What are your thoughts on the potential reconfiguration of Dundas St. E. (from Hamilton St. to Reynold St.) to accommodate four (4) lanes of traffic?

Of the network solutions identified, which ones do you support (check all that apply)?

- Extension of Clappison Avenue between Parkside Drive and the East/West Road
- Main Street North Connection to Centre Road/Hamilton Street North (removing Cul-de-Sac)
- Early conversion of Highway 5/Highway 6 signalised intersection to an Interchange (MTO Project)
- Conversion of Mill Street to One-Way between Parkside and Dundas St. or section between Dundas St. and Church St.
