1. Are you in agreement with the preferred planning solution to widen Highway 8 to 5 lanes (two lanes in each direction plus a two-way centre left turn lane) with consideration for active transportation facilities (potentially bike lanes, multi-use trails or sidewalks)?

2. How do you use the corridor? Please rank in order of your preference for the uses indicated below (where 1 is most important and 6 is least important to you).

- a. Cycle (on-road or off-road) _____
- b. Walk _____
- c. Road user – casual _____
- d. Road user – commercial _____
- e. Other (Please state) _____

3. How would you like the corridor to be made more accessible for a variety of users including seniors and children?

4. If you cycle along Highway 8, which type of bicycle facility would you prefer? Please rank (from 1 to 3).

- a. On road – dedicated bike lane _____
- b. Off road – dedicated bicycle trail _____
- c. Off road - shared – multi-use trail _____

Hamilton

5. What features on Highway 8 would you like to see protected or enhanced?

Four horizontal lines for writing answers to question 5.

Please use the following space to ask any other questions you may have and the Study Team will provide a response within the following weeks. You can also use this space to provide general comments on today's public meeting or the overall study:

Seven horizontal lines for writing additional questions or comments.

Thank you for your participation. If you wish to be added to our *Project Mailing List* to be kept informed about the study please provide your contact information below.

Form for contact information with labels: Name, Address, City, Postal Code, Phone, Email, each followed by a horizontal line.

Please provide some information on this Public Information Centre for us to better schedule and design the next Public meeting.

How did you hear about the event?
