4. The amount resulting from the application of the Sewer Charges, hereinafter referred to as the "Indebtedness", shall be collected at the time of permit issuance for any connection to the said Sewer Works, in addition to any applicable permit fee.
5. The Assessed Owners have the option of paying the Indebtedness by way of annual payments over a period of fifteen (15) years from the date of permit issuance for connection by entry on the collector's roll, to be collected in like manner as municipal taxes. The interest rate utilized for the 15 year payment shall be the City of Hamilton's then-current 15 year borrowing rate (2011 rate – 5.00%)
6. Notwithstanding Section 5, an Assessed Owner of a parcel described in Schedule "B" may pay the commuted value of the Indebtedness without penalty, but including interest, at any time.
7. Should an Assessed Owner sever or subdivide their parcel of land, the amount owed to the City hereunder, whether the parcel of land is connected or not, and whether or not the Assessed Owner has previously exercised the repayment option set out in Section 5 above, shall be paid forthwith to the City in a lump sum as a condition of the severance or subdivision approval.
8. The developer, Multi-Area Developments Inc., upon satisfying the City that it has completed its obligations with respect to the construction of the said Sewer Works, shall receive repayment of that portion of the associated cost of the construction collected hereunder, pursuant to the terms and conditions of its subdivision agreement.
9. The Sewer Charge and the resulting Indebtedness imposed by this By-law shall be a lien and charge upon the Assessed Owner's lands.
