

NOTICE OF STUDY COMPLETION AND PUBLIC REVIEW PERIOD

Southcote Road (Garner Road to Golf Links Road) Municipal Class Environmental Assessment

THE STUDY AND PROCESS

The City of Hamilton has completed a Municipal Class Environmental Assessment (EA) to address transportation issues along Southcote Road (Garner Road to Golf Links Road). The road improvements have been planned as a **Schedule C** Project under Municipal Engineers Association Class Environmental Assessment (EA), (October 2000, as amended 2007, 2011 and 2015). Phases 3 and 4 of the process have been completed.

The recommended alternative is **Design Option 3** – sidewalk on the east side of the road and multi-use pathway on the west side of the road. This option provides the best balance of improving active transportation facilities along Southcote Road and minimizing impacts to mature trees.
