(4) All Municipal Law Enforcement Officers are authorized to enforce this By-law.

(5) The General Manager of Public Works is authorized to delegate the responsibility for the administration of this By-law to any employee or agent of the Environment & Sustainable Infrastructure Division of the Public Works Department of the City.

(6) A Municipal Law Enforcement Officer may enter on land at any reasonable time for the purpose of carrying out an inspection to determine whether or not the following are complied with:

1. this By-law;

2. any direction, requirement or order of the City made under this By-law; or
3. an order made under s. 431 of the *Municipal Act, 2001* in respect of a contravention of this by-law.

(7) For the purposes of an inspection under subsection 3(6), a Municipal Law Enforcement Officer may,

1. require the production for inspection of documents or things relevant to the inspection;

2. inspect and remove documents or things relevant to the inspection for the purpose of making copies or extracts;

3. require information in writing or otherwise as required by the Municipal Law Enforcement Officer from any person concerning a matter related to the inspection; and

4. alone or in conjunction with a person possessing special or expert knowledge, make examinations or take tests, samples or photographs necessary for the purpose of the inspection.

(8) A Municipal Law Enforcement Officer may undertake an inspection pursuant to an order issued by a provincial judge or justice of the peace under section 438 of the *Municipal Act, 2001* where he or she has been prevented or is likely to be prevented from carrying out an inspection under subsection 3(6) and 3(7).

(9) If a Municipal Law Enforcement Officer is satisfied that a contravention of this By-law has occurred, he or she may make an order requiring the person who contravened this By-law or who caused or permitted the contravention, or the Owner or Occupant of the property on which the contravention occurred to discontinue the contravening activity.

(10) An order under subsection 3(9) shall set out:

1. reasonable particulars of the contravention adequate to identify the contravention and the location of the property on which the contravention occurred; and

2. the date and time by which there must be compliance with the order, which may be of immediate effect should the Municipal Law Enforcement Officer determine that the circumstances warrant.
(11) If a Municipal Law Enforcement Officer is satisfied that a contravention of this By-law has occurred, he or she may make an order requiring the person who contravened this By-law or who caused or permitted the contravention or the Owner or Occupant of the property on which the contravention occurred to do the work to correct the contravention.

(12) An order under subsection 3(11) shall set out:

1. reasonable particulars of the contravention adequate to identify the contravention and the location of the property on which the contravention occurred; and

2. the work to be completed which may include but is not limited to requiring that:

   (a) prior to performing any work, all necessary permits or other approvals be applied for and obtained;

   (b) examinations or tests be conducted for the purpose of determining the cause of the contravention and/or the remedial measures that are necessary to correct the contravention, and that such examinations or tests be supplied to the Municipal Law Enforcement Officer together with any accompanying reports required in the order;

   (c) arrangements be made for the shutting off of the supply of water from the City’s water distribution system until the work ordered to be done is completed; and

3. the date and time by which the work must be completed, which may be of immediate effect should the Municipal Law Enforcement Officer determine that the circumstances warrant.

(16) No person shall remove an order, notice, direction or placard posted on a property indicating that it was posted under this By-law, except a Municipal Law Enforcement Officer.

(17) Where a time frame is set out in an order for carrying out any action, the Municipal Law Enforcement Officer may extend the time for compliance beyond the established time frame provided such extension is required and is acceptable to the Municipal Law Enforcement Officer.

(18) Where a person does not comply with a direction or a requirement, including an order, under this By-law to do a matter or thing, the General Manager of Public Works, with such assistance by others as may be required, may carry out such direction, requirement or order at the person's expense.

(19) The City may recover the costs of doing a matter or thing under subsection 3(18) by action or by adding the costs to the tax roll and collecting them in the same manner as property taxes and such costs shall include an interest rate of 15 percent commencing on the day the City incurs the costs and ending on the day the costs, including the interest, are paid in full.

(20) The General Manager of Public Works is authorized to give immediate effect to any direction or requirement where the costs of carrying out the direction or requirement do not exceed $10,000 and, where the costs do exceed $10,000, as the City's council may authorize.
21. The amount of the City’s costs including interest to the date payment is made in full constitutes a lien upon the land, upon the registration of a notice of lien upon the land.

3. Subsections 8(10), (11) and (12) of By-law No. R84-026 are deleted and replaced with the following subsections 8(10), (11), (12) and (13):

10. If a seal on a meter by-pass for a non-residential property is opened and/or broken, without the prior written permission of the City or its authorized agent, the Owner or Occupant of the property shall pay an amount equal to up to three times the average daily water consumption for the property during the time period when the valve was opened. If a full year’s billing history is not available for the property, the City will estimate the average daily water consumption based on the average daily water consumption of similar customers. Upon the request of the City, the Owner shall install metering equipment on the by-pass valve within 60 days of such request and shall be responsible for all charges and fees associated with it.

11. If an existing water meter and/or house piping of a residential property have been altered to by-pass the water meter and to allow for non-metered water to be drawn, without the prior permission of the City or its authorized agent, the Owner or Occupant shall pay an amount equal to up to three times the average daily water consumption for the property during the time period that the alteration occurred and until the 60 day period referred to in subsection (a) has expired. If a full year’s billing history is not available for the property, then the City will estimate the average daily water consumption for the property based on the average daily water consumption of similar customers. In such a situation, the Owner shall also:

(a) within 60 days of a request by the City, restore the water metering equipment or house piping, or both, to current City specifications, at the Owner’s cost and expense, including but not limited to the cost of any required permits, the cost to replace any damaged water meter and the cost of any inspections by the City to ensure that the restoration work has been completed to its satisfaction; or

(b) where the Owner has failed to comply with subsection (a), pay an amount equal to two times the non-metered annual rate set out in Schedule “A” to this By-law, until such time as the Owner complies with subsection (a).
(12) Fees for the supply and installation of water meters and remote readers are to be paid by the Owner of the premises and are set forth in Section 1 of Schedule “E” to this By-law.

(13) No person shall break, damage, destroy, deface or tamper or cause or permit the breaking, damaging, destroying defacing or tampering with:

(a) any part of the Waterworks; or
