septage waste haulage receiving station is located on Dartnall Road between Rymal Road East and Twenty Road East as shown in the map below. This study includes public, review agency, and First Nations consultation, evaluation of alternatives, assessment of the impacts of the proposed works, and identification of measures to mitigate any adverse impacts. Upon completion of the study, a Project File Report documenting the planning and decision making process will be prepared and made available for public review.

### The Study Process

This Study is following the planning and design process as defined in the *Municipal Engineers Association Municipal Class Environmental Assessment document (October 2000, as amended in 2007, 2011 & 2015)*.

### Public Information Centre (PIC) No. 2

PIC No. 1 was held in December 2017 to provide background information and introduce the study. PIC No. 2 is being held to provide an overview of the evaluation of alternative site locations and the preliminary recommended solution for public review and comment. PIC No. 2 is scheduled for:

**Date:** September 19, 2018  
**Time:** 6:00 pm to 8:00 pm  
**Location:** Turner Park Library Program Room  
352 Rymal Rd. E.  
Hamilton, ON L9B 1C2

### We would like to hear from you

We are interested in hearing any comments or concerns you may have with respect to this study. Comments received through the course of the study will be considered in confirming the preferred solution. Information will be collected in accordance with the Municipal Freedom of Information and Protection of Privacy Act. With the exception of personal information, all comments will become part of the public record. If you would like more information or would like to be placed on the Study mailing list, please contact:
