

## IMPORTANT MESSAGE

Councillor Sam Merulla, Ward 4 East Hamilton

The attached newsletter is for information purposes ONLY.

During this challenging time, I must announce the **cancellation** of the noted Town Hall meeting due to the impacts of the COVID-19 pandemic.

In the meantime, I'm keeping you connected with a status of community projects. However, I would like you to take note that any announcements including special events/programs dates, etc., are most likely cancelled and/or being rescheduled. Please feel free to connect with the organizers directly for any changes.

I hope to reach out to you again at a later time respecting any future meetings.

To that end, please continue to follow the advice of our public health teams and remember to wash your hands with soap and water, disinfect frequently used items and surfaces and cough or sneeze into your arm to help prevent the spread of the virus.
