

## Notice of Public Consultation Meeting #2 (Online Meeting)

### What is this study about?

The City of Hamilton is completing a Parking Master Plan to examine existing parking operations, and to provide direction for parking policy, planning, operations, and enforcement that will align with other city-wide transportation and planning policies.

### Hear what's next for parking in Hamilton

Review the presentation on the website or join us for the meeting to learn about the findings to-date and the general principles that the recommendations will align with.

Financial Sustainability  
of HMPS

Economic Development  
& Support for Local  
Businesses

Support Sustainable  
and Environmentally  
Friendly Alternatives

Resiliency & Preparing  
for an Uncertain Future
