DECISION DELIVERED BY J. de P. SEABORN AND ORDER OF THE BOARD

The City of Hamilton enacted By-law 09-246 (By-law) and it is appealed by Orev Investments Limited (Orev) and Saco Insurance Brokers (Saco). The purpose of the By-law is to allow for a parking lot to be used in conjunction with the Hamilton General Hospital (also known as 1201159 Ontario Ltd.).
Mr. Wellenreiter called Mr. Dorfman, a qualified land use planner, who gave expert evidence on behalf of Orev. Mr. Dorfman testified that while the intent of the By-law is reasonable and represents good planning, the wording of the By-law makes it possible that parking be permitted for those other than employees of the hospital, a concern for his client. Accordingly, Mr. Dorfman suggested certain amendments to the By-law to ensure that the wording contained reflected the intent, being parking for employees and visitors to the hospital, as opposed to the wider public. Mr. Sa, the principal of Saco, expressed a similar concern but went further, indicating that the property should be development for mixed-use purposes, not as a parking lot. Alternatively, Mr. Sa also suggested that the By-law stipulate that the lease arrangements be fixed for a maximum period of 15 years, to ensure the property is eventually developed and does not remain as long term parking.

Following the evidence of Mr. Dorfman I was advised that Orev, the City and the Hospital had reached an agreement on a modified By-law. Mr. Sa was not opposed to the agreement, but reiterated his concern that the By-law be restricted to 15 years. On this point I find that such a restriction is not necessary as the Hospital’s intention will be to enter into a lease arrangement for 15 years and that matter will be revisited in the future. It is not sensible to put in place a restriction at this time, nor is it necessary. On this matter I adopt and rely upon the submissions of Mr. Tice on behalf of the Hospital, and Ms Wice, on behalf of the City.

Based on the agreement between the parties and at their request, and relying on the opinion of Mr. Dorfman, the appeal is allowed in part and By-law 09-246 (which amends By-law 6593) is modified in accordance with Attachment “1”, and as modified, is approved.

This is the Order of the Board.
